A Performer's Guide to Renaissance Music

This is the Story of a Pirate named Pete. The stinkiest pirate you ever will meet! But what do you do when you smell real badand the rest of the crew is gettin' real mad? Find out in, "The Ballad of Stinky Pete the Pirate".

Cincinnati - Insiders Guide

The guerrilla guide to marketing and selling an indie film. Some people are just there for the loot bags. But most of the people at a film festival are trying to market and sell an independent film. Don't be just one of the horde. Use Chris Gore's Ultimate Film Festival Survival Guide to help your indie film stand out! Entertainment Weekly loves Gore's book, calling it a "treatise on schmoozing, bullying, and otherwise weaseling one's way into the cinematic madness known as film festivals." The newly revised and updated fourth edition includes full listings for more than 1,000 film festivals, with complete tips and contact information, plus in-depth analysis of the Big Ten festivals. With detailed, fresh how-tos for marketing, distributing, and selling a film and using websites to build buzz, plus interviews with top festival filmmakers, step-by-steps on what to do after your film gets accepted, and explanations of how to distribute a film, Chris Gore's guide tells filmmakers exactly how to become a player in the indie world. Chris Gore's Ultimate Film Festival Survival Guide includes access to Chris Gore's

online database with complete listings for more than 1,000 festivals—find the best for indie, documentary, short, student, digital, and animation!

The Self-Help Compulsion

From the wickedly funny and feminist creator and host of the "Throwing Shade" podcast, a collection of hilarious personal essays and political commentary perfect for fans of Lindy West and Roxane Gay. Since women earned the right to vote a little under one hundred years ago, our progress hasn't been the Olympic sprint toward gender equality first wave feminists hoped for, but more of a slow, elderly mall walk (with frequent stops to Cinnabon) over the four hundred million hurdles we

still face. Some of these obstacles are obvious-unequal pay, under-representation in government, reproductive restrictions, lack of floor-length mirrors in hotel rooms. But a lot of them are harder to identify. They're the white noise of oppression that we've accepted as lady business as usual, and the patriarchy wants to keep it that way. Erin Gibson has a singular goal-to create a utopian future where women are recognized as humans. In FEMINASTY-titled after her nickname on the hit podcast "Throwing Shade"-she has written a collection of make-you-laugh-until-you-cry essays that expose the hidden rules that make life as a woman unnecessarily hard and deconstructs them in a way that's bold, provocative and hilarious. Whether it's shaming women for having their periods, allowing them into STEM fields but never treating them like they truly belong, or dictating strict rules for how they should dress in every situation, Erin breaks down the organized chaos of old fashioned sexism, intentional and otherwise, that systemically keeps women down.

The 10+ Best Survival Jobs

Actors on Guard is the most comprehensive and detailed book on the art of theatrical swordplay available today. It provides the reader with the historical, theoretical and practical basis for learning, practicing and presenting theatrical sword fights. Focusing specifically on the Elizabethan rapier and dagger (the most popular weapons used in stage fights), Actors on Guard provides actors, directors, teachers, stage managers and technicians the skills and knowledge essential to presenting safe and effective fights, both for stage and screen.

A Properly Unhaunted Place

You're no idiot, of course. You're not afraid to express your ideas or to stray from the tired and true. And you are known among your friends and loved ones for your great personal style. But when it comes to veering from the traditional nuptial path, you are starting to feel like eloping is the only answer. Don't book Elvis's Chapel of Love just yet! The Complete Idiot's Guide to Creative Weddings is here to help you make your wedding day more than just a cookie-cutter celebration. In this book, you'll learn how to plan the perfect creative wedding by hatching your own new traditions that express your personal style. You'll blend in the family rituals that you treasure and still make it to the altar in one piece. In this Complete Idiot's Guide, you'll get:

CultureShock! Czech Republic

"Should appeal to all rugged individualists who dream of escape to the forest."—The New York Times Book Review Sam Gibley is terribly unhappy living in New York City with his family, so he runs away to the Catskill Mountains to live in the woods—all by himself. With only a penknife, a ball of cord, forty dollars, and some flint and steel, he intends to survive on his own. Sam learns about courage, danger, and independence during his year in the wilderness, a year that changes his life forever. "An extraordinary book . . . It will be read year after year." —The Horn Book

