50% OFF! Holiday Season Special Price! The first ever English language biography of Masayoshi Son, Japan's foremost IT revolutionary and SoftBank's founder, chairman and CEO. Based on over twenty years of in-depth interviews and study, Atsuo Inoue brings Son's story to life in this translation of the Japanese best seller. From his humble beginnings as a son of Korean immigrants living in a shack in southwest Japan, to his aim to become No. 1 in the world as CEO of one of Japan's largest Internet companies, Inoue richly details Son's inspiring journey and the challenges he faced along the way. Told from the viewpoint of those who know him best—relatives, friends and business partners from around the world—the story reveals the truth about “rising Son,” the man who made “Information Revolution – Happiness for Everyone” his life's mission. Son was born in 1957 as a third generation Korean resident in Japan's Saga Prefecture. He entered one of the Prefecture's most prestigious high schools, attending for just the first semester before dropping out to venture to the US. He

was only 16 years old. In the US, he acquired high school graduate equivalency in just three weeks through accelerated study and then entered the University of California, Berkeley. As a college student, he earned his first million dollars for the invention of an automatic voice translator. Then he came back to Japan to found SoftBank. Continuously realizing his aspirations, he made SoftBank into a multibillion dollar enterprise. He attributes his success to making decisions with extraordinary speed and by leveraging his friendships with innovators, including his close friend Steve Jobs. "I will create a self-sustaining enterprise that lasts over 300 years." Such bold statements have garnered Son attention from all over the world. But who is the real Masayoshi Son? The author Atsuo Inoue has covered Son's career closely as a journalist and his insightful observations vividly paints an intimate portrait of the charismatic business revolutionary, who blends cool rational thought with fiery passion and genius. "I've never seen such a comprehensive account of my life." -Masayoshi Son, Chairman & CEO of SoftBank Corp.

The essays, which discuss authors in a variety of literary genres and across the spectrum of the region concerned-from Iraq in the East to Tunisia in the West-provide clear evidence of the gradually changing roles of the indigenous and the imported which are an intrinsic feature of the movement known in Arabic as al-bahada (cultural revival) and the way in which Arab

litterateurs chose to respond to the inspiration that such changes inevitably engendered. --

Essays in Arabic Literary Biography: 1850-1950

Glenn Ford—star of such now-classic films as *Gilda*, *Blackboard Jungle*, *The Big Heat*, *3:10 to Yuma*, and *The Rounders*—had rugged good looks, a long and successful career, and a glamorous Hollywood life. Yet the man who could be accessible and charming on screen retreated to a deeply private world he created behind closed doors. *Glenn Ford: A Life* chronicles the volatile life, relationships, and career of the renowned actor, beginning with his move from Canada to California and his initial discovery of theater. It follows Ford's career in diverse media—from film to television to radio—and shows how Ford shifted effortlessly between genres, playing major roles in dramas, noir, westerns, and romances. This biography by Glenn Ford's son, Peter Ford, offers an intimate view of a star's private and public life. Included are exclusive interviews with family, friends, and professional associates, and snippets from the Ford family collection of diaries, letters, audiotapes, unpublished interviews, and rare candid photos. This biography tells a cautionary tale of Glenn Ford's relentless infidelities and long, slow fade-out, but it also embraces his talent-driven career. The result is an authentic Hollywood story that isn't afraid to reveal the truth. Dictionary of American Biography, Including Men of the Time, Containing Nearly Ten Thousand Notices of Persons of Both Sexes of Native or Foreign Birth who Have Been Remarkable or Prominently Connected with the Arts, Sciences, Literature, Politics, Or History of the American Continent

"Mayor Richard M. Daley dropped the bomb at a routine news conference at City Hall on Tuesday. With no prelude or fanfare, Mr. Daley announced that he would not seek re-election when his term expires next year. 'Simply put, it's time,' he said." New York Times, September 7, 2010 With those four words, an era ended. After twenty-two years, the longest-serving and most powerful mayor in the history of Chicago—and, arguably, America—stepped down, leaving behind a city that was utterly transformed, and a complicated legacy we are only beginning to evaluate. In *First Son*, Keith Koeneman chronicles the sometimes Shakespearean, sometimes Machiavellian life of an American political legend. Making deft use of unprecedented access to key players in the Daley administration, as well as Chicago's business and cultural leaders, Koeneman draws on more than one hundred interviews to tell an up-close, insider story of political triumph and personal evolution. With Koeneman as our guide, we follow young Daley from his beginnings as an average Bridgeport kid thought to lack his father's talent and charisma to his unlikely transformation into an iron-fisted leader. Daley not only escaped the giant shadow of his father but also transformed Chicago from a gritty, post-industrial Midwestern capital into a beautiful, sophisticated global city widely recognized as a model for innovative metropolises throughout the world. But in spite of his many accomplishments, Richard M. Daley's record is far from flawless. *First Son* sets the dramatic improvement of certain

