Dusk or Dark or Dawn or Day

She's back! The Rifts are closed. Irth is no longer under threat. And yet peace doesn't stop people from acting like idiots. When a routine supply run turns into an all out fight, Hannah and her faithful team of warriors must solve the murder of a king before his kingdom tears itself apart. But there are those within the kingdom who will stop at nothing to make sure that murder stays a mystery. The Solyrian Conspiracy follows the epic adventures of the world's strongest magician as she uses her power to bring justice back to Irth. An action packed adventure full of twists and

turns, Rise of Magic Book 09 will leave you on the edge of your seat.

Night Mares in the Hamptons

Swords and Shields. Faith and Magic. Grab your weapons and prepare, for the enemy is on the move. High fantasy and mighty conflicts go hand-in-hand. In great wars, armies rise to fight evil hordes and heroes struggle to push beyond their imperfections to save the day. These stories include more than just epic landscapes and characters—they also feature epic battles. Imagine a doctor struggling to identify the spy who has infiltrated his company's ranks and poisoned his colleagues or a boy suspected of murder by a king yet protected by a princess as he helps her father against his own people. Imagine a butcher discovering that he's called to lead an uprising, or a First Born knowing that she must betray her own in order to save humanity. The possibilities are endless, but at the heart they have this in common: soldiers³/₄ordinary and otherwise_struggling against extraordinary odds to survive the day. They must withstand dark magic, dodge enemy blades, and defy the odds to survive SHATTERED SHIELDS.

Come Tumbling Down

For ten years Dale Highland has been on the run, plagued by violent blackouts and increasingly intense psychic abilities and super-human strength. When heaven's greatest bounty hunter, John Goodwin, finally catches up with her, he reveals the source of her powers: her mother was a demon. They form an unlikely alliance to fight back against his fellow bounty hunters- a deadly guild of angels know as the Thrones bound to destroy all demons. To make matters worse, Dale discovers that she is a key figure in the ancient battle between demons and angels- only this time, the angels are the bad guys.

An Artificial Night

Now in hardcover, the thirteenth novel of the Hugo-nominated, New York Times-bestselling Toby Daye urban fantasy series! Hundreds of years ago, the Selkies made a deal with the sea witch: they would

have the sea for as long as she allowed it, and when the time came, she would call in all their debts at once. Many people assumed that day would never come. Those people were wrong. When the Luidaeg--October "Toby" Daye's oldest and most dangerous ally--tells her the time has come for the Selkies to fulfill their side of the bargain, and that Toby must be a part of the process, Toby can't refuse. Literally. The Selkies aren't the only ones in debt to the Luidaeg, and Toby has to pay what she owes like anyone else. They will travel to the fabled Duchy of Ships and call a convocation of the Selkies, telling them to come and meet the Luidaeg's price or face the consequences. Of course, nothing is that simple. When Dianda Lorden's brother appears to arrest Dianda for treason against the Undersea, when a Selkie woman is stripped of her skin and then murdered, when everything is falling apart, that's when Toby will have to answer the real question of the hour. Is she going to sink? Or is she going to swim?

Perdition

New York Times–bestselling October Daye series • Hugo Award–winning author Seanan McGuire • "Top of my urban-paranormal series list!" —Felicia Day It's been almost a year since October "Toby" Daye averted a war, gave up a county, and suffered personal losses that have left her wishing for a good day's sleep. She's tried to focus on her responsibilities, but she can't help feeling like her world is crumbling around her, and her increasingly

reckless behavior is beginning to worry even her staunchest supporters. To make matters worse, Toby's just been asked to find another missing child...only this time it's the changeling daughter of her fellow knight, Etienne. Chelsea, a teleporter like her father, is the kind of changeling the old stories warn about: the ones with all the strength and none of the control. She's opening doors that were never meant to be opened, releasing dangers that were sealed away centuries before—and there's a good chance she could destroy Faerie if she isn't stopped. Now Toby must find Chelsea before time runs out, racing against an unknown deadline and through unknown worlds as she and her allies try to avert disaster. Toby thought the last year was bad. She has no idea.

