## **Chicken Soup for the Soul: New Moms**

Where was your soul before you were born? If your soul is immortal, did it have a "life" prior to birth? Did you choose your life and parents? Is reincarnation real? Elizabeth and Neil Carman, the authors of *Cosmic Cradle*, address these questions through interviews with adults and children who report pre-birth experiences (PBEs) not based on regression, hypnosis, or drugs. Instead, interviewees recall their pre-birth existence completely sober and awake. In contrast to near-death experiences (NDEs), which have been well documented to show us what the soul experiences after death, PBEs throw light upon our lives before birth. People with NDEs sense that they "return home" when their spirits cross to the other side. What is the nature of this place we "return" to? PBEs suggest that we come from the same place we return to: we come from the Light and return to the Light. The same eternal "you" progresses through life before life, human life, and life after death. This new edition of *Cosmic Cradle* explores your soul's journey into your mother's womb--where your soul comes from, the origin and purpose of your life, and the process by which you entered an earthly body. In pre-birth communications, parents meet a soul seeking to cross over from the heavenly realm to human birth. Persons with pre-birth memories recall existence in a luminous world before birth, in which they preview the upcoming life with a Divine Planner, and recall

### **Soul Searching**

Every single parent has a different story to tell, but a common thread of hope and comfort unites them all.

### **Chicken Soup for the Single Parent's Soul**

The idea of the pre-existence of the soul has been extremely important, widespread, and persistent throughout Western history--from even before the

## File Type PDF Stories Of The Unborn Soul The Mystery And Delight Of Pre Birth Communication

philosophy of Plato to the poetry of Robert Frost. *When Souls Had Wings* offers the first systematic history of this little explored feature of Western culture. Terryl Givens describes the tradition of pre-existence as "pre-heaven"--the place where unborn souls wait until they descend to earth to be born. And typically it is seen as a descent--a falling away from a happier and untroubled state into the turbulent and sinful world we know. The title of the book refers to the idea put forward in antiquity that our souls begin with wings, and that only after shedding those wings do we fall to earth. The book not only traces the history of the idea of pre-existence, but also captures its meaning for those who have embraced it. Givens describes how pre-existence has been invoked to explain "the better angels of our nature," including the human yearning for transcendence and the sublime. Pre-existence has been said to account for why we know what we should not know, whether in the form of a Greek slave's grasp of mathematics, the moral sense common to humanity, or the human ability to recognize universals. The belief has explained human bonds that seem to have their own mysterious prehistory, salved the wounded sensibility of a host of thinkers who could not otherwise account for the unevenly distributed pain and suffering that are humanity's common lot, and has been posited by philosophers and theologians alike to salvage the principle of human freedom and accountability. *When Souls had Wings* underscores how durable (and controversial) this idea has been throughout the history of Western thought, the theological dangers it has represented, and how prominently it has featured in poetry, literature, and art.

From Madonna to Deepak Chopra, celebrities have been recording and embracing Rumi's poetry for the past two decades, creating a resurgence of interest in this 14th century Sufi mystic. Rumi's Little Book of Life is a beautiful collection of 196 poems by Rumi, previously unavailable in English. Translated by native Persian speakers, Maryam Mafi and Azima Melita Kolin, this collection will appeal to Rumi lovers everywhere. This collection of mystical poetry focuses on one of life's core issues: coming to grips with the inner life. During the course of life, each of us is engaged on an inner journey. Rumi's Little Book of Life is a guidebook for that journey. The poetry is a companion for those who consciously enter the inner world to explore the gardens within--out of the everyday "world of dust"--through an ascending hierarchy that restores one's soul to the heart; the heart of the spirit; and in finding spirit, transcending all.

## **Cosmic Cradle, Revised Edition**

Posing as a folklore-tour guide, Valya Svetlova takes a group of American college students and their professor, Chris Waller, to her summer home in the

## File Type PDF Stories Of The Unborn Soul The Mystery And Delight Of Pre Birth Communication

Russian village of Vishenky for a few nights of supernatural phenomena. She works hard to appear a perfect hostess. Valya doesn't want anyone to discover she harbors selfish motives when it comes to one participant, the only person who can refute a wicked tale declaring her a stillborn resurrected by a paranormal entity, a puppet in someone's horror show destined to perish in the otherworldly dimension. Within hours of their arrival, Valya learns that the students, too, foster some dangerous agendas. Her nascent feelings toward the handsome professor inhibit her ability to control the supernatural manifestations and her inquisitive guests. When her unforeseen affection turns Chris into a target of the malevolent forces, Valya faces the excruciating reality. It's no longer in her human power to ensure her guests' safety. But to keep Chris and the students alive, Valya must brush off her humanity and become something she fights so desperately to prove she is not. A soulless monster.

weeks and first few years, and everything in between!