Chris Gore's Ultimate Film Festival Survival Guide, 4th edition

"See the blazing Yule before us" This is just one of the many ancient British folk songs we all know and love. Other tunes and symbols that tug on our memories have similar historical roots, hearkening back to a shared Pagan past. These dances, songs, and theatrical plays in the English folk tradition are now little known to most of the modern Pagan community. Reviving these vital traditions can bring new life to Renaissance festivals, neopagan rituals, and community events. Introducing the lively music and homegrown entertainments of times long past, this descriptive how-to is designed for twenty-first-century joviality. The songs, dances, and plays of old are explained in their mythical, seasonal, and historical significance and outlined for easy reenactment. Simple-to-follow instructions detail six dances including the popular Abbots Bromley Horn dance, six full scripts for dramatic performances of Mummer's Plays (folk plays of death and rebirth), and over thirty songs with lyrics and music. Kick up your heels, hold high your skirts, and make merry the year through.

My Side of the Mountain

Between phones, networks, equipment, and vendors, being a telecom manager can be a difficult task. Using four companies' actual experiences as case studies, The Telecom Manager's Survival Guide presents an easily understandable method for lining up the best possible services, putting the right tools in place, and saving the business money. The book takes a practical approach, providing a proactive system for:

- * Project management for the implementation of new services
- * Trouble resolution for equipment
- * Billing audit and reviews
- * Strategic planning for the future

The Telecom Manager's Survival Guide is an important resource for anyone taking charge of their organization's telecommunications initiatives." "

Hippocrene USA Guide to America's South

New friends and a mystery help Aven, thirteen, adjust to middle school and life at a dying western theme park in a new state, where her being born armless presents many challenges.

The Rough Guide to Camping in Britain 2

A life hangs in the balance . . . A king held for ransom, a country under thumb, clans at one another's throats. Malcolm of clan MacKintosh has enough to worry about without finding a mysterious lass sleeping on the side of his road. He tries to help her — in his overbearing, arrogant way — and winds up flat on his back. God's blood, who is this woman . . . and why does she captivate him so? And only she can tip the scales. The fortune-teller said something about saving a life, then zapped Alethia Goodsky back to fifteenth-century Scotland — a land bristling with broadswords and intrigue. Alethia is no damsel in distress, though, even if brawny, blue-eyed Malcolm has sworn to protect her. With her wits and special abilities, she races to solve the gypsy's mystery and protect those she's come to love. The stakes climb higher and enemies close in, forcing Alethia to choose between finding her way home . . . and staying true to her Highlander.

Actors on Guard

The Listener's Guide to Medieval & Renaissance Music

DK Eyewitness Travel Guide: Barcelona & Catalonia

From National Book Award-winning author William Alexander comes a wryly humorous story about two kids who try to save their town by bringing back its ghosts. Rosa Ramona Díaz has just moved to the small, un-haunted town of Ingot—the only ghost-free town in the world. She doesn't want to be there. She doesn't understand how her mother—a librarian who specializes in ghost-appeasement—could possibly want to live in a place with no ghosts. Frankly, she doesn't understand why anyone would. Jasper Chevalier has always lived in Ingot. His father plays a knight at the local Renaissance Festival,

and his mother plays the queen. Jasper has never seen a ghost, and can't imagine his un-haunted town any other way. Then an apparition thunders into the festival grounds and turns the quiet town upside down. Something otherworldly is about to be unleashed, and Rosa will need all her ghost appeasement tools—and a little help from Jasper—to rein in the angry spirits and restore peace to Ingot before it's too late.

