NCLEX-RN Review Made Incredibly Easy!

This comprehensive NCLEX® review program is designed for individual student NCLEX® review. The popular NCLEX® 4000 study software provides more than 4,000 NCLEX®-quality review questions covering all 29 topics in five major content areas, including fundamentals, pediatrics, psychiatric-mental health, maternal-neonatal, and medical-surgical nursing. The software delivers NCLEX®-style multiple-choice questions and alternate-format questions. Three study modes—pretest, review, and test—give correct and incorrect answers with rationales and new supporting references. NCLEX® 4000 includes important new questions on prioritizing and delegation, a key topic on the NCLEX® exam. Updated to reflect the National Council of State Boards of Nursing's latest test plan, including all forms of alternate-format questions.

Surgical Care Made Incredibly Visual!

This easy-to-read outline review follows the unique two-column Straight A's format that lets students choose how they study for NCLEX® and course exams. The interior column outlines key facts for in-depth review; the exterior column lists only the most crucial points for quickest review. Other features include NCLEX®-style questions at the beginning and end of each chapter; lists of top items to study before a test; Time-Out for Teaching patient-teaching points; Go with the Flow algorithms; and critical information highlighted in a second color. A bound-in CD-ROM contains hundreds of NCLEX®-style questions—including alternate-item format questions—with answers and rationales.

Anatomy & Physiology Made Incredibly Easy!

The Book That Gets You Results A thorough review with practice exercises in every chapter Includes more than 1,100 sample questions on disk The only NCLEX-RN review that follows the organization of the test

Books in Print, 2004-2005

This newly expanded 5th edition of Lippincott's Alternate-Format Questions has everything you need to be fully prepared to answer every type of question you will encounter on the NCLEX. More than 350 questions include multiple reponse questions, drag-and-drop questions, hotspot questions, audio questions, chart questions, graphic option questions, and fill-in-the blank questions. Also includes a comprehensive test with an additional 150 questions. The rationale are clear and detailed and cover correct as well as incorrect answers. In this new edition, the test-taking strategies are expanded, to help you dissect each question to its core components and provide keys to choosing the right answer. Covers all the topics covered on the exam.

American Nursing Review

This card deck provides more than 200 review questions for the five nursing areas covered in the NCLEX-PN—fundamentals, medical-surgical nursing, psychiatric-mental health nursing, maternal-neonatal nursing, and pediatric nursing—plus a comprehensive test of 85 questions in random order. Each card has an NCLEX-style question on the front and the correct answer and rationale on the back. The Third Edition includes new NCLEX alternative item format questions that require students to select more than one correct response, fill in the blank, or identify an area on a picture. The cards are now shrink-wrapped with a hole punch and ring.

Springhouse Review for NCLEX-PN.

NCLEX-PN 250 New-format Questions

Completely revised and updated, the Second Edition of Fundamentals of Nursing Made Incredibly Easy! presents essential nursing fundamentals in the easy-to-read, fun-to-learn format that is popular with nurses, nursing students, and faculty. The book provides comprehensive coverage of the theoretical foundations of nursing, the nursing process, basic nursing skills, physiologic patient care, and the latest nursing concepts, including evidence-based practice and critical thinking. Specific topics covered include oxygenation, self-care and hygiene, mobility and exercise, comfort from pain, rest and sleep, skin integrity, nutrition, and urinary and bowel elimination. Abundant illustrations, call-outs, end-of-chapter quizzes reinforce reading and highlight age-related considerations, risks and complications, and provide tips for documentation and patient-teaching.

Springhouse Review for NCLEX-RN.

Pathophysiology Made Incredibly Easy! Third Edition provides up-to-the-minute, comprehensive information on pathophysiology in a practical, easy-to-understand, and entertaining manner. Chapters cover cancer, infection, immune disorders, genetics, and disorders of each body system, highlighting pathophysiologic processes, resulting signs and symptoms, diagnostic test findings, and current treatments. Reader-friendly features include illustrations, checklists, and full-color miniguides illustrating the pathophysiology of specific disorders. This edition has new full-color miniguides on cancer pathophysiology and neuropathology. A new Focus on Genetics feature identifies gene-related discoveries and their implications for treatment or diagnosis. Review questions and answers follow current NCLEX-RN requirements and alternate-format questions are included.

