Network Bible Club Story Book One

This book investigates the forms and functions of storytelling in everyday conversation. It develops a rhetoric of everyday storytelling through an integrated approach to both the internal structure and the contextual integration of narrative passages. It aims at a more complete picture of oral narrative through analysis of a wider range of natural data, including personal anecdotes told for humor, put-down stories told for self-aggrandizement, family stories retold to ratify membership and so on, as well as marginal stories and narrative-like passages to delineate the boundaries of conversational storytelling and to test the analytical techniques proposed. Using transcriptions of stories from everyday talk, Norrick explores disfluencies, formulaicity and repetition as teller strategies and listener cues alongside global phenomena such as retelling and narrative macrostructures. He also extends his analysis to narrative jokes from conversation and to narrative passages in drama, namely Shakespeare's "Romeo & Juliet" and Beckett's "Endgame."

Announcements and Catalogue

From legendary playwright August Wilson comes the powerful, stunning dramatic bestseller that won him critical acclaim, including the Tony Award for Best Play and the Pulitzer Prize. Troy Maxson is a strong man, a hard man. He has had to be to survive. Troy Maxson has gone through life in an America where to be proud and black is to face pressures that could crush a man, body and soul. But the 1950s are yielding to the new spirit of liberation in the 1960s, a spirit that is changing the world Troy Maxson has learned to deal with the only way he can, a spirit that is making him a stranger, angry and afraid, in a world he never knew and to a wife and son he understands less and less. This is a modern classic, a book that deals with the impossibly difficult themes of race in America, set during the Civil Rights Movement of the 1950s and 60s. Now an Academy Award-winning film directed by and starring Denzel Washington, along with Academy Award and Golden Globe winner Viola Davis.

The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his

followers. With an introduction by Nick Cave

The Play of Daniel Keyes' Flowers for Algernon

Generations ago, humans retreated deep underground after an environmental disaster ruined the world above. Nature is now simulated through brain-implanted chips, and fertility is regulated to keep the surviving population in balance. Anna and Oliver want to have a baby, and their options are running out.

Drama Schemes, Themes & Dreams

This is a powerful dramatisation of Daniel Keyes's perceptive and sad novel. Charlie is a retarded adult who desperately wants to be able to read and write. He undergoes a brain operation which increases his intelligence. Yet such an operation begs many questions--can Charlie's emotional development keep pace with the intellectual? How do the psychiatrists and psychologists view Charlie--as a man or as the subject of an experiment like the mouse, Algernon? And the biggest question of all--will the operation be successful?

stories, the authors show how clearly dramas are constructed. They move from the simple use of TiR (Teacher in Role) to more complex, full dramas, using traditional stories including Little Bo Peep, Cinderella, Sleeping Beauty, Humpty Dumpty, The Pied Piper, The Billy Goats Gruff and Hansel and Gretel. Drama in the early years covers a number of key areas where drama is of particular importance for this age group including: * drama in the National Curriculum * how drama can help your teaching of the Literacy Hour * personal and social education and citizenship * drama and special needs * assessment * recording and progression * developing a school policy for drama.

Introducing drama to the learning experience is guaranteed to enrich a child's development, and is an especially effective approach for children with special educational needs, including those with autism spectrum disorders. This practical handbook offers teachers an array of simple and easy-to-implement theatrical techniques that will enhance students' learning and encourage artistic expression. The author demonstrates how dramatic play doesn't have to be restricted to drama lessons and can be applied to a diverse range of school subjects and recreational settings. 'The Little Red Hen', for example, covers themes that are relevant to literacy (rhyming and rhythm), maths (counting seeds), science (discussing farming), and art lessons (designing costumes). Step-by-step lesson plans take teachers through every aspect of running fun and engaging story dramas,

The issue of moral instructions in schools and at homes is threatened with extinction. Consequently, so many youths are involved in prostitution, drug addictions, cultism, fraudulent practices, armed robberies and other crimes. Those who are supposed to be trained as leaders in various walks of life are the ones posing serious threats to many lives. Many parents who fail to add moral values to the upbringing of their children often times breed potential criminals under their roofs without knowing it. Apart from these, many other people negatively influence young ones through the media, music, publications, films, conduct and foul language; making them to lose their moral and family values. This book one just like the rest of other volumes is an attempt to bring back moral instructions into schools and campuses through the use of stories, hymn tuned songs, poems, Bible lessons and class activities. It is designed to assist

Story Drama in the Special Needs Classroom

This remarkable collection of resources shows teachers how to guide their students through the drama process. Drama Schemes, Themes & Dreams offers a comprehensive outline of improvisation and interpretation strategies that teachers can incorporate in classroom instruction. Organized around universal themes that invite students to make connections to texts and to each other, the book encourages students to consider their own identities and their place in the world. Each chapter is organized around a framework that will engage students as they experience a wealth of dramatic activity. This practical and useful book features a host of sources for improving classroom instruction, including scripts, monologues, poetry, novel excerpts, and visual images. Strategy Schemes provide a framework for structuring the learning. Pieces written expressly for inclusion in this book are contributed by experienced educators and artists. The selected strategies enrich the meaning-making, creative process, and critical skills that students need to succeed in school and in life. New and experienced teachers in all subject areas will find the help they need to create meaningful and innovative learning

The Variety Insider

Designed to trick the eye and stimulate the imagination, special effects have changed the way we look at films and the worlds created in them.

Computer-generated imagery (CGI), as seen in Hollywood blockbusters like Star Wars, Terminator 2, Jurassic Park, Independence Day, Men in Black, and The Matrix, is just the latest advance in the evolution of special effects. Even as special effects have been marveled at by millions, this is the first investigation of their broader cultural reception. Moving from an exploration of nineteenth-century popular science and magic to the Hollywood science fiction cinema of our time, Special Effects examines the history, advancements, and connoisseurship of special effects, asking what makes certain types of cinematic effects special, why this matters, and for whom.

Michele Pierson shows how popular science magazines, genre filmzines, and computer lifestyle magazines have articulated an aesthetic criticism of this emerging art form and have helped shape how these hugely popular on-screen technological wonders have been viewed by moviegoers.

The Gospel According to Mark

A midwestern noir series set in the harsh landscape of the northern Minnesota Iron Range--Hot Lunch Special is all about family, food and the fight for survival. The Khourys are a classic immigrant success story: A

fractious and quarrelsome Lebanese family who carved their slice of the American Dream by becoming the largest distributors of vending machine sandwiches in the upper northern Midwest. Unfortunately, the Khourys gains have been ill-gotten and a branch of the Chicago Irish Mob has come back to collect a past debt. Fealty is demanded, shots are fired, and long-hidden family secrets are fully revealed. Now, Dorothy Khoury, the daughter of the family patriarch is forced to unite her splintered bloodline and fight back. Only one question is worth asking: is blood thicker than sandwiches?

How Drama Activates Learning

The Crisis, founded by W.E.B. Du Bois as the official publication of the NAACP, is a journal of civil rights, history, politics, and culture and seeks to educate and challenge its readers about issues that continue to plague African Americans and other communities of color. For nearly 100 years, The Crisis has been the magazine of opinion and thought leaders, decision makers, peacemakers and justice seekers. It has chronicled, informed, educated, entertained and, in many instances, set the economic, political and social agenda for our nation and its multi-ethnic citizens.
