### Business and Company Law

In korte tijd is de computer een onmisbaar hulpmiddel voor juristen geworden. Juristen maken veel gebruik van ICT. Via netwerken hebben ze toegang tot wetgeving, wetsgeschiedenis, jurisprudentie, richtlijnen, handboeken en literatuur. De informatie is steeds vaker digitaal beschikbaar en het verwerken van die informatie en het toepassen van juridische kennis gebeuren meestal ook met behulp van de computer. Kortom, bedrijfsjuristen, advocaten, officieren van justitie, juridisch ambtenaren en rechters krijgen in toenemende mate digitale ondersteuning bij hun werk. In dit boek wordt het gebruik van ICT door juristen behandeld. Het gaat daarbij om verwerking van juridische informatie, de toepassing van juridische kennis, nieuwe vormen van juridische dienstverlening en de rechtsvragen die hiermee samenhangen.

### Language and Culture in EU Law

Students can become familiar with legal syntax and legal vocabulary in this introduction to basic legal information and the U.S. legal system.

### A Dictionary of American and English Law

\*DICTIONARY OF BUSINESS AND COMPANY LAW - learn English vocabulary for

international lawyers and business professionals \*Over 150 LEGAL ENGLISH terms and phrases explained in plain English \*WRITTEN by a UK qualified lawyer and legal English trainer This legal English dictionary is designed to improve and test lawyers business professionals legal English as practised around the world. Readers learn the basic principles, terms and concepts that underpin law, then discover how those ideas can be applied in practice. Learn English legal vocabulary while studying the same topics taught by English legal courses. Especially useful for lawyers and business professionals whose first language is not English.

### **Dutch Legal Terminology in English**

Written by distinguished legal and linguistic scholars and practitioners from the EU institutions, the contributions in this volume provide multidisciplinary perspectives on the vital role of language and culture as key forces shaping the dynamics of EU law. The broad spectrum of topics sheds light on major Europeanization processes at work: the gradual creation of a neutralized EU legal language with uniform concepts, for example, in the DCFR and CESL, and the emergence of a European legal culture. The main focus is on EU multilingual lawmaking, with special emphasis on problems of legal translation and term formation in the multilingual and multicultural European context, including comparative law aspects and an analysis of the advantages and disadvantages of translating from a lingua franca. Of equal importance are issues relating to the multilingual interpretation of EU legislation and case law by the national courts and interpretative techniques of the CJEU, as well as the viability of the autonomy of EU legal concepts and the need for the professionalization of court interpreters Union-wide in response to Directive 2010/64/EU. Offering a good mix of theory and practice, this book is intended for scholars, practitioners and students with a special interest in the legal-linguistic aspects of EU law and their impact on old and new Member States and candidate countries as well.

### **The Legal English Manual**

LIKE CARRYING AROUND YOUR OWN BUSINESS LAWYER, BUT WITHOUT ALL THE TALKING AND BILLS. Birth to Buyout gives you a straightforward, easy-to-grasp understanding of the business law questions and answers you need to run your business and prosper. Organized to guide you through all stages of your business - from Birth to Buyout - you learn: SET UP A COMPANY \* The difference between Corporations, S-Corporations and Limited Liability Companies \* How to pick the right entity for you \* Where you should set up your company \* How to pick a company name \* What to take to the bank when you set up your company bank account \* What to put in your business plan YOU AND YOUR PARTNERS \* The big conversation you and your partners need to have at the beginning of your venture \* Picking officers, officer titles and salaries \* How to make sure you can get out when you want \* How to kick out another owner \* Setting up your Board of Directors \* Dangers of serving on the Board \* How to be a great Board member GETTING FUNDED \* The difference between debt and equity \* What investors expect from you \* The parts of an investment deal \* How to divide control between founders and investors \* Securities laws \* Sources of debt financing \* Parts of a loan \* Building business credit INTERNET CONTRACTS \* What