The Shambling Guide to New York City

When her sister Patty died, Jenna blamed herself. When Jenna died, she blamed herself for that, too. Unfortunately Jenna died too soon. Living or dead, every soul is promised a certain amount of time, and when Jenna passed she found a heavy debt of time in her record. Unwilling to simply steal that time from the living, Jenna earns every day she leeches with volunteer work at a suicide prevention hotline. But something has come for the ghosts of New York, something beyond reason, beyond death, beyond hope; something that can bind ghosts to mirrors and make them do its bidding. Only Jenna stands in its way. Dusk or Dark or Dawn or Day is a new standalone urban fantasy novella from New York

Solyrian Conspiracy: Age Of Magic

New York Times-bestselling October Daye series • Hugo Award-winning author Seanan McGuire • "Top of my urban-paranormal series list!" —Felicia Day
October "Toby" Daye is a changeling, the daughter of Amandine of the fae and a mortal man. Like her mother, she is gifted in blood magic, able to read what has happened to a person through a mere taste of blood. Toby is the only changeling who has earned knighthood, and she re-earns that position every day, undertaking assignments for her liege, Sylvester, the Duke of the Shadowed Hills. Now Sylvester has asked her to go to the County of Tamed Lightning—otherwise known as Fremont, CA—to make sure that all is well with his niece, Countess January O'Leary, whom he has not been able to contact. It seems like a simple enough assignment—but when dealing with the realm of Faerie nothing is ever as simple as it seems. Toby soon discovers that someone has begun murdering people close to January, whose domain is a buffer between Sylvester's realm and a scheming rival duchy. If Toby can't find the killer soon, she may well become the next victim. From the Paperback edition.

Maida. Not that most people know that, since he's a blind foster squired to a changeling—not exactly something that screams “hidden royalty.” But with a new Queen on the throne in the Mists, his parents have finally come to town to see how he's doing...and to take him home with them. That's going to be a problem, since Quentin doesn't particularly want to leave, and his knight, Sir October Daye, doesn't particularly want to let him go. Set after Chimes at Midnight and before The Winter Long, it's finally time to meet the parents in our first-ever story narrated by Quentin himself.

Homicide detective Kara Gillian has a special talent: she can sense the "arcane" in our world, and there's quite a bit of it, even in Beaulac, Louisiana. She's also a summoner of demons, and works on a task force that deals with supernatural crimes. Her partners are attractive and smart FBI agents, but they're not summoners, and they're not telling Kara why they are on this special force with her. To complicate things even more, Kara has pledged herself to one of the most powerful of demons—Demon Lord Rhyzkahl—who helped save her partner's life, but now expects things in return. Meanwhile, she's trying to solve a string of murders that are somehow tied together by money, sex, rock music and mud. But how can she concentrate on the case when she's not even sure who—or what—her partners are? Secrets of the Demon is the exciting third installment of the Kara Gillian series.

Changeling knight in the court of the Duke of Shadowed Hills, October "Toby" Daye has survived numerous challenges that would destroy fae and mortal alike. Now Toby must take on a nightmarish new assignment. Someone is stealing both fae and mortal children—and all signs point to Blind Michael. When the young son of Toby's closest friends is snatched from their Northern California home, Toby has no choice but to track the villains down, even when there are only three magical roads by which to reach Blind Michael's realm—home of the legendary Wild Hunt—and no road may be taken more than once. If she cannot escape with all the children before the candle that guides and protects her burns away, Toby herself will fall prey to Blind Michael's inescapable power. And it doesn't bode well for the success of her mission that her own personal Fetch, May Daye—the harbinger of Toby's own death—has suddenly turned up on her doorstep From the Paperback edition.

