Christ's Call to Discipleship

This complete leader's guide makes it easy to use Dr. Haugk's practical book to build community and train church members in distinctively Christian caring and relating skills.

Workers in Training Manual

Boice describes what it means to live a life of true discipleship-recognizing Christ's dominion not only as Savior but also as Lord. Popular radio speaker, author, and pastor James Montgomery Boice describes what it means to live a life of true discipleship-recognizing Christ's dominion not only as Savior but also as Lord. Dr. Boice explores the meaning, path, cost, and rewards of being a true disciple. As the author asserts in the preface, "I believe that if America could produce a generation of Christians who genuinely affirm and live by these teachings

Christian Caregiving, a Way of Life

This is the first of four training manuals used by "In Christ's Image Training" (ICIT) online courses. The vision of ICIT is to train and release hundreds of thousands of Christlike pastors, leaders and intercessors to stand before God on behalf of the world around them. We were created for one purpose: to become Christlike. Once we truly begin to manifest the maturity,

power and attitudes of Jesus Christ, all things come into perspective and all relationships begin to expand toward heavenly proportions. Christ did not die on the cross simply to "save" us in a theological sense; He saves and forgives us that He might transform us. It is our hope that the truths presented in this manual will ignite a passion for Christians around the world to pursue the character and love of Christ. If we truly reveal Jesus, we will awaken the pleasure of God, and when the Father's pleasure is stirred, His redemptive power soon follows.

Church Leaders Teaching and Training Manual

Minister's Service Manual

Deacon Manual for Caring Ministries

With more than 300,000 copies in print, *When Helping Hurts* is a paradigm-forming contemporary classic on the subject of poverty alleviation. Poverty is much more than simply a lack of material resources, and it takes much more than donations and handouts to solve it. *When Helping Hurts* shows how some alleviation efforts, failing to consider the complexities of poverty, have actually (and unintentionally) done more harm than good. But it looks ahead. It encourages us to see the dignity in everyone, to empower the materially poor, and to know that we are all uniquely needy—and that God in the gospel is reconciling all things to himself. Focusing on both North American and Majority World contexts, *When Helping Hurts* provides proven strategies for effective poverty alleviation, catalyzing the idea that sustainable change comes not from the outside in, but from the inside out.

The Disciple Making Minister

David Servant has been ministering to Christian leaders in conferences around the world for over three decades. From his experience of speaking to tens of thousands of pastors in over forty countries, he has compiled biblical teaching in this book that addresses the most important issues that Christian leaders are facing today. Servant covers topics such as church growth, spiritual warfare, divorce and remarriage, biblical interpretation, house churches, women in ministry, church government, spiritual gifts, evangelism and many more. He often questions the prevailing opinion, always considering what

Scripture says. His conclusions may sometimes surprise you. Servant's foundational condition is that every Christian leader should be making disciples who obey all of Christ's commandments. Translated into many languages, The Disciple-Making Minister is helping Christian leader around the world be more effective in fulfilling the Great Commission.

The Jesus Training Manual

* Manual only (transcripts not included) * Full version available from here: <http://createspace.com/4101124> Mike's complete notes on Deliverance & Healing. Contents include: 1. Apostolic anointing and ministry 2. How demons enter and oppress people 3. Curses and how to deal with them 4. Breaking bondages 5. Casting out spirits 6. Healing the wounded heart 7. Ungodly beliefs 8. Ministering to people 9. House cleansing Appendix: Discerning of spirits Audio Transcripts: (not included - see above) Apostolic Anointing and Ministry (1 of 5) The apostolic anointing is a commissioning, sending, empowerment to impact lives for the kingdom of God. Jesus first sent 12, then 70, and finally all believers. We're all sent by God, we all have a sphere of influence, and God wants us to be used in this ministry - not only of sharing the gospel, but of healing the sick, and delivering people from evil spirits. Evil Spirits and how they Operate (2 of 5) Examples of Jesus' ministry of deliverance, how He worked, how He operated, and then some of Jesus' teaching as to what evil spirits are and how they operate. How spirits get into people's lives and the ways they operate, leading into a closer examination of the scriptures around deliverance, and what they reveal about demons, and the spirit world. Some basics of the deliverance ministry, leading into a practice exercise (activation). Gateways for Demonic Spirits (3 of 5) Demons need a 'legal doorway' to enter a person's life. In this session, a check-list of 9 common doorways are explained; and what kinds of things would happen inside a person, as a result of demonic bondage. Curses and How to Deal with Them (4 of 5) For people who have a spiritual world view, blessing and cursing are a great reality. Blessing means there's a flow of spiritual power that brings favour around my life; cursing means there is a flow of spiritual power that obstructs and frustrates and sets me back continually. This session will help you identify when a curse is operating, and how to go about addressing it. This includes a range of heart issues that give legal rights to demons. Jesus came to set us free! Casting out of Spirits (5 of 5) Simple dynamics of how to lead someone through deliverance, including dealing with some issues of the heart where demons are attached. Beautiful examples of healing encounters. Speaking the Truth in Love

“When are you going to become a real pastor?” “When are you going to get your own church?” “How long will you be here?” During his thirty-one years serving in churches across the country, Doug Fagerstrom has both known the joys of being a ministry staff member and experienced many misconceptions of the role. In *The Ministry Staff Member*, he draws on his vast experience to correct false notions and provide a clear, accurate understanding. This comprehensive and practical handbook provides staff members—paid and volunteer, church and parachurch—with invaluable tools for success and helps those around them to better understand and appreciate the importance of what they do. Dozens of sidebar articles and suggested resource lists provide a useful toolbox you’ll want to turn to again and again.

