French Fairy Tales: Essays on a Major Literary Tradition provides a unique opportunity to revisit and deepen our appreciation and understanding of French fairy tales, many of which we can recall with a sense of wonder from childhood. These carefully selected essays, written by a variety of distinguished scholars, introduce and analyze the original versions of many French fairy tales published in France between 1691 and 1715. These range from the works of Charles Perrault (Cinderella, Little Red Riding Hood, Sleeping Beauty), to Madame Leprince de

Beaumont (Beauty and the Beast), to the radically different tales of Madame d'Aulnoy (The Blue Bird, The White Cat). This anthology includes essays that analyze the complexities and importance of these tales, as well as a bibliography and filmography that give readers a chance to explore the genre further. The English translations of several French fairy tales by Jack Zipes serve as an excellent teaching tool. Readers of French Fairy Tales will enjoy the stories and be challenged by the recent and provocative scholarship on this major literary tradition that continues to influence literature and film today. Denyse Delcourt is a writer, a medievalist, and the author of three books. Her novel (Gabrielle au bois dormant), translated in English as Gabrielle and the Long Sleep into Mourning, was inspired by Charles Perrault's Sleeping Beauty. She is a professor of French at the University of Washington. Since 2000 she has taught a yearly, well-attended class on French fairy tales.

My First Book of Chinese Words introduces young children to basic words and concepts in the Chinese language through colorful rhymes and beautiful imagery. It is a book that parents and young children will enjoy reading together. The Chinese words in the book are all common, everyday items, and the rhymes are informative and fun for children. The goal of My First Book of Chinese Words is to familiarize children with the basic sounds and written characters of Chinese, to introduce core concepts of Chinese culture and to illustrate the ways in which

Chinese sounds differ from English ones. Teachers and parents will welcome the cultural notes at the back of the book and appreciate how the book is organized using a familiar ABC structure. Each word is presented in Chinese characters (both Simplified and Traditional) as well as Romanized Pinyin for easy pronunciation. With the help of this book, we hope more children (and adults) will soon join the more than one billion people worldwide who speak Chinese!

fragrance, the words and drawings that spring from his Being are of the nature of non-duality. At times humorous, at times tender, occasionally sharp and always loving, Mooji responds to questioners as they speak of fear, suffering, confusion, relationships, spiritual practice and how to live their lives in peace. Yet it is Mooji's unsparing pointing to Truth, through the method of self-inquiry, which forms the essence of this book. His words represent unwavering invitations to investigate the nature of the Self and to rest effortlessly as the fullness and emptiness of Beingness. His answers encourage, challenge and never fail to illuminate. Enriched with Mooji's exquisite brush drawings - which add depth and a power of their own - this book is even more potent than the first. This edition acts like an unsparing sword that chops the mind and leaves you fully naked as your Self.