The Winter Long

Jane Yellowrock must dig deep and find strength within herself if she is to survive in the latest novel in this New York Times bestselling series. Jane Yellowrock is vampire-killer-for-hire, but her last battle with an ancient arcane enemy has brought her low.

She seeks retreat in the Appalachian Mountains to grieve the loss of her friends, and to heal—or to die—from the disease brought on by her magic. But malevolent elements in the paranormal community still seek to destroy Jane, and a terrifying foe stalks her, even into the safety of the hills. With nowhere to run and her body failing, the rogue-vampire hunter and her inner Beast must discover a way to defeat this new threat, and find a form that gives her a chance to fight another day.

Verity Price is back on the West Coast and getting back into the swing of the family business: cryptozoology. She's rescuing cryptids from bad situations, protecting them from monster-hunters, and generally risking life and limb for the greater good, with her ex-Covenant partner/husband, Dominic, by her side. Her ballroom dance career is behind her so she thinks. When Verity gets the call from the producers of Dance or Die, the reality show she almost won several years before, she finds the lure of a comeback impossible to resist, and she and Dominic are off to L.A. for one last shot at the big time. Of course, nothing is that simple.

When two of her fellow contestants turn up dead, Verity will need every ally she can find—and a couple she wasn't looking for—in order to navigate the complicated steps of both the tango and a murder investigation without blowing her cover. It doesn't help that her official family backup is her grandmother, Alice Price-Healy, who thinks "subtle" is something that happens to other people. Winning this competition may have just become a matter of life and death.

Ashes of Honor

Four original stories from some of fantasy's most exciting authors, featuring assassins, faerie, hauntings, and more.

The Girl in the Green Silk Gown

Celebrating ten years of the Hugo-nominated and New York Times-bestselling October Daye urban fantasy series comes a new hardcover anniversary edition of the book that started it all, with a new bonus novella. The world of Faerie never disappeared; it merely went into hiding, continuing to exist parallel to our own. Secrecy is the key to Faerie's survival—but no secret can be kept forever, and when the fae and mortal worlds collide, changelings are born. Outsiders from birth, these half-human, half-fae children spend their lives fighting for the respect of their immortal relations. Or, in the case of October "Toby" Daye, rejecting it completely. After getting burned by both sides of her heritage, Toby has denied

the fae world, retreating into a “normal” life. Unfortunately for her, Faerie has other ideas. The murder of Countess Evening Winterrose, one of the secret regents of the San Francisco Bay Area, pulls Toby back into the fae world. Unable to resist Evening’s dying curse, Toby must resume her former position as knight errant to the Duke of Shadowed Hills and begin renewing old alliances that may prove her only hope of solving the mystery before the curse catches up with her. This edition features an all-new October Daye novella, *Strangers in Court*. Toby knew what she was doing when she threw her lot in with Devin, but when the time comes to get out, she has a little less of a clue. In order to win her freedom, she must do something to impress the local nobility—and the collapse of the Queen's knowe would seem to be exactly the opportunity she's been waiting for to prove herself! Set well before the events of *Rosemary and Rue*, this is a rare look at Toby's past as a changeling street rat, before she discovered her destiny as a Hero of the Realm.

Chimes at Midnight

Graphic novelist Willow Tate is a Visualizer, able to draw images of beings from the realm of Faerie, bringing them from their world to ours in the process. After a ten-foot-tall red troll follows her from Manhattan to Paumanok Harbor in the Hamptons, Willow realizes that many of her relatives and their neighbors possess psychic talents—truth-knowing, scrying, weaving wishes, picking lucky numbers, and more. So when magic and mayhem return to

Paumanok Harbor, and Willow is called upon to rescue the town, she enlists the local talent. Three magical mares are searching the Long Island village for a missing colt, and their distress is causing sleeping nights, bad tempers, and dangerous brawls among the gifted but peculiar residents. Though the Department of Unexplained Events sends Willow a world-famous horse whisperer, Texan Ty Farraday seems more interested in whispering in her ear than in rescuing the kidnapped colt whose terror only Willy can feel. Even with help, she still has to struggle with snakes, drug dealers, tourists, hidden caves, a mad scientist-and the almost overwhelming distraction of that sexy cowboy

