## The Crossing

How can one day go so very wrong? One minute Meara Quinn is making plans for how she will spend the Summer before her senior year and the next she's finding out that her mother's cancer has returned and they are moving away from the only home she's ever known. Now every day is a struggle as Meara is trying to cope with her mother's illness, being forced to move to another country to live with grandparents-whom she thought disowned her mother-and having weird visions of a father who was absent her entire life. Top it all off with one whopping secret that

everyone seems bent on keeping from her, and Meara has the perfect ingredients for a major melt down. The only things keeping her from coming unglued are some new friends and Evan-the son of her mother's childhood friend-who seems to know Meara almost better than she knows herself. Together with Evan and her friends, Meara embarks on a new journey to unlock the secrets that will not only tell Meara who she is, but what she is.

### **Shackled Lily**

For five years, Becca has been struggling to hide her feelings for her best friend Brad. Now she finally has a chance to move on. She's in a new city, she's attending a new school and she's met the first guy besides Brad who's held her attention. Not only is Ethan attractive, he's an amazing tennis player, and he might just be Becca's match on and off the courts. Brad has loved Becca for as long as he can remember. Now that Becca's family has moved 2,000 miles away, Brad may finally be ready to lay his heart on the line and do whatever it takes to hold on to Becca. Torn between her love for Brad and the promise of something new and exciting with Ethan, Becca has an almost impossible choice to make, the choice between letting go or holding on.

A lord in danger. A magician in turmoil. A snowball in hell. Exiled to China for twenty years, Lucien Vaudrey never planned to return to England. But with the mysterious deaths of his father and brother, it seems the new Lord Crane has inherited an earldom. He's also inherited his family's enemies. He needs magical assistance, fast. He doesn't expect it to turn up angry. Magician Stephen Day has good reason to hate Crane's family. Unfortunately, it's his job to deal with supernatural threats. Besides, the earl is unlike any aristocrat he's ever met, with the tattoos, the attitude and the way Crane seems determined to get him into bed. That's definitely unusual. Soon Stephen is falling hard for the worst possible man, at the worst possible time. But Crane's dangerous appeal isn't the only thing rendering Stephen powerless. Evil pervades the house, a web of plots is closing round Crane, and if Stephen can't find a way through it-they're both going to die. Book 1 of the Charm of Magpies series.

### **Historical Essays**

What would bring you happiness in a world that was suddenly empty? For Lucy Crane, the answer is simple: her daughter. When her husband is killed in a tragic accident, Lucy loses her desire to live, but only one thing keeps her going – her unborn daughter. Focusing on being a mother helps Lucy cope with her loss, but kids grow up and they leave home, eventually. Eighteen years after losing her first and only love, Lucy is faced with the opportunity to find the happiness for which she's always longed. Her own fears become her worst enemies as she learns how to

embrace love once again. Evan Donovan is also facing his own struggles. Forced to retire from the FDNY because of lung damage caused by 9/11, Evan moves to upstate New York where he hopes to find a little peace and quiet. Old habits die hard, and Evan's hero complex and survivor's guilt constantly remind him of how difficult it is to be vulnerable. But for the first time in his life, he's tired of being alone. Drawing strength from one another, Lucy and Evan discover how beautiful it is to let love be a part of their lives.

### **She Doesn't Know**

Published to critical acclaim twenty years ago, and now considered a classic, *The House of Morgan* is the most ambitious history ever written about American finance. It is a rich, panoramic story of four generations of Morgans and the powerful, secretive firms they spawned, ones that would transform the modern financial world. Tracing the trajectory of J. P. Morgan's empire from its obscure beginnings in

Victorian London to the financial crisis of 1987, acclaimed author Ron Chernow paints a fascinating portrait of the family's private saga and the rarefied world of the American and British elite in which they moved—a world that included Charles Lindbergh, Henry Ford, Franklin Roosevelt, Nancy Astor, and Winston Churchill. A masterpiece of financial history—it was awarded the 1990 National Book Award for Nonfiction and selected by the Modern Library as one of the 100 Best Nonfiction Books of the Twentieth Century—The House of Morgan is a compelling account of a remarkable institution and the men who ran it, and an essential book for understanding the money and power behind the major historical events of the last 150 years.

