The Day of the Duchess

Wanted: an engagement of convenience. Found: A noble suitor. Raised on a remote Scottish estate by her adoring grandfather, Lady Theodora Worth has inherited an earldom as well as the land itself. But when an upstart duke challenges her claim to the title and the Ladykyrk estate, Thea is suddenly in need of a husband—in name, at least. An elderly neighbor with a thoroughly modern sensibility and a dashing great-nephew just might be the answer to Thea's prayers. Except she has no intention of marrying the first man she meets. That would be utterly ridiculous. It just can't be him. . . Lord William Cavensham is entirely too devoted to his family's estate—ever since he was jilted as a lad--to wed, but he agrees to meet the woman his aunt has taken under her wing—and introduce her to possible suitors. But after just one meeting with beautiful, spirited Thea, Will is determined to help her reclaim her title. And even moreso, he can't stop thinking

Maxence's brother was trying to kidnap or kill him, and an organized crime thug wanted to cut off Max's head and feed it to the sharks for entirely different reasons. So, when a cute little blonde stood up on a barstool in the middle of the Buddha Bar in Paris and drew the attention of the wrong sort of guys, Maxence swooped in for the rescue. Everything about her appealed to him: her sweetness, her giggliness, and especially the fact that she was in trouble. That last part made her sugar and catnip to Max. Luckily, he only had five days before he left Paris and Europe for wherever his global charity job was going to send him this time. Why not spend it with the funny blonde who insisted he lie to her? Indeed, if she thought everything he said was a lie, he could confess his sins, unburden his soul, and reveal what he thought he never could. Five days with her sounded like Heaven, if he could just convince her to stop throwing him out of her hotel room.

*** My life has become a sad country music song, but instead of heading south, I went to Paris. I was a good girl who had nothing left to lose, literally. My boyfriend had stolen everything. Everything except a non-refundable plane ticket to Paris,

After all that, it was understandable that when I started drinking at the Buddha Bar, things got a little out of hand. Luckily, a man intervened. He was so ripped that I could see every thick muscle of his abs, obliques, chest, and arms through the tight tee shirt he was wearing. He towered over the guys who were bothering me, and they backed off. I took him back to my hotel because I was full of drunken, bad decisions that night. The last thing I needed was a man who wanted to save me when I was trying to do all the wrong things.