## **When Souls Had Wings**

While most people throughout history have believed that we are both physical and spiritual beings, the rise of science has called into question the existence of the soul. Many now argue that neurophysiology demonstrates the radical dependence, indeed, identity, between mind and brain. Advances in genetics and in mapping human DNA, some say, show there is no need for the hypothesis of body-soul dualism. Even many Christian intellectuals have come to view the soul as a false Greek concept that is outdated and unbiblical. Concurrent with the demise of dualism has been the rise of advanced medical technologies that have brought to the fore difficult issues at both edges of life. Central to questions about abortion, fetal research, reproductive technologies, cloning and euthanasia is our understanding of the nature of human personhood, the reality of life after death and the value of ethical or religious knowledge as compared to scientific knowledge. In this careful treatment, J. P. Moreland and Scott B. Rae argue that the rise of these problems alongside the demise of Christian dualism is no coincidence. They therefore employ a theological realism to meet these pressing issues, and to present a reasonable and biblical depiction of human nature as it impinges upon critical ethical concerns. This vigorous philosophical and ethical defense of human nature as body and soul, regardless of whether one agrees or disagrees, will be for all a touchstone for

# File Type PDF Stories Of The Unborn Soul The Mystery And Delight Of Pre Birth Communication

debate and discussion for years to come.

## **Dear Child**

favourite most treasured gift off all time.

## **Expecting**

A breathtaking voyage to the frontiers of life! True stories from parents and others reveal an awe-inspiring phenomenon. Children-to-be reach out to their future parents in many ways, even giving help and guidance on the journey to birth. These illuminating stories of contact before birth-and before conception-cast a new light on everything from parenthood, soul agreements, and life planning, to the unsuspected role of grandparents in the soul world. Including accounts from people who actually remember their pre-birth existence, this book may change the way you look at yourself, your family, and life itself.

## **Symbol Stories for Children of All Ages**

If we are spiritual beings, where did our spirits originate? Did they flare into existence at the moment we were born? Or did they have a spiritual beginning and come from a spiritual place?With this provocative query, New York Times #1 bestselling author Richard Eyre begins a remarkable discussion of our spiritual origins. He draws upon a host of sources -- from C. S. Lewis to T. S. Eliot, New and Old Testament scripture, apocryphal writings from the first century, the popular spiritualism of Thomas Moore and James Redfield, using common experiences like intuition and deja vu, and most pointedly from his own spiritual experiences and promptings to argue that we existed previous to

## File Type PDF Stories Of The Unborn Soul The Mystery And Delight Of Pre Birth Communication

our birth, not as animals or other people, but as ourselves. Written in the pragmatic style for which he is known, this book suggests how readers can come to a knowledge of the age of their souls and then how such a knowledge can radicalize their sense of self and their relationships with others.

### **Stories and Sketches**

It's time to take back what the devil has stolen and put God back into our culture. Phil Robertson, patriarch of A&E's Duck Dynasty and one of the most recognized voices of conservative Christianity in America, believes that little by little, generation by generation, America has allowed the lines of morality, decency, and virtue to be erased. Our values have disappeared as we began to believe lies—such as that God is dead, truth is relative, and unity is impossible—that have brought discord, division and protest. But Phil also believes that things can change. Writing with captivating storytelling and unflinching honesty, Phil shows how to make America a God-honoring nation once more: by dropping the ten central lies that rule our day and taking up the ten truths that will bring peace of mind, harmony, and prosperity back to our country. *The Theft of America's Soul* is a prophetic wake-up call for all who desire to see our nation thrive. And it is also an invitation to experience the life-giving, peace-filling, wholly-transforming love of God.

### **Rumi's Little Book of Life**

## File Type PDF Stories Of The Unborn Soul The Mystery And Delight Of Pre Birth Communication

Every year, millions of women wait with anticipation as they watch their test strip change from white to pink, thus beginning the awesome adventure of becoming a mother. This latest Chicken Soup book will find a place in the loving hearts and anxious minds of expectant mothers (and some fathers, too!).