you need to put in your website privacy policy and Terms of Use \* Avoiding liability from user generated content \* Kids information under COPPA OFFICE LEASE \* Negotiating the rent \* Difference among net leases, double net and triple net leases EMPLOYEES & INDEPENDENT CONTRACTORS \* What goes in an employment contract \* Noncompetes \* Union contracts and collective bargaining \* Nondiscrimination laws \* Screening candidates, including immigration forms \* How to follow rules about minimum wage and overtime and payroll INTELLECTUAL PROPERTY \* Trademark \* Copyright \* Patent \* How to get the rights through licensing or buying the IP MANUFACTURING \* How to plan your whole manufacturing and fulfillment process \* How to get a prototype made \* How to discover the regulations you have to know about and follow \* How to hire a manufacturer SALES AND MARKETING \* How to get your product sold \* Distribution channel options \* Advertising and promotions \* How to comply with advertising laws \* What goes into your contract with distributors or sales agents \* CanSpam and telemarketing rules GETTING PROTECTION AGAINST LIABILITY \* Contracts \* Insurance and Bonds \* Vigilant Due Diligence GETTING RICH \* Valuing a business \* Valuing stock \* Process of selling your company \* Term Sheets \* Representations and Warranties \* Closing \* Post closing \* Tips to make for a peaceful sale AND, THERE'S A STORY - MEET HAP, HAZARD AND A LAWYER NAMED GRAVITY. Birth to Buyout is not just a business law almanac. Birth to Buyout spins forward on the story of two cubicle workers who make a run for entrepreneurship just as big corporate culture is closing in, all with the help of their corporate lawyer (if you just want the law, you can skip the story pages). Birth to Buyout was written to be an easy-to-follow guide to business law. That's why: \* All explanations are in plain English \* Charts and diagrams are used to make the law clear \* The book celebrates American entrepreneurship and how it can truly set you free

### **English Legal Terminology**

This second edition of the fourth book in the Lingua Juris series provides lawyers at all levels with an up-to-date, accessible introduction to English law. The first part deals with the legal system, from the historical development of the common law to the modern court structure. In the second part, key areas of English law, selected for their relevance to practitioners and students alike, are introduced.

### **Essential Legal English in Context**

Employing a hands-on, structured approach, the author leads the reader through carefully crafted exercises that allow readers to understand and make practical use of AngloAmerican legal terminology. The layered sequence of topics and exercises leads from the simplest use of legal terminology in conversation to mastery of advanced legal terminology and increasingly complex writing.

### **A Practical Guide to English for Law**

International Legal English Teacher's Book is an essential companion for any teacher wishing to use International Legal English in the classroom. The book offers invaluable background information about the law topics discussed, giving teachers the confidence to explore these topics with their students. The Teacher's

Book guides the teacher through the exercises in the book and suggests optional consolidation activities along the way. It includes 45 extra photocopiable activities and adds a whole new communicative dimension to the course, with lots of ideas for discussion and role-plays.

### **A Dictionary of Modern Legal Usage**

The English Legal System combines comprehensive and thorough coverage of the main topics covered on English legal system courses with a lively and engaging style to capture students' attention and provide them with a firm foundation for their study of law. This book enables students to first understand all of the key areas of the English legal system, and then to engage with the subject fully for themselves. The law is not just presented but critiqued, with a range of learning features which encourage students to actively engage with contentious issues and difficult questions. Everyday examples help students to apply their knowledge of the law in a practical way, while questions for reflection help students to analyse, evaluate, and think critically. Aided by a clear structure, arranged in five parts, students will be able to fully grasp the processes involving in making and reforming the law. Online resources The English Legal System is accompanied by a wide range of online resources, to help students to take their learning further: For Students Introductory podcasts - an invaluable guide through the book and its features Web links - provide opportunities to take learning further Activities - help students to put their knowledge into practice Glossary - outlining the key terms related to the English legal system Podcasts - accompany the questions for reflection in the textbook For Lecturers Test bank - a customizable electronic testing resource

### **The Language of the Law**

The Dictionary of Law with focus on business law and labor law with over 25,000 words covers the basic legal terminology. The English - Hebrew / Hebrew - English vocabulary provides assistance in translation and understanding of legal texts in English and Hebrew context. A simple defining style and a clear color layout ensure the dictionary is accessible and easy to use. This is a useful reference tool for all college and university students who need practical advice and tips to tackle their studies.