When Helping Hurts

Commitment to the Almighty God is the highest priority for the Christian and it cannot be taken lightly because of its eternal implications. There should be assurance of salvation that is Bible based, which lasts forever. There is a need for an extra spiritual effort on the souls saved to get them established, localised in a church fellowship and mobilised until they too become soul winners. It is not enough for the believer in Christ to go forth and bear fruits in obedience to the Lord's command but must also ensure that the fruits abide. This is why the *Workers-in-Training* programme is packaged to equip believers for service unto God and the edification of the body of Christ. Our prayer is that at the end of these teachings, you would have become a true Christian, on fire for God and ready to take up mountains. God bless you as you get empowered for the work of ministry, in Jesus name. Amen

In addition, it gives you a perspective of the proper order of the establishment of kingdom principles. Dr. Yvonne B. Bentley has used her name and the name International Kingdom Connection, Inc. to assist in the healing of nations by consulting families, friends, and churches to gather together to help each other one neighbor, one family member at a time. This book is dedicated to establish good godly integrity in people who will establish schools, churches, and other programs to cultivate healthy neighborhoods. The Pastor's Manual

The ministers and church-workers should be trained well so that they can perform well, and do God's Assignments for them faithfully and satisfactorily. Many are in the ministry today without adequate training, and they have either messed things up or performed, by far, below God's Expectation from them. A minister is not supposed to be a novice, and he is to hold the mystery of the faith with a pure conscience. The Word says, "If you instruct the brethren in these things, you will be a good minister of Jesus Christ, nourished in the Words of Faith and of the Good Doctrine which you have carefully followed" (1 Tim. 4:6).

God's purpose in creating man has never changed, He has something for us to accomplish, to bring our lives and community into harmony with heaven. Growing Love in Christian Marriage Third Edition - Pastor's Manual

More than 300,000 copies sold! “This book will be like having the breath of God at your back. Let it lift you to new hope.” —Dan B. Allender, PhD, author of *Bold Love* This new edition includes an expanded chapter on using the practical “prayer cards”—a hallmark of the teaching found in *A Praying Life*—and a chapter on the need and use of prayers of lament. Prayer is so hard that unless circumstances demand it—an illness, or saying grace at a meal—most of us simply do not pray. We prize accomplishments and productivity over time in prayer. Even Christians experience this prayerlessness—a kind of practical unbelief that leaves us marked by fear, anxiety, joylessness, and spiritual lethargy. Prayer is all about relationship. Based on the popular seminar by the same name, *A Praying Life* has disciplined thousands of Christians to a vibrant prayer life full of joy and power. When Jesus describes the intimacy He seeks with us, He talks about joining us for dinner (Revelation 3:20). *A Praying Life* feels like having dinner with good friends. It is the way we experience and connect to God. In *A Praying Life*, author Paul Miller lays out a pattern for living in relationship with God and includes helpful habits and approaches to prayer that enable us to return to a childlike faith.

Ministry Team Training Manual

Most seminary graduates will begin their ministries with plenty of important head knowledge to share--but with a deficit of some of the most practical aspects of doing ministry, such as - which ministry role most suits them - how to start out strong at a new church - persevering during difficult seasons of ministry - leading meetings and delegating tasks - safeguarding their family - fighting discouragement, pastor envy, and a lack of contentment - navigating special ministry needs, such as hospitals, weddings, and funerals - and much more Through his hard-won wisdom, Jason Helopoulos comes alongside new pastors as a trusted friend and mentor, ready to guide them through their first years of ministry with intelligence and compassion.

Real-Life Discipleship Training Manual

In Ephesians 4:7-11, Jesus gave five specific spiritual gifts for the equipping and building up of the church to display his fullness in the world, yet only two are primarily used today- pastors and teachers. It's fair to say that this is an insufficient

representation of Christ. What would the potential be of the missing sixty percent- apostles, prophets and evangelists- being activated as well? Could it be that every believer has latent potential in these five areas? Following Jesus' model of learning by doing- not passive information transfer- this practical training manual in the five fold ministry of Christ will be energizing. It will infuse new life into your Christianity as the pulse of Christ pumps through your spiritual veins. These practical exercises will stimulate atrophying muscles to spiritual growth. More importantly, it will glorify Jesus as his whole body is activated. In this fivefold training manual, you will find twenty-five practical exercises in five areas, such as: - How to start a new ministry and multiply it - (apostle) - How to form an encouraging, strengthening or comforting word - (prophet) - How to start spiritual conversations (hint: It's not what you think) - (evangelist) - How to create an atmosphere of community and care - (shepherd) - How to read and dissect the Bible yourself and teach others - (teacher) These exercises are designed to be simple, reproducible, and cross-cultural for any Christian who wants to go deeper. They can be used to equip individuals, youth groups, adult small groups, missions teams, whole churches or in ministry schools. Discover for yourself the powerful fivefold ministry prototype Jesus designed for the church, and be amazed as he reveals to you your part.