TV Guide

National Book Award winner William Alexander conjures up a spooky adventure full of excitement in this entertaining sequel to *A Properly Unhaunted Place*, which was a *New York Times* Editors' Choice. Rosa Diaz has her hands full of ghosts. She saved the town of Ingot by unleashing all the ghosts who were previously banished. Now, like the rest of the world, Ingot is filled with spirits and poltergeists. But unlike the rest of the world, the town's living residents have no idea how to cope, and some of the ghosts are holding century-old grudges. When something supernatural starts stealing kids' voices at her school, it's up to Rosa to figure out who or what is behind the voice-snatching. It doesn't help that some of her classmates are still angry with her for releasing the ghosts. Or that Rosa begins to suspect that she may be haunted herself. Meanwhile, her best friend Jasper is dealing with what remains of the Renaissance Festival, the town's pride and joy. Ghosts from the town are now battling it out with ghosts from the festival, and the grounds are closed to all. But is it possible to appease everyone?

Dies the Fire

Gain an insight into the local characteristics from the Czech love of nature to their musical inclination to their magical folklore. Be aware of social etiquette when dining in someone's home or learn what to expect when attending a traditional wedding. Navigate your way around the complex Czech language, especially its 40-lettered alphabet and sometimes difficult pronunciation. Discover what you should expect to pay for your new home, what your tenant rights are and what documents are required for obtaining a work and spousal visa. Peppered throughout with useful phrases, terms and resources, *CultureShock! Czech Republic* is a must-have for anyone planning on adapting to life in the Czech Republic.

True to the Highlander

Part-time Parenting.

Make Merry in Step and Song

Samuel Beckett as a guru for business executives? James Joyce as a guide to living a good life? The notion of notoriously experimental authors sharing a shelf with self-help books might seem far-fetched, yet a hidden history of rivalry, influence, and imitation links these two worlds. In *The Self-Help Compulsion*, Beth Blum reveals the profound entanglement of modern literature and commercial advice from the late nineteenth century to the present day. Blum explores popular reading practices in which people turn to literature in search of practical advice alongside modern writers' rebukes of such instrumental purposes. As literary authors positioned themselves in opposition to people like Samuel Smiles and Dale Carnegie, readers turned to self-help for the promises of mobility, agency, and practical use that serious literature was reluctant to supply. Blum unearths a series of unlikely cases of the love-hate relationship between serious fiction and commercial advice, from Gustave Flaubert's mockery of early DIY culture to *Dear Abby's* cutting diagnoses of Nathanael West and from Virginia Woolf's ambivalent polemics against self-improvement to the ways that contemporary global authors such as Mohsin Hamid and Tash Aw explicitly draw on the self-help genre. She also traces the self-help industry's tendency to popularize, quote, and adapt literary wisdom and considers what it might have to teach today's university. Offering a new history of self-help's origins, appeal, and cultural and literary import around the world, this book reveals that self-help's most valuable secrets are not about getting rich or winning friends but about how and why people read.

All's Faire in Middle School

The *Rough Guide to Camping in Britain* reviews over three hundred of the country's best campsites, travelling from Scilly to Shetland, taking in Yorkshire hills, Hampshire glampsites, Welsh Islands and Highland co-operatives. This, the second edition, features new campsites that have caught our attention since the first editon, and has been thoroughly researched and updated. Written by campers for campers, *Rough Guides'* writers have visited sites across the country, checking out views, testing the shower temperatures and spending night after night under canvas. *The Rough Guide to Camping in Britain* explores everything from equipment and cooking to glamping, wild camping and festivals. Full-colour throughout, its pictures bring the splendid sites to life, whilst indexes, maps and lists arranged by category help you move through the guide with ease. *The Rough Guide to Camping in Britain* is the complete companion for novice campers who don't know where to start and experienced tent-riggers looking for a new destination. Whether you want snug tipis and creature comforts or simple sites in stunning wilderness locations, this guide has it covered. Now available in PDF format.