joy in a life that had been overwhelming to her. In the process, she encouraged and inspired people around the world. The first in a series, *Trees Tall as Mountains* is a collection of the best posts of the first three years of Journey Mama. In them, Rachel Devenish Ford describes life in an intentional community, her love for her Superstar Husband, her dysfunctional relationship with large grocery stores, and the antics of her young children. As Rachel works to overcome sometimes crushing anxiety, love the people around her, and grow in her faith in God, she writes about it all with tenderness and humor. Funny and profound, *Trees Tall as Mountains* is a life-changing book.

NEW YORK TIMES BESTSELLER • “An essential exposé of our times—a work that reveals the deep rot in our financial system . . . Everyone should read this book.”—David Grann, author of *Killers of the Flower Moon* ONE OF THE BEST BOOKS OF THE YEAR—The New York Times and The Economist • Finalist for the New York Public Library’s Helen Bernstein Book Award for Excellence in Journalism The hedge fund industry changed Wall Street. Its pioneers didn’t lay railroads, build factories, or invent new technologies. Rather, they made their billions through financial speculation, by placing bets in the market that turned out to be right more often than not. In hedge fund circles, Steven A. Cohen was revered as one of the greatest traders who ever lived. But that image was shattered when his fund, SAC Capital, became the target of a seven-year government investigation. Prosecutors

up to discover the true desires of his heart before he actually got into the space shuttle program at NASA. Three failed attempts didn't daunt this driven pilot-and the fourth interview process, though lengthy and difficult, proved successful for him. Husband's years at NASA served not only to develop his integrity and character, but also to increase his faith in a Creator that could not be denied in the vastness of space. His story is not only inspirational but exhilarating and invigorating, as readers will witness the life of a man who consistently pursued the desires of his heart even as he served a faithful God.

### **Hard to Be a God**

What if you could live again and again, until you got it right? On a cold and snowy night in 1910, Ursula Todd is born to an English banker and his wife. She dies before she can draw her first breath. On that same cold and snowy night, Ursula Todd is born, lets out a lusty wail, and embarks upon a life that will be, to say the least, unusual. For as she grows, she also dies, repeatedly, in a variety of ways, while the young century marches on towards its second cataclysmic world war. Does Ursula's apparently infinite number of lives give her the power to save the world from its inevitable destiny? And if she can -- will she? Darkly comic, startlingly poignant, and utterly original -- this is Kate Atkinson at her absolute best.

fiction. Yet until now the only English version (unavailable for over thirty years) was based on a German translation, and was full of errors, infelicities, and misunderstandings. Now, in a new translation by Olena Bormashenko, whose translation of the authors' *Roadside Picnic* has received widespread acclaim, here is the definitive edition of this brilliant work. It tells the story of Don Rumata, who is sent from Earth to the medieval kingdom of Arkanar with instructions to observe and to save what he can. Masquerading as an arrogant nobleman, a dueler and a brawler, Don Rumata is never defeated, but can never kill. With his doubt and compassion, and his deep love for a local girl named Kira, Rumata wants to save the kingdom from the machinations of Don Reba, the first minister to the king. But given his orders, what role can he play? *Hard to Be a God* has inspired a role-playing video game and two movies, including Aleksei German's long-awaited swan song. This long overdue translation will reintroduce one of the most profound Soviet-era novels to an eager audience. Arkady and Boris Strugatsky were famous and popular Russian writers of science fiction, with more than 25 novels and novellas to their names. Hari Kunzru is the author of highly praised novels including *Gods Without Men* and *The Impressionist*. Olena Bormashenko is the acclaimed translator of the Strugatskys' *Roadside Picnic*.