parts of the city against the persistent realities of crime, financial stress , failing public housing, and dysfunctional schools. And it reveals that while in many ways Daley broke with the machine politics of his father, he continued to reward loyalty with favors, use the resources of city government to overwhelm opponents, and tolerate political corruption. A nuanced portrait of a complex man, First Son shows Daley to be sensitive yet tough, impatient yet persistent, a street-smart fighter and detail-driven policy expert who not only ran Chicago, but was Chicago.

Dictionary of National Biography

Shinzo Abe entered politics burdened by high expectations: that he would change Japan. In 2007, seemingly overwhelmed, he resigned after only a year as prime minister. Yet, following five years of reinvention, he masterfully regained the premiership in 2012, and now dominates Japanese democracy as no leader has done before. Abe has inspired fierce loyalty among his followers, cowing Japan's left with his ambitious economic program and support for the security and armed forces. He has staked a leadership role for Japan in a region being rapidly transformed by the rise of China and India, while carefully preserving an ironclad relationship with Trump's America. The Iconoclast tells the story of Abe's meteoric rise and stunning fall, his remarkable comeback, and his unlikely emergence as a global statesman laying the groundwork for Japan's survival in a turbulent century.

The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

A Dictionary of Universal History, Chronology and Historical Biography, etc. [By J. M., i.e. James Mitchell.]

Wealth and Biography of the Wealthy Citizens of New York City

The delay of the Parousia—the second coming of Christ—has vexed Christians since the final decades of the first century. This volume offers a critical, constructive, and interdisciplinary solution to that dilemma. The argument is grounded in Christian tradition while remaining fully engaged with the critical insights and methodological approaches of twenty-first-century scholars. The authors argue that the deferral of Christ’s prophesied return follows logically from the conditional nature of ancient predictive prophecy: Jesus has not come again because God’s people have not yet responded sufficiently to Christ’s call for holy and godly action. God, in patient mercy, remains committed to cooperating with humans to bring about the consummation of history with Jesus’ return. Collaboratively written by an interdisciplinary and ecumenical team of scholars, the argument draws on expertise in biblical studies, systematics, and historical theology to fuse critical biblical exegesis with a powerful theological paradigm that generates an apophatic and constructive Christian eschatology. The authors, however, have done more than tackle a daunting theological problem: as the group traverses issues from higher criticism through doctrine and into liturgy and ethics, they present an innovative approach for how to do Christian theology in the twenty-first-century academy.

When the Son of Man Didn't Come

Encyclopedia of Pennsylvania Biography

Son of Hamas is now available in softcover with an all-new chapter about events since the book’s release such as the revelation of Mosab’s Israeli intelligence handler’s true identity, and Homeland Security’s effort to deport the author. Since he was a small boy, Mosab Hassan Yousef has had an inside view of the deadly terrorist group Hamas. The oldest son of Sheikh Hassan Yousef, a founding member of Hamas and its most popular leader, young Mosab assisted his father for years in his political activities while being groomed to assume his legacy, politics, status . . . and power. But everything changed when Mosab turned away from terror and violence, and embraced instead the teachings of another famous Middle East leader. In Son of Hamas, Mosab reveals new information about the world’s most dangerous terrorist organization and unveils the truth about his own role, his agonizing separation from family and homeland, the dangerous decision to make his newfound faith public, and his belief that the Christian mandate to “love your enemies” is the only way to peace in the

Middle East.

