The Power of Reiki

Reiki is an ancient and profoundly simple system of "laying on of hands" healing derived from Tibetan Buddhism. In the West, Reiki has been kept highly secret for many years. ESSENTIAL REIKI presents full information on all three degrees of this healing system, most of it in print for the first time. Teaching from the perspective that Reiki healing belongs to all people, Diane Stein breaks new ground in her classic guide to this ancient practice. While no book can replace the directly received Reiki "attunements," ESSENTIAL REIKI provides everything else that the healer, practitioner, and teacher of this system needs. The Ultimate Guide to REIKI

The traditional symbols of the Usui System of Reiki take a key position in this unique tradition. Without them and their mantra's, Reiki is not possible. The dedication rituals necessary for the practice of Reiki as well as the complex healings can only be accomplished on the foundation of Usui symbols with the certainty and effectiveness one expects from Reiki. Written in a remarkably precise and lucid style by two foremost authors on Reiki, this compendium reveals indispensable information of tremendous spiritual value.

Reiki, the True Story

Reiki: The True Story is a comprehensive investigation of Reiki as both a healing practice and a lifelong path of spiritual awakening. Author and Reiki expert Don Beckett weaves together a new story about Reiki's origins and its founder's true vision. The foundation of this book is the teachings of a group of Reiki founder Makao Usui's original students, who held their master's knowledge in secrecy for more than seventy years. After a general introduction to Reiki, Beckett presents a thorough history of the discipline (including the testimony of some of Usui's students) as well as an in-depth manual for practice. The author rounds out his exploration with material from world renowned, contemporary Reiki Masters, Beckett's own insights into the nature of Reiki energy, as well as information about the chakra system, yin and yang, and the Five Transformations. The book concludes with a chapter entitled "Beyond Reiki," which bridges knowledge of Reiki with the lesser-known practice of Johrei. Thorough explanations coupled with cutting-edge discoveries about Reiki's past make this a compelling volume for novice and experienced practitioners alike.

In this way Reiki is a transformational spiritual pathway, a practice that one uses to transform the lower nature or ego as one evolves in consciousness. Much has been written about Reiki as a hands on healing technique, however very little has been said about its spiritual development aspects. S'Roya explains the pathway that is created with the use of reiki energy, how it comes about and how it will affect you. Through the gift of reiki she has been able to help those who search for self-improvement and inner transformation as a path of healing and enlightenment.
