Intimacy with God

General editor Lloyd J. Ogilvie brings together a team of skilled and exceptional communicators to blend sound scholarship with life-related illustrations. The design for the Preacher's Commentary gives the reader an overall outline of each book of the Bible. Following the introduction, which reveals the author's approach and salient background on the book, each chapter of the commentary provides the Scripture to be expounded. The New King James Bible has been chosen for the Preacher's Commentary because it combines with integrity the beauty of language, underlying Hebrew and Greek textual basis, and thought-flow of the 1611 King James Version, while replacing obsolete verb forms and other archaisms with their everyday contemporary counterparts for greater readability. Reverence for God is preserved in the capitalization of all pronouns referring to the Father, Son, or Holy Spirit. Readers who are more comfortable with another translation can readily find the parallel passage by means of the chapter and verse reference at the end of each passage being expounded. The paragraphs of exposition combine fresh insights to the Scripture, application, rich illustrative material, and innovative ways of utilizing the vibrant truth for his or her own life and for the challenge of communicating it with vigor and vitality.

Oral Hygiene

Sources of the African Past combines a case-study approach with an emphasis on primary and orally transmitted sources to accomplish three objectives; to tell a story in some depth, to portray major themes and to raise basic questions of analysis and interpretation. The case studies are set in the nineteenth century and deal with critical periods in the fortunes of five societies in different parts of the continent (South, East, and West Africa). The authors wish students to work with the "raw" materials of history and to that end have provided a workbook for a "laboratory" experience. Sources of the African Past is designed for use in a wide variety of courses and in conjunction with other texts. The authors have kept their own interpretations to a minimum and invited scrutiny of their decision of selection and arrangement. They chose the cases on the basis of several criteria: geographical coverage, abundance and diversity of primary sources, importance in the secondary literature, and relevance to important historical problems. All the studies emphasize political change. All witness some growth in European intervention. In selecting the documents, the authors sought a balance of perspective without

sacrificing accuracy and relevance. This means a conscious effort to present a variety of views: African and European, internal and external, participant and observer, those of the victims as well as those of the victors, those of the "people" as well as those of the elite. Within the limitations of space, they have made the excerpts sufficiently long to allow the reader to examine the author's style, purpose and other characteristics. Keeping in mind the limitations of libraries, they have attempted to make each chapter self-contained.

God Rest Ye Merry, Soldiers

Proceedings of the Mass Temperance Convention for the State of Massachusetts, Held at Tremont Temple, in Boston March 8, 1863

The prophetic word went forth at the beginning of 2008 at our church, and also is being declared across the nation concerning the promise for a new beginning for the Body of Christ. Included is a command to get into position, a command to get our personal lives lined up with the Word of God so we may be partakers of the promises of God, but more importantly to draw near to God. Are you a Christian but still feel unfulfilled? Are you hungry for a close relationship with the Lord? Do you know how to draw closer to the Lord? Is the present "shaking" in the church unsettling you? This book declares the path and reveals the disciplines that need to be established in our lives for the purpose of relationship with the Lord, and becoming a soldier for God in the times that we live in. Jeff Hirscher is an ordained minister with Christ For the World Ministries. He has been a member of Christ for the World Church in Fort Smith, Arkansas for the last 13 years. He serves under Apostle and Pastors Bobby and Teresa Hogan. Jeff Hirscher is currently an elder of the church, and has served with his wife Carolyn as marriage counselors, and had previously been involved in Bus Ministry, as well as participated in various missionary trips to Mexico. Currently he has been focused on the task, that the Lord impressed upon him, of reaching out to teach on being strong in the Lord, and preparing, and being ready for the Lord's imminent return.

The One Year Devos for Teens 2

The early Salvation Army professed its commitment to sexual equality in ministry and leadership. In fact, its founding constitution proclaimed women had the right to preach and hold any office in the organization. But did they? *Women in God's Army* is the first study of its kind devoted to the critical analysis of this central claim. It traces the extent to which this egalitarian ideal was realized in the private and public lives of first- and second-generation female Salvationists in Britain and argues that the Salvation Army was found wanting in its overall commitment to women's equality with men. Bold pronouncements were not matched by actual practice in the home or in public ministry. Andrew Mark Eason traces the nature of these discrepancies, as well as the Victorian and evangelical factors that lay behind them. He demonstrates how Salvationists often assigned roles and responsibilities on the basis of gender rather than equality, and the ways in which these discriminatory practices were supported by a male-defined theology and authority. He views this story from a number of angles, including historical, gender and feminist theology, ensuring it will be of interest to a wide spectrum of readers. Salvationists themselves will appreciate the light it sheds on recent debates. Ultimately, however, anyone who wants to learn more about the human struggle for equality will find this book enlightening.

Prepared for His Glory

The Church in the Army

The Angelic Army

In the tradition of the bestselling *Silent Night: The Story of the World War I Christmas Truce*, the true story of a Civil War Christmas miracle. In the waning days of 1862, Union and Confederate troops set up camp within earshot of one another in Murfreesboro, Tennessee. Christmas had just passed, and for many of these battle-wearied young soldiers the holiday season was a melancholy reminder of the families and loved ones they'd left behind. Bands from both camps played patriotic songs in an attempt to raise spirits, a musical duel that presaged the bloody battle to come. Then, something extraordinary occurred. One of the bands began playing a popular sentimental tune called "Home Sweet Home." Soon, bands from both sides picked up the tune, and before long thousands of Northern and Southern soldiers had joined together in song. *God Rest Ye Merry, Soldiers: A True Civil War Christmas Story* tells the tale of this yuletide interlude, which came at a time when the early optimism of the Civil War had given way to the bitter realities of seemingly endless bloodshed. Told through soldiers' letters and period songs, *God Rest Ye Merry, Soldiers* is the hopeful and touching story of human compassion in the midst of unspeakable violence.

Struck by Cupid Or Led by God?

For years, we have learned principles of individual spiritual warfare. Yet as the end times are upon us, the forces of darkness are intensifying their attacks around the world. For this next season, says renowned prophetic leader Dr. Bill

Hamon, we as the church must up the ante and learn to fight on a higher level than we ever have, in corporate spiritual warfare. With wisdom, urgency, and keen prophetic insight, Hamon lays the biblical foundation for this final level of warfare and shows how we, as the church, can prepare to work in unity to become the army of the Lord. He lays out the weapons available to us in this new battle front and reveals a plan for destroying the works of the devil and advancing God's kingdom on earth. Now is the time to rise up, fight back together, and secure the ultimate victory in Christ.