Shattered Bonds

The second book in the Ghost Roads series returns to the highways of America, where hitchhiking ghost Rose Marshall continues her battle with her killer--the immortal Bobby Cross. Once and twice and thrice around, Put your heart into the ground. Four and five and six tears shed, Give your love unto the dead. Seven shadows on the wall, Eight have come to watch your fall: One's for the gargoyle, one's for the grave, And the last is for the one you'll never save. For Rose Marshall, death has long since become the only life she really knows. She's been sweet sixteen for more than sixty years, hitchhiking her way along the highways and byways of America, sometimes seen as an avenging angel, sometimes seen as a killer in her own right, but always Rose, the Phantom Prom Date, the Girl in the Green Silk Gown. The man who killed

her is still out there, thanks to a crossroads bargain that won't let him die, and he's looking for the one who got away. When Bobby Cross comes back into the picture, there's going to be hell to pay—possibly literally. Rose has worked for decades to make a place for herself in the twilight. Can she defend it, when Bobby Cross comes to take her down? Can she find a way to navigate the worlds of the living and the dead, and make it home before her hitchhiker's luck runs out? There's only one way to know for sure. Nine will let you count the cost: All you had and all you lost. Ten is more than time can tell, Cut the cord and ring the bell. Count eleven, twelve, and then, Thirteen takes you home again. One's for the shadow, one's for the tree, And the last is for the blessing of Persephone.

New York Times-bestselling October Daye series • Hugo Award-winning author Seanan McGuire • "Top of my urban-paranormal series list!" —Felicia Day Things are starting to look up for October "Toby" Daye. She's training her squire, doing her job, and has finally allowed herself to grow closer to the local King of Cats. It seems like her life may finally be settling down at least until dead changelings start appearing in the alleys of San Francisco, killed by an overdose of goblin fruit. Toby's efforts to take the problem to the Queen of the Mists are met with harsh reprisals, leaving her under sentence of exile from her home and everyone she loves. Now Toby must find a way to reverse the Queen's decree, get the goblin fruit off the streets--and, oh, yes, save her own life. And then there's the question of the Queen herself, who seems increasingly unlikely to have a valid claim to the throne. To find the answers, October and her friends will have to travel from the legendary Library of Stars into the hidden depths of the Kingdom of the Mists--and they'll have to do it fast, because time is running out.

Includes a brand-new map and original bonus novella!
Politics have never been October "Toby" Daye's strong suit. When she traveled to the Kingdom of Silences to prevent them from going to war with her home, the Kingdom of the Mists, she wasn't expecting to return with a cure for elf-shot and a whole new set of political headaches. Now the events she unwittingly set in motion could change the balance of modern Faerie forever, and she has been ordered to appear before a historic convocation of monarchs, hosted by Queen Windermere in the Mists and overseen by the High King and Queen themselves. Naturally, things have barely gotten underway when the first dead body shows up. As the only changeling in attendance, Toby is already the target of suspicion and hostility. Now she needs to find a killer before they can strike again—and with the doors locked to keep the guilty from escaping, no one is safe. As danger draws ever closer to her allies and the people she loves best, Toby will have to race against time to prevent the total political destabilization of the West Coast and to get the convocation back on track...and if she fails, the cure for elf-shot may be buried forever, along with the victims she was too slow to save. Because there are worse fates than sleeping for a hundred years.