Nclex 2000

Thoroughly updated for its Second Edition, this review guide gives students practice and confidence in answering the five types of "alternate-format" questions used on the current NCLEX-PN®—multiple-response multiple-choice questions, fill-in-the-blank items, chart/exhibit items, drag and drop, and questions based on illustrations. The book contains 250 alternate-format questions covering all the major topics on the exam—fundamentals, medical-surgical, maternal-neonatal, pediatric, and psychiatric nursing. Questions appear in the left-hand column and answers appear in the right-hand column. Answers include rationales for correct and incorrect responses, as well as the applicable nursing process step, client needs category and subcategory, and cognitive level. Test-taking tips are also included.

NCLEX-RN Questions & Answers Made Incredibly Easy!

The completely redesigned fourth edition of this comprehensive study guide for nursing students offers extra content, updated case studies, and a CD-ROM with 750 NCLEX-style practice questions. It also helps with optimum exam preparation with the inclusion of key facts key study points in shaded boxes, spot check questions posed randomly throughout the book to verify understanding, and quick study text boxes with memory tips such as mnemonic devices and limericks. Also included are numerous charts and illustrations, as well as handy appendices covering topics such as patient positioning, recommended childhood immunization and NANDA taxonomy of nursing diagnoses.

Lippincott's NCLEX-RN Review Cards

The 4th Edition of this popular, easy-to-use guide delivers the practical, clinically oriented content you need to deliver safe

and effective health care in hospital and home settings. Thoroughly revised and updated, you'll have access to even more of the commonly-used by rarely memorized clinical information that nurses and students need.

Test Success

Be Prepared for the NCLEX-RN with This Unique Study Guide! NCLEX-RN in a Flash presents information in a user-friendly, one-page flowchart approach for how to prepare, read, answer, and understand questions on the NCLEX exam. Students are presented with a subject, are given concepts and pointers about the subject, and are then presented with a question, the answer, the rationale, and the specific exam blueprint area in which the question falls. NCLEX-RN in a Flash will enable you to tackle even the toughest questions on the NCLEX exam!

Springhouse NCLEX-PN Review Cards

Print+CourseSmart

Lippincott Certification Review: Medical-Surgical Nursing

NCLEX-PN Questions & Answers Made Incredibly Easy! is an NCLEX test review and practice book that provides more than 3000 questions and answers. The book is divided into six parts that cover all the major areas included on the NCLEX-PN examination. Part 1 explains the NCLEX-PN examination itself. It discusses studying and test-taking strategies and describes the test format in detail. Parts 2 through 5 cover each of the four major categories of PN nursing practice: adult care, psychiatric care, maternal-neonatal care and care of the child. Part 6 focuses on coordinated care. The book also includes four 85-question comprehensive examinations with answers, rationales, and client needs information. Elements of the

popular Incredibly Easy! Series(TM) are incorporated, including tips and advice given by Nurse Joy and other cartoon characters. The book has a two-column format, with questions on the left side of the page and corresponding answers on the right.

NCLEX Review 4000

The thoroughly updated edition reflects the current NCLEX test plan and contains more than 5,000 test questions to help students practice taking the exam. The book contains more questions than any other NCLEX-RN review and includes more pharmacology-related questions.

Lippincott's NCLEX-RN PassPoint Powered by PrepU Access Code

NCLEX-RN QUESTIONS & ANSWERS MADE INCREDIBLY EASY!, 7E is designed to help pre-licensure nursing students prepare for the licensing examination. This book and its accompanying electronic resources feature thousands of questions at the application level or above to prompt active learning and higher-order thinking. The book's seven parts cover the basics of NCLEX test construction and how students should prepare, the four major content areas of pre-licensure programs (medical-surgical, psychiatric/mental health, maternity, and pediatrics), a section on issues in nursing, and three comprehensive tests of varying lengths that help simulate the actual NCLEX experience. The questions align with the National Council of State Boards of Nursing (NCSBN) 2016 RN test plan. Throughout the book, the Made Incredibly Easy design, art, and captions help to engage students and present a fun, relaxed, encouraging, and supportive learning experience. Other features include the use of all the types of alternate-format questions and detailed rationale for both correct and incorrect answers.