### **Introduction to UK Law: English to Hindi Law Dictionary and Exercise Book**

This is an excerpt of the full version (available as eBook and hardcopy). The publisher of the successful practical handbook *The Legal English Manual* (ISBN 978-3-9524737-4-0, [www.legalenglishexperts.com](http://www.legalenglishexperts.com)) is back with two new course books, which Lawbility has developed and applied in their Professional Legal English & Practical Skills Training since 2010: *The Legal English Course Book Volume One/ Volume Two*. The practical self-study material and the interactive lessons teach professional business language skills and legal terminology for its application in real-life situations. Besides that, you will be efficiently and professionally preparing yourself for the "PLEPS" Legal English Exam. Volume One contains professional language training including relevant grammar, along with practice examples, as well as an exam preparation for crash courses. Volume Two is an intensified continuation of Volume One. The team of authors is made up of Lawbility Legal English Coaches and internationally practicing lawyers, who functioned as linguists, legal experts and practitioners and have given the body of work its three emphases, namely a language focus (with examples of professional language), a legal focus (with a reference section for legal terminology) and a practical focus (application examples for professional situations). Target group Lawyers and legal practitioners who use legal English in their daily professional life, lawyers, legal employees and students in (further) education, legal specialist translators, lecturers and legal English teachers at universities and colleges.

Content Volume One (10 Modules): \*Professional Language in Negotiations, Presentations & Meetings \*Practice Examples for Correspondence & Editing: Contracts, Letters, E-Mails, Reports, Minutes \*"PLEPS" Exam Preparation Advantages at a Glance: \*Course material from tried and tested legal English course concept \*Teaches oral and written professional languages competences \*Suitable for self-study and group lessons through different forms of training including solutions \*Suitable for use in legal English courses at universities, in law firms and legal departments \*Teacher's Handbook with useful methodical tips and Train The Trainer offers for lecturers available upon request (contact@lawbility.ch)  
Date of release Volume Two: Summer 2018

### **Practical Legal Writing for Legal Assistants**

### **International Legal English Teacher's Book**

A comprehensive guide to legal style and usage, with practical advice on how to write clear, jargon-free legal prose. Includes style tips as well as definitions.

### **A New Law Dictionary and Glossary: containing full definitions of the principal terms of the common and civil law, together with translations and explanations of the various technical phrases in different languages embracing also all the principal common and civil law maxims. Compiled on the basis of Spelman's glossary, and adapted to the jurisprudence of the United States, etc**

This practical handbook provides a comprehensive overview of professional legal language and practical skills. Prepared by native English-speaking lawyers, the book includes professional legal English terminology, practice-oriented examples and sample documents for use in your daily practice. Structured to provide a legal focus, a language focus as well as a practical focus, it helps you apply your professional legal expertise competently in various English-language situations.

### **The Legal English Course Book Volume One**

English is the dominant language of international business relations, and a good working knowledge of the language is essential for today's legal or business professional. This book provides a highly practical approach to the use of English in commercial legal contexts, and covers crucial law terminology and legal concepts. Written with the needs of both students and practitioners in mind, this book is particularly suitable for readers whose first language is not English but need to use English on a regular basis in legal contexts. The book covers both written and verbal legal communication in typical legal situations in a straightforward manner. In addition to chapters on the grammar and punctuation utilised in legal writing, the book features sections on contract-drafting and the language used in negotiations, meetings and telephone conversations. It features a companion website which contains exercises covering the majority of the topics covered in the

book's chapters. This edition thoroughly revises and expands the content of the companion website and contains updated examples, more detailed explanations of problematic areas and an expanded section on writing law essays.

### **A Dictionary of English Law**

Focusing on the problems of translating English legal language, Alcaraz and Hughes offer a wide-ranging view of one of the most demanding and vital areas of contemporary translation practice. Individual chapters deal with legal English as a linguistic system, special concepts in the translation of legal English, the genres of legal translation, and offer a series of practical problems together with discussions of proposed solutions, as well as insight into the pragmatic ways translators go about finding solutions. The numerous examples and discussions of specific terms make the book useful both as a manual in the translation class and as an invaluable reference work for students, teachers, self-learners and professional translators.

