Monique and the Mango Rains

In this sequel to Vision: The Path To Danger, Clairvoyant Helen Staples steps in to a dangerous case just as her personal life shows a glimmer of promise. For two years Helen kept her self busy with missing person cases. Most of the cases only took a few days to solve, but all served to help distract her from the broken heart she'd suffered after Martin Hamlin's murder. When Quincy Hart invites Helen to dinner, she is looking forward to getting to know the handsome harbor master better. Their first date is put on hold when Helen gets involved in a kidnapping case. Upon touching the young secretary's scarf, Helen sees the danger that the woman is in. It's a perilous case that Helen can't turn away from. An international human trafficking ring is behind the woman's disappearance and after two years of avoiding dangerous cases, Helen dives into what could be the most treacherous

case of her career. As Helen searches for the secretary, using Key West, Florida as a base, she encounters a dangerous connection and blinding deception in the form of a mysterious millionaire who wants to possess Helen and her gifts.

Blinding Deception

In a remote corner of West Africa, Monique Dembele saved lives and dispensed hope every day in a place where childbirth is a life-and-death matter. Monique and the Mango Rains is the compelling story of the authors decade-long friendship with Monique, an extraordinary midwife in rural Mali. It is a tale of Moniques unquenchable passion to better the lives of women and children in the face of poverty, unhappy marriages, and endless backbreaking work, as well as her tragic and ironic death. In the course of this deeply personal narrative, as readers immerse in village life and learn firsthand the rhythms of Moniques world, they come to know her as a friend, as a mother, and as an inspired woman who struggled to find her place in a male-dominated world.

Baby Out of the Blue

He will do anything to keep her and their baby What about their baby? Five years ago, Jane's marriage to Demetri ended. Now Demetri needs an heir and demands a

divorce. But they have one last night together How can Jane tell her soon-to-be-ex-husband that she's pregnant with his child? The Hot-Blooded Italian A lavish masquerade ball is no place for Carys Wells. Used to being unnoticed, Carys feels exposed by the searing gaze of a masked man. Little does she know he's the man whose wicked touch is about to become her undoing Bought: Mother of his child Billionaire Jake Marriot was always clear about his relationships-no marriage, no babies. So when Ashleigh found out she was pregnant, she ran Now Jake no longer wants her just as his mistresshe'll buy her as his wife

The Executioner Always Chops Twice

If you are a crafter, teacher or parent interested in recycling Christmas cards, then you will love these pretty eco crafts, ideas and special templates to repurpose your used Holiday cards into charming new crafted items. The full color book with instructions and photographs for the 50 projects, plus the template collection with easy craft templates, are all you need to give used greeting cards a second life. The templates are designed and adapted for greeting card sizes and can be used again and again. Don't throw away those beautiful cards after the very short holiday period! Create nifty new items for fabulous scrapbooking, pretty packaging, little personal gifts, fun favors, small tokens of appreciation, creative containers, decor, decorations and ornaments! There are bonus projects, printable pattern paper and a second set of blank craft templates too. Make them for

yourself, or to sell at craft markets and fundraising events. And use them for school arts and crafts projects too, as many projects are suitable for children. No fancy coordinated craft shop designs or expensive embellishments are needed. Just use what you have on hand. The happy patchwork medley is exactly what makes the projects in Recycling Christmas Cards so charming. Those lavish graphics on greeting cards were created by professional designers and make fabulous crafting material for pennies on the dollar - and in sturdy cardstock to boot. They are just waiting for the new life you can give them. Folks love to browse craft fairs and the likes for those inexpensive "little something" gifts. Many projects are geared towards such little gifts and stocking stuffers. Crafters will love the 45 craft templates in the book, as they have the perfect size for the projects. (Suggestions for recycling Christmas cards are easy to find, but finding templates that are ready to use and scaled to size are not). For convenience the templates are also available as printable downloads. If you have some odd cards left in a box somewhere, you can start your crafting straight away. Then ask friends, family and neighbors for theirs, as you will soon need (and want) a lot of cards. You can even arrange collection boxes at super markets, clubs and such. It is not just about recycling Christmas cards, but about recycling Christmas fun - all year long! So keep every one of your cards and get started for the next Holiday season, because 40 million recycled cards save 13 600 trees! Reuse, remake, repurpose, reduce, recycle and rethink!

Where Dreams Taste Like Chocolate

The Brotherhood of Book Hunters

The Da Vinci Code meets Stephen Greenblatt's *The Swerve* in this erudite adventure story set at the dawn of the printed book about the outlaw poet François Villon and the power of words to change the world. François Villon, the world's first poet of modernity, was born in Paris in 1431. He was arrested and condemned to death by hanging in 1462 and exonerated in 1463. Shortly after his release from prison, as far as history is concerned, he disappeared forever. In Raphaël Jerusalmy's thrilling novel, to ensure his release, Villon has accepted a shady deal offered by the Bishop of Paris at the behest of Louis XI. All Villon has to do to earn his freedom is to convince a printer and bookseller to move from Mayence to Paris, telling him that by doing so he'll be better able to circulate progressive ideas that aren't approved of in Rome. Not surprisingly, Villon's task becomes more complicated than it first seemed. With this riveting tale of plots and counterplots involving secret organizations in Jerusalem, intrigue in France, and brigands in Italy, Raphaël Jerusalmy leaves readers with their hearts racing and their imaginations stirred. *The Brotherhood of Book Hunters* is an irresistible read for lovers of books, adventure, and fine writing.

Baby Out of the Blue

Arizona Dranes (1889-1963) was a true musical innovator whose recordings made for the Okeh label during the years 1926-1928 helped lay the foundations for what would soon be known as gospel music. The School of Arizona Dranes: Gospel Music Pioneer covers the life and career of Dranes and situates her accomplishments in the broader history of African American gospel music and the rise of the Pentecostal movement.

Recycling Christmas Cards

Sometimes chocolate is the key element in finding love. Tony Bosco, itinerant chocolatier, returned to Seattle to work in his cousin's shop; a legacy from their past. But only when he searches for the heart behind their granddad's recipes does he begin to discover his own gifts. Raquel Wells has been instrumental in creating the business success of Perrin's Glorious Garb clothiers. Her weekly treat, two pieces of Bosco chocolate. Next? Find the man to fulfill Stage Three of her Personal Life Plan, which is right on track, until her meticulous agenda is sideswiped by Tony. Their futures await Where Dreams Taste Like Chocolate.

The School of Arizona Dranes

Original text, modern Tamil, and English translations of Tirukkural, ancient Tamil didactic verse work, by Tiruvalluvar, Tamil poet.

Tirukkural

A morbidly fascinating mixture of bungled executions, strange last requests, and classic final one-liners from medieval times to the present day. Sometimes it's hard

to be an executioner, trying to keep someone from popping up to make a quip when they should have spectacularly sunk without a trace. Or to be told that the condemned to the guillotine won't have a last drink for fear of "completely losing his head." The business of death can be absurd, and nothing illustrates this better than these tales of the gruesome and frankly ridiculous ways in which a number of ill-fated unfortunates met (or failed to meet) their maker. Did you know: When Sir Thomas More was ordered to position his head on the block, he said "though you have warrant to cut off my head, you have none to cut off my beard?" When the guillotine took three strokes to sever the neck of Isabeau Herman, the mob attempted to stone the executioner to death for cruelty? After the English hanged the pirate Captain Kidd they chained his body to a stake on the Thames River as a warning to seafarers? From the strange to the gruesome, from the weird to the completely unbelievable, The Executioner Always Chops Twice is popular history at its best: witty, lively, and wonderfully bizarre.
