How to Start a Home Based Travel Agency

The City of New Orleans requires all tour guides giving for-profit tours to pass a test on the history, culture and tour regulations in order to obtain a license. The test is administered by the city on a regular basis. The license comes in the form of a plastic photo ID tag to be worn at all times when giving tours. The tag is valid for a period of two years. Many people want this information so they can give intelligent tours to family and friends. Here is your resource. You don't need a license to tell friends or family about this awesome city. This book, *STUDY GUIDE FOR THE PROFESSIONAL TOUR GUIDE TEST NEW ORLEANS* is a text designed to prepare persons to take the city test or give tours to friends. It was written by Dr. William C. Norris who taught the Professional Tourguiding Class for years at Delgado Community College. He is the author of *DOWN IN NEW ORLEANS: True Stories of a Fabled City*. The study guide includes the recent city regulations, recommended readings, important dates and important people pertaining to the city's history and culture. Basic etiquette, safety and group management are explained. Dr. Norris' classic French Quarter walking tour is included as a self-guided tour as a learning tool and to provide a personal experience in touring the city. The French Quarter is a world travel destination and its stories are the core of most any type of tour city-wide. This book introduces exciting people from the past: explorers, founders, self-seeking rogues, pirates, slaves, spies, battle seasoned military officers, pirates, politicians, and voodoo practitioners, plus philanthropists, missionaries and good people trying to do the right thing. People like Madame Pontalba who survived a point blank murder attempt on her life before leaving New Orleans with a legacy in brick and mortar. Dr. Norris' included recommended readings are a gateway for expanding into a knowledge of characters and culture that made the city legendary. Two institutions provide classroom training. They are the Friends of the Cabildo, a nonprofit organization that supports the State of Louisiana's Cabildo Museum, and Delgado Community College. Both administer tests that are approved by the city for licensing. This city's past, people, culture, chefs and cuisine are legendary. Savor them here.

As tourism service standards become more homogeneous, travel destinations worldwide are conforming yet still trying to maintain, or even increase, their distinctiveness. Based on more than two years of fieldwork in Yogyakarta, Indonesia and Arusha, Tanzania, this book offers an in-depth investigation of the local-to-global dynamics of contemporary tourism. Each destination offers examples that illustrate how tour guide narratives and practices are informed by widely circulating imaginaries of the past as well as personal imaginings of the future.

How to Be a Tour Guide

The Author as a professional tour guide escorted American and other groups world-wide during a lifetime of travel. He has visited over 100 countries around the globe and virtually every country in Europe. He represented prestigious U.S. and European Tour Operators. Since his first assignment over 50 years ago as a travel host in Switzerland he has escorted tourists on African Safaris, to countries in the Far East, Australia and luxury cruises world wide. There are few, if any, professional tour guides who can match his lifetime of experience, sometimes travelling eleven months of the year. Throughout his career he has contributed travel articles to the travel trade and has also been engaged in travel promotion in the USA. In *Call at Six, Bags at Seven* the author recalls some of the delightful, spiteful, sad and slightly mad tourists he has travelled with over the years. His recollections are told with dry English humour and illustrated with amusing sketches of some of these incidents, he gives us a candid and unique view together with the inside story of group tourism, sharing with us hilarious and unbelievable experiences that he has had. *Call at Six, Bags at Seven* should be read by anyone who has travelled with a tourist group and a MUST for anyone who may be planning a trip. If you have travelled with a tourist group in the past and think you recognize yourself as one of the characters in this book, well maybe the coincidence is not incidental. Bon voyage!