### **The English Legal System**

This book tells what the language of the law is, how it got that way and how it works out in the practice. The emphasis is more historical than philosophical, more practical than pedantic.

### **American Legal English, 2nd Edition**

This text is designed to cover all aspects of paralegal writing. It is intended not only as a text for paralegal instruction, but as a desk reference tool for practicing paralegals. It includes many practice examples and exercises in both the text and

in the appendices. ALSO AVAILABLE INSTRUCTOR SUPPLEMENTS CALL CUSTOMER SUPPORT TO ORDER Instructor's Manual - (with Test Bank and Transparency Masters) ISBN: 0-314-06116-9

### **Practical Legal English**

English has become the international language of trade and commerce. It is not surprising, therefore, that English has also become the international language of the legal transaction. The aim of the book is to offer students, and all those involved with the practice of the law, practical assistance in using English legal terminology.

### **Legal Terminology and Phrases**

English is the dominant language of international business relations, and a good working knowledge of the language is essential for today's legal or business professional. Legal English provides a highly practical approach to the use of English in commercial legal contexts, and covers crucial law terminology and legal concepts. Written with the needs of both students and practitioners in mind, this book is particularly suitable for readers whose first language is not English but need to use English on a regular basis in legal contexts. The book covers both written and oral legal communication in typical legal situations in a straightforward manner. As well as including chapters on grammar and punctuation for legal writing, the book features sections on contract-drafting, language for negotiation, meetings and telephone conversations. This edition contains additional troubleshooting tips for legal writing, guidance on good style, and new sections on writing law essays and applying for legal positions.

### **Civil Law Vocabulary in Use**

For more than a century, Black's Law Dictionary has been the gold standard for the language of law. This edition contains more than 50,000 terms, including more than 7,500 terms new to this edition. It also features expanded bibliographic coverage, definitions of more than 1,000 law-related abbreviations and acronyms, and reviewed and edited Latin maxims.

### **The Legal English Course Book Volume One - Free Version**

An essential handbook for international lawyers and students Focusing on vocabulary, Essential Legal English in Context introduces the US legal system and its terminology. Designed especially for foreign-trained lawyers and students whose first language is not English, the book is a must-read for those who want to expand their US legal vocabulary and basic understanding of US government. Ross uses a unique approach by selecting legal terms that arise solely within the context of the levels and branches of US government, including terminology related to current political issues such as partisanship. Inspired by her students' questions over her years of teaching, she includes a vast collection of legal vocabulary, concepts, idioms, and phrasal verbs and unpacks concepts embedded in US case law, such as how the US constitutional separation of powers may affect

a court's interpretation of the law. The handbook differentiates basic terms in civil and criminal cases and compares terms that may seem similar because of close spellings but in fact have different meanings. For instance, what is the distinction between "taking the stand" and "taking a stand?" What is the difference between "treaties" and "treatises"? Featuring illustrations and hands-on exercises, *Essential Legal English in Context* is a valuable self-study resource for those who want to improve their legal English terminology before entering a US law school, studying US law or government, or working as a seconded attorney to a US law firm. Instructors can use the handbook in an introductory US legal English course.

### **English Law and Terminology**

Ever since its first publication, Tony Foster's *Dutch Legal Terminology in English* has proven an invaluable desk reference tool for students of law, legal academics and practitioners alike. This third revised and expanded edition is true to its original intent - to provide legally reliable translations of the most frequently used Dutch legal terms in their appropriate context. Associations with Common Law systems are avoided in the translations, but only where use of American or English terms would give rise to legal misunderstanding. This edition explains and translates over 2500 terms, with new chapters on Intellectual Property, Competition Law and Construction Law, as well as explanatory notes.