The massive impact that comics have had on our culture becomes more and more clear every day, from the critically acclaimed musical *Fun Home*, based on Alison Bechdel's groundbreaking comic, to the dozens of superhero films hitting cinemas every year. What is it that makes comics so special? What can this unique art form do that others can't? In *Why Comics?*, comics scholar Hillary Chute reveals the history of comics, underground comics (or comix), and graphic novels, through deep thematic analysis, and fascinating portraits of the fearless men and women behind them. As Scott McCloud revealed the methods behind comics and the way they worked in his classic *Understanding Comics*, Chute will reveal the themes that Comics handle best, and how the form is uniquely equipped to explore them. The topics *Why Comics?* include:

- **Why Disaster:** with such major works focusing on disasters, from Art Spiegelman's work, which covers the Holocaust and 9/11 to Keiji Nakazawa's work covering Heroshima, comics find themselves uniquely suited to convey the

scale and disorientation of disaster. • **Why Suburbs:** through the work of Chris Ware and Charles Burns, Chute reveals the fascinating ways that Comics illustrate the quiet joys and struggles of suburban existence. • **Why Punk:** With an emphasis on DIY aesthetics and rebelling against what came before, the Punk movement would prove to be a fertile ground for some of the most significant modern cartoonists, creating a truly democratic art form. Chute has created an indispensable guide to comics for those new to the genre, or those who want to understand more about what lies behind their favorite works.

### **The House of Morgan**

From the bestselling author of 'Unrelenting' comes the heartbreaking first-in-series, War Girls: Ursula, a harrowing tale of courage and conscience, love and survival under the Third Reich. In Berlin, 1943, compassion is a crime. Newlywed Ursula Hermann is a simple woman, wanting nothing more than an end to the war and the return of her husband from the Russian front. But some things are not meant to be. The authorities determine that Ursula's contribution to the war effort is to guard a prison for undesirables and political prisoners. Then, the unthinkable happens. A prisoner, Royal Air Force pilot Tom Westlake escapes, and Ursula looks the other way. If her single act of mercy is discovered, her life is forfeit. When the injured airman returns, seeking her help, it is her opportunity to turn over the enemy and save herself from destruction. In a world where right has become wrong, and wrong has become right, Ursula must make a decision: obey the fatherland, or follow her conscience. Inspired by true historical events, War Girl Ursula is the unforgettable story of one young woman's moral courage in the face of unspeakable suffering. Praise for War Girls: Ursula: "A fast-paced ww2 historical fiction novel... with a gut-wrenching moral dilemma." "From the first to the last page, I found I couldn't put this book down. ### **High Calling**

When Navy Seabee Al Dante returns to Boston in 1945 after serving in World War II, his homecoming is not what he nor his wife imagined. Although he survived the bombing of his destroyer in the South Pacific, his injuries left him with shattered bones, a withered arm and a crushed spirit. The two-and-a half-year-old son he has never seen runs away from him in fear. His wife, only a girl when he left, has borne and nurtured their child and made her way in the world. After three years of keeping to themselves the fear and loneliness and longing they had faced alone, they no longer know each other. But a "For Sale" sign in the window of a restaurant in their Italian neighborhood of the North End convinces Rose that if she and Al are to have any hope of overcoming their challenges, she is the one who needs to put their dreams in motion. of secrets and training to enhance his gift. They didn't expect him to fall in love. He didn't expect to be forbidden to be with her. And no one expected him to risk it all to get her back.

### **Skinny Jeans?**

Chloe Parker has just been uprooted to a tiny American compound in Saudi Arabia. You'd think after fourteen years of being an Air Force brat, she'd be used to being the new kid, but it still sucks. At least until she meets charming, charismatic Alex and falls for him hard. But Alex is a year older and is heading off to boarding school in Switzerland. Chloe won't see him again for nine months and it's breaking her heart. She doesn't even know if Alex likes her back until he gifts her his private binder of hand-written stories and song lyrics to remember him by. That has to mean something, right? At long last the wait is over and Alex returns, but he's a haunted shell of his former self. Something bad happened while Alex was away, something that killed the light in his eyes, and Chloe is determined to help him. She has to get the old Alex back. But Chloe doesn't know you can't bring someone back from a place you've never been. All you can do is be there when they finally decide to come home.