Day Contains an original bonus novella, *Of Things Unknown!* Things are slow, and October “Toby” Daye couldn’t be happier about that. The elf-shot cure has been approved, Arden Windermere is settling into her position as Queen in the Mists, and Toby doesn’t have anything demanding her attention except for wedding planning and spending time with her family. Maybe she should have realized that it was too good to last. When Toby’s mother, Amandine, appears on her doorstep with a demand for help, refusing her seems like the right thing to do...until Amandine starts taking hostages, and everything changes. Now Toby doesn’t have a choice about whether or not she does as her mother asks. Not with Jazz and Tybalt’s lives hanging in the balance. But who could possibly help her find a pureblood she’s never met, one who’s been missing for over a hundred years? Enter Simon Torquill, elf-shot enemy turned awakened, uneasy ally. Together, the two of them must try to solve one of the greatest mysteries in the Mists: what happened to Amandine’s oldest daughter, August, who disappeared in 1906. This is one missing person case Toby can’t afford to get wrong.

Blooding

First book in New York Times-bestselling Seanan McGuire's witty urban fantasy InCryptid series about a family of cryptozoologists who act as a buffer between humans and the magical creatures living in secret around us. "The only thing more fun than an October Daye book is an InCryptid book." —Charlaine Harris, #1 New York Times-bestselling author of Sookie Stackhouse series Cryptid, noun: Any creature whose existence has not yet been proven by science. See also "Monster." Cryptozoologist, noun: Any person who thinks hunting for cryptids is a good idea. See also "idiot." Ghoulies. Ghosties. Long-legged beasties. Things that go bump in the night The Price family has spent generations studying the monsters of the world, working to protect them from humanity—and humanity from them. Enter Verity Price. Despite being trained from birth as a cryptozoologist, she'd rather dance a tango than tangle with a demon, and is spending a year in Manhattan while she pursues her career in professional ballroom dance. Sounds pretty simple, right? It would be, if it weren't for the talking mice, the telepathic mathematicians, the asbestos supermodels, and the trained monster-hunter sent by the Price family's old enemies, the Covenant of St. George. When a Price girl meets a Covenant boy, high stakes, high heels, and a lot of collateral damage are almost guaranteed. To complicate matters further,

local cryptids are disappearing, strange lizard-men are appearing in the sewers, and someone's spreading rumors about a dragon sleeping underneath the city

Imaginary Numbers

BEKA COOPER IS a rookie with the Provost's Guard, and she's been assigned to the Lower City. It's a tough beat, but Beka can hear the voices of the dead on the wings of pigeons, and Beka's birds clue her in to two major murderers on the loose. The rest of the Guard is busy investigating the fire opal killer, so it's up to Beka to nab the Shadow Snake. Tamora Pierce begins a new Tortall trilogy introducing Beka Cooper, a young woman who lived 200 years before Pierce's popular Alanna character. Pierce employs first-person narration, bringing readers even closer to a character that they will love for her unusual talents and tough personality.

One Salt Sea

The ninth book in the fast-paced InCryptid urban fantasy series returns to the mishaps of the Price family, eccentric cryptozoologists who safeguard the world of magical creatures living in secret among humans. Sarah Zellaby has always been in an interesting position. Adopted into the Price family at a young age, she's never been able to escape the biological reality of her origins: she's a cuckoo, a telepathic ambush predator closer akin to a parasitic wasp than a human being. Friend, cousin,

mathematician; it's never been enough to dispel the fear that one day, nature will win out over nurture, and everything will change. Maybe that time has finally come. After spending the last several years recuperating in Ohio with her adoptive parents, Sarah is ready to return to the world--and most importantly, to her cousin Artie, with whom she has been head-over-heels in love since childhood. But there are cuckoos everywhere, and when the question of her own survival is weighed against the survival of her family, Sarah's choices all add up to one inescapable conclusion. This is war. Cuckoo vs. Price, human vs. cryptid and not all of them are going to walk away.