### **Spiritual Rhythm**

"Guided by the narrative of her mother's tragic loss of a son years earlier, Mira Ptacin confronts an unexpected pregnancy with a child who has no chance of survival outside the womb. At age twenty-eight, Mira Ptacin discovered she was pregnant. Though it was unplanned, she soon embraced the pregnancy and became engaged to Andrew, the father. Five months later, an ultrasound revealed birth defects that would give the child no chance of survival outside the womb. Mira was given three options: terminate her pregnancy, induce early delivery, or wait and inevitably miscarry. Mira's story is woven together with the story of her mother, who emigrated from Poland, also at the age of twenty-eight, and adopted a son, Julian. Julian would die tragically, bringing her an unimaginable grief. A memoir about loss and self-preservation, grief and recovery, and mothers and daughters, *Poor Your Soul* is a beautiful examination of free will, love, and the fierce bonds of family"--

### **Stories of the Unborn Soul**

The Sages always told stories to convey some of the

## File Type PDF Stories Of The Unborn Soul The Mystery And Delight Of Pre Birth Communication

deepest secrets about God and His relation to the creation. Rebbe Nachman practiced this ancient method to perfection. More elaborate than any of his previous teachings, the stories are fast-moving, richly structured and filled with penetrating insights -- while spellbinding and entertaining. Rabbi Kaplan's translation is accompanied by a masterful commentary drawn from the works of Rebbe Nachman's pupils. For the first time the English-speaking reader has access to authentic interpretations of the stories.

### **The Seventh Wave and Other Soul-stories**

### **Bond with Your Baby Before Birth**

### **Poor Your Soul**

An absorbing novel of romance and revolution, loyalty and family, sacrifice and undying love We have three souls, or so I'd been told. But only in death could I confirm this. So begins the haunting and captivating tale, set in 1935 China, of the ghost of a young woman named Leiying, who watches her own funeral from above and wonders why she is being denied entry to the afterlife. Beside her are three souls—stern and scholarly yang; impulsive, romantic yin; and wise, shining hun—who will guide her toward understanding. She must, they tell her, make amends. As Leiying delves back in time with the three

## File Type PDF Stories Of The Unborn Soul The Mystery And Delight Of Pre Birth Communication

souls to review her life, she sees the spoiled and privileged teenager she once was, a girl who is concerned with her own desires while China is fractured by civil war and social upheaval. At a party, she meets Hanchin, a captivating left-wing poet and translator, and instantly falls in love with him. When Leiyin defies her father to pursue Hanchin, she learns the harsh truth—that she is powerless over her fate. Her punishment for disobedience leads to exile, an unwanted marriage, a pregnancy, and, ultimately, her death. And when she discovers what she must do to be released from limbo into the afterlife, Leiyin realizes that the time for making amends is shorter than she thought. Suffused with history and literature, *Three Souls* is an epic tale of revenge and betrayal, forbidden love, and the price we are willing to pay for freedom.

### **Body & Soul**

### **Cosmic Cradle**

In this book of 101 inspirational stories, contributors share their personal angel experiences of faith, miracles, and answered prayers, which will amaze and inspire you. ### **In a Canadian Canoe, The Nine Muses Minus One, and Other Stories**

“Abide in me,” Jesus tells us, “and you will bear much fruit.” Yet too often we forget that fruit needs different seasons in order to grow. We measure our spiritual maturity by how much we do rather than how we are responding to our current spiritual season. In *Spiritual Rhythm*, Mark Buchanan replaces our spirituality of busyness with a spirituality of abiding. Sometimes we are busy, sometimes still, sometimes pushing with all we’ve got, sometimes waiting. This model of the spiritual life measures and produces growth by asking: Are we living in rhythm with the season we are in? With the lyrical writing for which he is known, Mark invites us to respond to every season of the heart, whether we are flourishing and fruitful, stark and dismal, or cool and windy. In comparing spiritual rhythms to the seasons of the year, he shows us what to expect from each season and how embracing the seasons causes our spiritual lives to prosper. As he draws on the powerful words of Scripture, Mark explores what activities are suitable or necessary in each season—and what activities are

## File Type PDF Stories Of The Unborn Soul The Mystery And Delight Of Pre Birth Communication

useless or even harmful in that season. Throughout the book, Mark weaves together stories of young and old, men and women, families, couples, and individuals who are in or have been through a particular season of the heart. As Mark writes, "I pray that this book meets you in whatever season you're in, and prepares you for whatever seasons await. I pray that it helps you find your voice, your stride, your rhythm, in season or out. Mostly, I pray that you, with or without my help, find Christ wherever you are. And that, even more, you discover that wherever you are, he's found you."