First Son

If you're like most people you have questions about God that are difficult to find answers for. But, there are answers to some of these and other intriguing, and sometimes troubling, questions about life inside this book in easy-to-understand language. This book is designed to lessen some of the mystery of God. God wants us to know more about Him and His plans for us. God wants us to know about His Son, Christ Jesus, and exactly what He did for us then and what He does for us now. God wants us to know about His power, the Holy Spirit, and what He does. God wants us to understand how we are viewed by Him and how we fit into His overall plans. He wants us to see ourselves, the condition that we have, and the position that we are in. God wants us to understand that there must be a faithful and productive relationship between Him and us if we are to please Him. And we must have a solid understanding of how that relationship itself works. It is extremely important that we know what sin is and how it affects our relationship with Him. He wants and expects us to know all these things. God has never wanted to remain a total mystery to us because we cannot serve Him if He is a total mystery. Therefore, this book explains to the undecided, enlightens the newly converted, and reinforces for those already "born again" the necessity of understanding the relationship between God and themselves. Also, you will come to know that there are choices that must be made that only you can make. But they will not be as difficult to make once you have a better understanding of the relationship between God and man.

A Biography of the Holy Trinity and Man

Starting in the summer of 1976, one man terrorized a city and fascinated a nation: Son of Sam. Over 30 years after his capture, David Berkowitz (AKA Son of Sam), is still one of the most known serial killers of all time. The life, murders, trial, and prison life of David Berkowitz is recapped in this book. LifeCaps is an imprint of BookCaps(TM) Study Guides. With each book, a lesser known or sometimes forgotten life is recapped.

Encyclopedia of Virginia Biography

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary

flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

Son of Sam

"Judas is a dark journey through the murderousness of Christian Anti-Semitism, culminating in the mass slaughter of more than a and their associated European butchers. Lucid, study is close to definitive on the fictive figure of Judas."—Harold Bloom

Aiming High

Son of Hamas

Would You Like to Know Jesus as Those Closest to Him Did? There are many books describing the life and times of Jesus. This biography puts no words in Jesus's mouth other than his own—those recorded in the Bible by Matthew, Mark, Luke and John. This account of Christ's ministry years unfolds in chronological order and stands you squarely next to Jesus as he walks a path that leads to a cross, putting flesh and blood on his experiences and teachings. Son of Man: A Biography of Jesus arranges the Gospels in a narrative arc with a clear beginning, middle, and end. It reorders the nonlinear storyline of the Gospels and tells the story chronologically to help you see how, and maybe more importantly, why things unfolded as they did. To create the you-are-there feel it is written in present tense and Jesus's story is told in the context of his culture. The geography, climate, politics, racism, social norms, religion, traditions, economics, morality, language, and customs of the second temple era play key roles in this narrative. What emerges is a holistic, historically accurate dramatization that provides a 360-degree view of Jesus and his world. Through this book, you can take a trip through time and sit at the feet of

the Son of Man. No fictionalized elements or dialog have been added. All events and quotations are taken from the texts of Matthew, Mark, Luke, John, and Acts. All of Jesus's recorded words and actions are included, and duplicate accounts have been harmonized. Recent books about the life of Christ have been skeptical of the Bible and have used Jewish and Roman texts as their primary sources. Religious and secular history books provide valuable insights into Jesus's world, but to understand the man himself, the best sources are the ancient narratives written by Matthew, Mark, Luke, and John. An appendix is included to help Bible students study Jesus's ministry years chronologically, pericope by pericope. For deeper research, Old Testament passages that are relevant to each event are cited. If you are a student of Jesus's life and times, or a follower of Jesus and his teachings, you will find yourself looking at Jesus with new eyes and new understanding. And you will gain a greater appreciation for what it must have taken for Jesus to do what he did: embody the Son of God in the Son of Man. "Harris's work takes complex events in the life of Jesus and explains them in the same simple way Jesus often explained complex events to the people of His own day. This is a fresh look at Jesus in a way that benefits both old scholars, new believers, and those who are just curious. Easy to pick up. Hard to set down." -TONY LISTON, pastor of Adventure Christian Community, Davenport, Iowa "At first I thought, 'A biography of Jesus why?' Henry Harris has done a marvelous job of pulling together the Gospel accounts, adding both commentary and color that, in a very reader-friendly style invites us to take a freshly prepared look at the old, old story. As a pastor, I can see giving out copies to new converts and seekers, letting Jesus's life story kindle in them a desire to discover more in the treasure chest that is the Bible." -RICK LAWRENSON, pastor of Nags Head Church, Nags Head, North Carolina "Son of Man is grounded in the Gospels and bolstered by just the right amount of cultural context, but is not afraid to take some risks to tell the story of Jesus in a modern and intuitive way. This makes it a great read for the beginner who desires a fuller, more chronological account, but also for the veteran who wishes to see the story with fresh eyes." -ED TAYLOR, pastor of Quest Church, Arlington Heights, Illinois"