The Unkindest Tide

A travel writer takes a job with a shady publishing company in New York, only to find that she must write a guide to the city - for the undead! Because of the disaster that was her last job, Zoe is searching for a fresh start as a travel book editor in the tourist-centric New York City. After stumbling across a seemingly perfect position though, Zoe is blocked at every turn because of the one thing she can't take off her resume --- human. Not to be put off by anything -- especially not her blood drinking boss or death goddess coworker -- Zoe delves deep into the monster world. But her job turns deadly when the careful balance between human and monsters starts to crumble -- with Zoe right in the middle.

The ancient gods are alive and well in the modern world in this hilarious, action-packed collection of original short stories featuring Atticus O'Sullivan, the two-thousand-year-old Irishman from Kevin Hearne's New York Times bestselling Iron Druid Chronicles. • In ancient Egypt, Atticus agrees to raid a secret chamber underneath the library of Alexandria, dodging deadly traps, only to learn that on-site security includes two members of the Egyptian pantheon. • At a Kansas carnival, fun and games turns to murder and mayhem, thanks to soul-snatching demons and flesh-craving ghouls luring visitors into an all-too-real house of horrors. • Verily, in olde England, striking up a friendship with William Shakespeare lands both Atticus and the Bard in boiling hot water with a trio of infamous witches. • During the Gold Rush, the avatar of greed himself turns the streets of San Francisco red with blood and upsets the elemental Sequoia. Atticus may have to fight fire with fire if he's going to restore balance. More, you say? Indeed there is—including bogeymen, vampire hordes, wrathful wraiths, and even a journey to the realm of the dead. Prepare to be besieged with nine tantalizing tales—not to be missed, never to be forgotten. Praise for Kevin Hearne's Iron Druid Chronicles "Clever, fast paced and a good escape."—Jason Weisberger, Boing Boing "Celtic mythology and an ancient Druid with modern attitude mix it up in the Arizona desert in this witty new fantasy series."—Kelly Meding, author of Chimera "Outrageously fun."—The Plain Dealer, on Hounded "Superb . . . plenty of quips and zap-pow-bang fighting."—Publishers Weekly (starred review), on Hounded "An exciting mix of comedy, action, and

mythology . . . [Atticus] is one of the best main characters currently present in the urban fantasy genre.”—Fantasy Book Critic, on Tricked “Funny, razor-sharp . . . plenty of action, humor, and mythology.”—Booklist (starred review), on Shattered

Flynn's girlfriend, January, is missing. All eyes are on Flynn—he must know something. After all, he was—is—her boyfriend. They were together the night before she disappeared. But Flynn has a secret of his own. As he struggles to uncover the truth about January's disappearance, he must also face the truth about himself.

Full of Briars

The fifth installment in New York Times bestselling author Seanan McGuire's award-winning Wayward Children series, *Come Tumbling Down* picks up the threads left dangling by *Every Heart a Doorway* and *Down Among the Sticks and Bones* When Jack left Eleanor West's School for Wayward Children she was carrying the body of her deliciously deranged sister—whom she had recently murdered in a fit of righteous justice—back to their home on the Moors. But death in their adopted world isn't always as permanent as it is here, and when Jack is herself carried back into the school, it becomes clear that something has happened to her. Something terrible. Something of which only the maddest of scientists could conceive. Something only her friends are

Now in hardcover, the twelfth installment of the Hugo-nominated, New York Times-bestselling Toby Daye urban fantasy series! Things are not okay. In the aftermath of Amandine's latest betrayal, October "Toby" Daye's fragile self-made family is on the verge of coming apart at the seams. Jazz can't sleep, Sylvester doesn't want to see her, and worst of all, Tybalt has withdrawn from her entirely, retreating into the Court of Cats as he tries to recover from his abduction. Toby is floundering, unable to help the people she loves most heal. She needs a distraction. She needs a quest. What she doesn't need is the abduction of her estranged human daughter, Gillian. What she doesn't need is to be accused of kidnapping her own child by her ex-boyfriend and his new wife, who seems to be harboring secrets of her own. There's no question of whether she'll take the case. The only question is whether she's emotionally prepared to survive it. Signs of Faerie's involvement are everywhere, and it's going to take all Toby's nerve and all her allies to get her through this web of old secrets, older hatreds, and new deceits. If she can't

find Gillian before time runs out, her own child will pay the price. Two questions remain: Who in Faerie remembered Gillian existed? And what do they stand to gain? No matter how this ends, Toby's life will never be the same.

