Selena Taylor is an American citizen determined to find her grandparents after she loses her family to the violence of the drug cartel in Mexico. Crossing the border into Texas turns out to be the easy part. Virtually penniless and enticingly innocent, she soon finds herself at the mercy of Travis Blake. Travis is a hard-working, self-made rancher that has never known love or softness of any kind. His only use for women is sexual, and Selena is caught on his ranch with no way out. While Selena plots her escape from his control, Travis ruthlessly and methodically tightens his possession and makes it impossible for her to leave. The struggle that follows is a clash of wills that pits purity against passion, virtue against vice and love against lust.