### **Short manual of the English law on the subject; with some practical suggestions, and an appendix of statutes**

This book, about international contracting and contract management, is written from the angle of the contractor and discussed from an international perspective. It comments on real-life cases, taken from various kinds of projects: infrastructural works (roads, bridges, tunnels, rail roads), wind- and sunfarms, oil and gas installations, such as platforms, pipe lines, power generating works, and large buildings. The book is structured around the contracting cycle. Chapters include dealing with the role of the contractor in international contracting, the tender process, landing and negotiating the contract, types of contract, problems that may occur during project execution, project delivery, and handling guarantee claims. Written primarily for business practitioners operating in the international contracting industry, the title assumes that the reader will have a basic understanding and knowledge of theories related to project management, construction engineering, business law and economics. Though not an academic book, due to its unique blend of practitioners' insight and academic theory, it can be taught in courses at institutes at the master level. As most engineers are going to deal with contracts, this book is specifically recommended for engineering programs both at the graduate and postgraduate level. Lawyers will find the book useful to understand the business context in which their customers and/or colleagues work.

### **Legal Translation Explained**

This new dictionary provides a ready reference to essential terms and phrases used in all areas of law and business, including accounting, banking, civil law, civil

procedure, contracts, corporate law, criminal law, criminal procedure, economics, intellectual property, labor law, real property, secured transactions, securities law, and torts. Written by an American attorney who is also an accredited translator, it provides complete coverage of terminology used in all Spanish-speaking countries, not just those countries where the other bilingual dictionaries on the market were written (i.e., Spain and Argentina). Accordingly, it is the only source for translations of terms that are unique to countries such as Colombia, Peru and Venezuela. The dictionary was thoroughly researched using original documents and monolingual dictionaries from the Spanish-speaking various countries and is thus authoritative and up-to-date. No lawyer or translator who works with Spanish legal and business documents can afford to be without it.

### **A Practical Dictionary of the English and German Languages**

### **The Scottish Law Review and Reports of Cases in the Sheriff Courts of Scotland**

### **Self-Study Law Dictionary and Exercise Book**

### **Practical Legal English**

### **Introduction to Legal English**

Improve your UK law vocabulary with this unique English to Hindi UK law dictionary and exercise book. Written by an English qualified lawyer and legal English teacher, this law dictionary helps to improve and practise legal English vocabulary, grammar and everyday use. This dictionary and exercise book is perfect for self-study and includes all major areas of law and concentrates on everyday use of legal English. The book provides help with phrasal verbs, collocations and practical use of legal terminology. Written in plain English to assist understanding, the dictionary and exercise book covers legal systems, court procedures, commercial contracts, company law, tort and litigation.

### **Legal English**

### **Spanish-English Dictionary of Law and Business**

Provides a guide to legal English for students or practitioners coming to this for the first time, or whose first language is not English. This book provides practical assistance for students in using English legal terminology. It covers legal terminology relating to the areas of legal system, civil procedure, tort, and contract and company law.

## **Dictionary of law English - Hebrew / Hebrew - English**

Check Your English Vocabulary for Law is a workbook designed to help non-native English speakers improve their knowledge and understanding of core legal terminology. The workbook includes crosswords, puzzles and word games to test English vocabulary and a combination of self-study exercises and practical speaking activities mean that this book is ideal for both home- and classbased study.

## **International Contracting**

Legal English is a professional language. This means that a good command of ordinary English does not automatically make a student proficient in legal English. Many foreign law students on English language programmes experience problems when suddenly all their lectures, textbooks, discussions and written work have to be in English. A lack of familiarity with legal English can seriously impede their progress. And a command of legal English is not just a desirable academic skill. It has become an absolute 'must' for today's legal professionals working in internationally orientated law firms. This book offers: vocabularies providing sets of legal terminology associated with the legal system, civil procedure, EU law, tort, contract law and company law; text putting the terms in the vocabularies into their legal context; case discussion questions in order to practice using the terminology; knowledge questions to ensure that the reader has understood the legal concepts. This book is designed for law students who have followed their law studies in a language other than English. Textbooks on English law are too detailed for those who want to understand English legal terminology rather than English law itself. Legal dictionaries are useful but, as the words are ordered alphabetically, terms are treated in isolation.

## **ICT in de rechtspraak**

Self-study law dictionary with hundreds of exercises to help international lawyers, law students, business professionals and anyone else who wishes to improve their use of legal terminology. Written in plain English to assist understanding, The dictionary and exercise book covers legal systems, court procedures, commercial contracts, company law, tort and litigation.