A Fantasy Medley 2

A Red Rose Chain is the ninth installment in Seanan McGuire's urban fantasy October 'Toby' Daye series.

A Killing Frost

Improbable, adjective: 1. Not very likely to happen; not probable. 2. Probably not a very good idea anyway. 3. See also “bad plan.” As the youngest of the three Price children, Antimony is used to people not expecting much from her. She’s been happy playing roller derby and hanging out with her cousins, leaving the globe-trotting to her older siblings while she stays at home and tries to decide what she wants to do with her life. She always knew that one day, things would have to change. She didn’t think they’d change so fast. Annie’s expectations keep getting shattered. She didn’t expect Verity to declare war on the Covenant of St. George on live television. She didn’t expect the Covenant to take her sister’s threat seriously. And she definitely didn’t expect to be packed off to London to infiltrate the Covenant from the inside...but as the only Price in her generation without a strong resemblance to the rest of the family, she’s the perfect choice to play spy. They need to know what’s coming. Their lives may depend

on it. But Annie has some secrets of her own, like the fact that she's started setting things on fire when she touches them, and has no idea how to control it. Now she's headed halfway around the world, into the den of the enemy, where blowing her cover could get her killed. She's pretty sure things can't get much worse. Antimony Price is about to learn just how wrong it's possible for one cryptozoologist to be.

The Demon Within

Rose Marshall died in 1952 in Buckley Township, Michigan, run off the road by a man named Bobby Cross—a man who had sold his soul to live forever, and intended to use her death to pay the price of his immortality. Trouble was, he didn't ask Rose what she thought of the idea. It's been more than sixty years since that night, and she's still sixteen, and she's still running. They have names for her all over the country: the Girl in the Diner. The Phantom Prom Date. The Girl in the Green Silk Gown. Mostly she just goes by "Rose," a hitchhiking ghost girl with her thumb out and her eyes fixed on the horizon, trying to outrace a man who never sleeps, never stops, and never gives up on the idea of claiming what's his. She's the angel of the overpass, she's the darling of the truck stops, and she's going to figure out a way to win her freedom. After all, it's not like it can kill her. You can't kill what's already dead.

InCryptid urban fantasy series returns to the mishaps of the Price family, eccentric cryptozoologists who safeguard the world of magical creatures living in secret among humans. Includes an all-new Aeslin mice novella and a map of Lowryland! Penance, noun: 1. Punishment for past actions. 2. An attempt to pay for what can't be bought. 3. See also "exile."

Antimony Price is on the run. With the Covenant on her tail and her family still in danger, she needs to get far, far away from anyone who might recognize her--including her own mice. For the first time in a long time, a Price is flying without a safety net. Where do you go when you need to disappear into a crowd without worrying about attracting attention? An amusement park, of course. Some people would call Lowryland the amusement park. It's one of the largest in Florida, the keystone of the Lowry entertainment empirebut for Annie, it's a place to hide. She's just trying to keep her head down long enough to come up with a plan that will get her home without getting anyone killed. No small order when she's rooming with gorgons and sylphs, trying to placate frustrated ghosts, and rushing to get to work on time. Then the accidents begin. The discovery of a dead man brings Annie to the attention of the secret cabal of magic users running Lowryland from behind the scenes. They want the fire that sleeps in her fingers. They want her on their side. They want to help her--although their help, like everything else, comes with a price. No plan. Minimal backup. No way out. Annie's about to get a crash course in the reality behind the pretty facade. If she's lucky, she'll survive the experience.
