The tenth-anniversary edition of the book that changed lives in profound ways, now with a new foreword and afterword. In 2006, a groundbreaking feature-length film revealed the great mystery of the universe—The Secret—and, later that year, Rhonda Byrne followed with a book that became a worldwide bestseller. You'll begin to understand the hidden, untapped power that's within you, and this revelation can bring joy to every aspect of your life. The Secret contains wisdom from modern-day teachers—men and women who have used it to achieve health, wealth, and happiness. By applying the knowledge of The Secret, they bring to light compelling stories of eradicating disease, acquiring massive wealth, overcoming obstacles, and achieving what many would regard as impossible.

Day by Day with Bhagavan

Divine Revelations Of A Sai Devotee

Shri Sai Satcharita

Sathya Sai Baba was born in 1926, and is a teacher of wisdom, a weaver of stories, metaphorical and allegorical, about the nature and destiny of humanity. He speaks of Atma, the eternal Spirit within, the Self, the breath of God that animates everyone: deathless, fadeless, ageless, infinite, indestructible, unbounded,

unchanging, unlimited. Hard to describe a thing so vast and luminous, but it is really the Lamp of Love. Sathya Sai Baba is one of the most majestic spiritual teachers. His stories paint the inner beauty of the Self -- its delight, its allure, its Love -- and how that Self may be realized and lived fully, sublimely, abundantly.

The Buddha and His Dhamma

The Buddha and His Dhamma was B.R. Ambedkar's last work. Published posthumously, it presented a radical reorientation of Buddhist thought and literature, aptly called navayana. It deals with Ambedkar's conceptualization of Buddhism and the possibilities it offered for liberation and upliftment of the Dalits. It presents his reflections on the life of the Buddha, his teachings, and the spread of Buddhism by interweaving anecdotes with detailed analyses of the religion's basic tenets. The author also includes important elements of the Buddhist canon and tradition to make the teachings more accessible. In the first critical and annotated edition of this work, the editors address the on-going debate on Ambedkar's interpretation of the Buddha's dhamma by focusing on the accuracy of his citations and providing missing sources. They also discuss Ambedkar's modification of source materials. The introduction contextualizes the scholarly work related to the text.

Renowned Devotees of Sai Baba

Shri Mataji writes that "India is a very ancient country and it has been blessed by many seers and saints who wrote treatises about reality and guidelines on how to achieve it." This is just such a book. This book is both an introduction to Sahaja Yoga, describing the nature of the subtle reality within each of us, and a step-by-step handbook on how to be a good Sahaja Yogi, the nature of Sahaj culture, how to be a leader and how to raise children. "The knowledge of Sahaja Yoga cannot be described in a few sentences or one small book, but one should understand that all this great work of creation and evolution is done by some great subtle organization, which is in the great divine form."

You Can Win

This book is a collection of the sayings and teachings of Baba, that are highlighted in the experiences of the devotees as they interacted with Him. Through direct intervention in their lives, and the use of parables, He led them to spiritual growth. Like the caring parent that He is, He used love and humour to help His devotees understand profound philosophical and spiritual ideas. These ideas were expressed in simple language, and often seen in Practice in their ordinary day-to-day experiences, so that devotees were unaware that they were acquiring bodha paddhati. Bodha is instruction, or perception, and paddhati is protocol or steps of a ritual.

Be Here Now

Who am I? is the title given to a set of questions and answers bearing on Self-enquiry. The questions were put to Bhagavan Sri Ramana Maharshi by Sri M. Sivaprakasam Pillai, about the year 1902. Sri Pillai, a graduate in philosophy, was at the time employed in the Revenue Department of the South Arcot Collectorate. During his visit to Tiruvannamalai in 1902 on official work, he went to Virupaksha Cave on Arunachala Hill and met the Maharshi there. He sought from him spiritual guidance and solicited answers to questions relating to Self-enquiry. As Bhagavan was not talking then, not because of any vow he had taken but because he did not have the inclination to talk, he answered questions put to him by writing. As

recollected and recorded by Sri Sivaprakasam Pillai, there were thirteen questions and answers to them given by Bhagavan. This record was first published by Sri Pillai in 1923 (in the original Tamil), along with a couple of poems composed by himself relating how Bhagavan's grace operated in his case by dispelling his doubts and by saving him from a crisis in life.