A Festival of Ghosts

In this irreverent wedding guide, MTV's wedding planning guru and star of *Girl Code*, comedian and bride-to-be Jamie Lee,

offers practical advice and hilarious insights on how to stay sane while planning your "big day." Weddings. What was once a beautiful celebration of a couple coming together for a lifetime of happiness has become a bit ridiculous, complete with the whimsical monogrammed mason jars and unconventional photo shoots. The Epic task of creating that special event can be nightmarish—a dizzying maze of minutiae and seemingly endless choices that might tempt you to say yes to a quickie drive-through chapel in Vegas. But weddings don't have to be stressful. You don't have to give in to the crazy—or give up completely. Famous funny gal Jamie Lee learned much more than she counted on pulling together her own wedding, and in *Weddiculous* she shares her first-hand experiences and hilarious hard-won insights with every girl who just said "yes." Jamie gives you the real low-down, puts the madness into perspective, and walks you through the process step by step in a calm, realistic, and highly entertaining way. *Weddiculous* includes helpful checklists, timelines, and suggestions on everything from what questions to ask vendors to how to handle difficult bridesmaids to what's worth the extra cost (and more importantly, what's not). Throughout, Jamie provides guidance on when you should trust your gut and when you need to listen to others. What Amy Sedaris has done for hospitality and crafting, Jamie Lee now does for weddings. *Weddiculous* will help remind you what's really important about your wedding day: it's just the first day in a long and happy marriage.

Atlantis On the Shores of Forever

S. M. Stirling presents his first Novel of the Change, the start of the New York Times bestselling postapocalyptic saga set in a world where all technology has been rendered useless. The Change occurred when an electrical storm centered over the island of Nantucket produced a blinding white flash that rendered all electronic devices and fuels inoperable—and plunged the world into a dark age humanity was unprepared to face Michael Pound was flying over Idaho en route to the holiday home of his passengers when the plane's engines inexplicably died, forcing a less than perfect landing in the wilderness. And as Michael leads his charges to safety, he begins to realize that the engine failure was not an isolated incident. Juniper McKenzie was singing and playing guitar in a pub when her small Oregon town was thrust into darkness. Now, taking refuge in her family's cabin with her daughter and a growing circle of friends, Juniper is determined to create a farming community to benefit the survivors of this crisis. But even as people band together to help one another, others are building armies for conquest

Insignificant Events in the Life of a Cactus

Discover how to get the best jobs in uncertain times, because this book will teach you how. Get it now.

A Little History of the World

E. H. Gombrich's *Little History of the World*, though written in 1935, has become one of the treasures of historical writing since its first publication in English in 2005. The Yale edition alone has now sold over half a million copies, and the book is available worldwide in almost thirty languages. Gombrich was of course the best-known art historian of his time, and his text suggests illustrations on every page. This illustrated edition of the *Little History* brings together the pellucid humanity of his narrative with the images that may well have been in his mind's eye as he wrote the book. The two hundred illustrations—most of them in full color—are not simple embellishments, though they are beautiful. They emerge from the text, enrich the author's intention, and deepen the pleasure of reading this remarkable work. For this edition the text is reset in a spacious format, flowing around illustrations that range from paintings to line drawings, emblems, motifs, and symbols. The book incorporates freshly drawn maps, a revised preface, and a new index. Blending high-grade design, fine paper, and classic binding, this is both a sumptuous gift book and an enhanced edition of a timeless account of human history.

Survival Manual for the Independent Woman Traveler

A hip, accessible guide to batch cocktail-making for entertaining, with 65 recipes that can be made hours--or weeks!--ahead of time so that hosts and hostesses have one less thing to worry about as the doorbell rings. As anyone who has hosted a dinner party knows, cocktail hour is the most fun part of the evening for guests--but the most stressful for whomever is in charge of keeping the drinks flowing. The solution, though, is simple: batch it! In this fun collection, Maggie Hoffman offers 65 delicious and creative cocktails that you don't have to stir or shake to order; rather, they are designed to stay fresh when made ahead and served out of a pitcher. Recipes such as *Tongue in Cheek* (gin, Meyer lemon, thyme, Cocchi Rosa), *Friendly Fires* (mezcal, chile vodka, watermelon, lime), *Birds & Bees Punch* (rum, cucumber, green tea, lemon), and even alcohol-free options are organized by flavor profile--herbal, boozy, bitter, fruity and tart, and so on--to make choosing and whipping up a perfect pitcher of cocktails a total breeze.
