Simon & Schuster's Guide to Mushrooms

The Simon & Schuster Guide to the Wines of Burgundy

As mammals ourselves, we have always been fascinated with this most advanced class of animals, and Simon & Schuster's Guide to Mammals describes 426 species worldwide. A long and thoughtful introduction to the evolution, characteristics, and orders of mammals is followed by the entries -- all illustrated in full color -- each containing the mammal's classification, description, and habitat as well as details on behavior, feeding habits, and reproduction. The entries also feature colorful symbols to illustrate habitat, color maps to show the distribution and rarity of each species, and line drawings to indicate unusual or notable physical features. With more than 500 color photographs, Simon & Schuster's Guide to Mammals is a superb and valuable reference.

Simon and Schuster's Complete Guide to Plants and Flowers

“Moving.” —Booklist (starred review) At Hatters Museum of the Wide Wide World, where the animals never age but time takes its toll, one woman must find the courage to overcome the greatest loss of her life. Four years after her husband Richard’s death, Cate Morris is let go from her teaching job and unable to pay rent on the London flat she shares with her son, Leo. With nowhere else to turn, they pack up and venture to Richard’s ancestral Victorian museum in the small town of Crouch-on-Sea. Despite growing pains and a grouchy caretaker, Cate begins to fall in love with the quirky taxidermy exhibits and sprawling grounds, and she makes it her mission to revive them. But threats from both inside and outside the museum derail her plans and send her spiraling into self-doubt. As Cate becomes more invested in Hatters, she must finally confront the reality of Richard’s death—and the role she played in it—in

experience, as it hurtles to its electrifying ending. Ivy Lin is a thief and a liar—but you'd never know it by looking at her. Raised outside of Boston, Ivy's immigrant grandmother relies on Ivy's mild appearance for cover as she teaches her granddaughter how to pilfer items from yard sales and second-hand shops. Thieving allows Ivy to accumulate the trappings of a suburban teen—and, most importantly, to attract the attention of Gideon Speyer, the golden boy of a wealthy political family. But when Ivy's mother discovers her trespasses, punishment is swift and Ivy is sent to China, and her dream instantly evaporates. Years later, Ivy has grown into a poised yet restless young woman, haunted by her conflicting feelings about her upbringing and her family. Back in Boston, when Ivy bumps into Sylvia Speyer, Gideon's sister, a reconnection with Gideon seems not only inevitable—it feels like fate. Slowly, Ivy sinks her claws into Gideon and the entire Speyer clan by attending fancy dinners, and weekend getaways to the cape. But just as Ivy is about to have everything she's ever wanted, a ghost from her past resurfaces, threatening the nearly perfect life she's worked so hard to build. Filled with surprising twists and a nuanced exploration of class and race, *White Ivy* is a glimpse into the dark side of a woman who yearns for success at any cost.

The Simon & Schuster Young Readers' Illustrated Dictionary

A heart-swelling debut for fans of *The Silver Linings Playbook* and *The Curious Incident of the Dog in the Night-Time*. Sometimes life isn't as simple as heroes and villains. For Zelda, a twenty-one-year-old Viking enthusiast who lives with her older brother, Gert, life is best lived with some basic rules: 1. A smile means "thank you for doing something small that I liked." 2. Fist bumps and dabs = respect. 3. Strange people are not appreciated in her home. 4. Tomatoes must go in the middle of the sandwich and not get the bread wet. 5. Sometimes the most important things don't fit on lists. But when Zelda finds out that Gert has resorted to some questionable—and dangerous—methods to make enough money to keep them afloat, Zelda decides to launch her own quest. Her mission: to be legendary. It isn't long before Zelda finds herself in a battle that tests the reach of her heroism, her love for her brother, and the depth of her Viking strength. *When We Were Vikings* is an uplifting debut about an unlikely heroine whose journey will leave you wanting to embark on a quest of your own, because after all we are all legends of our own making.

The Simon & Schuster Guide to the Wines of Italy

From the #1 New York Times bestselling author of the Gossip Girl series, a deliciously irresistible novel chronicling a year in the life of four families in an upscale Brooklyn neighborhood as they seek purpose, community, and meaningful relationships—until one unforgettable night at a raucous neighborhood party knocks them to their senses. Welcome to Cobble Hill. In this eclectic Brooklyn neighborhood, private storms brew amongst four married couples and their children. There's ex-groupie Mandy, so underwhelmed by motherhood and her current physical state that she fakes a debilitating disease to get the attention of her skateboarding, ex-boyband member husband Stuart. There's the unconventional new school nurse, Peaches, on whom Stuart has an unrequited crush, and her disappointing husband Greg, who wears noise-cancelling headphones—everywhere. A few blocks away, Roy, a well-known, newly transplanted British novelist, has lost the thread of his next novel and his

marriage to capable, indefatigable Wendy. Around the corner, Tupper, the nervous, introverted industrial designer with a warehouse full of prosthetic limbs struggles to pin down his elusive artist wife Elizabeth. She remains...elusive. Throw in two hormonal teenagers, a ten-year-old pyromaniac, a drug dealer pretending to be a doctor, and a lot of hidden cameras, and you've got a combustible mix of egos, desires, and secrets bubbling in brownstone Brooklyn. Smart, sophisticated, yet surprisingly tender, Cobble Hill is highly entertaining portrait of contemporary family life and the colorful characters who call Brooklyn home.

White Ivy
