The Latest discovery provides evidence that the housing crisis was indeed intentionally inflicted on a select demographic using watergate methodologies such as the intentional breach of Executive Orders 13519, Civil Rights Deprivation, and concealment of Ponzi schemes, in plain sight; Ironically on July 11, 2018 President Trump replaced Executive Order 13519, with Executive Order 13844 and made Rod Rosenstein the Chair. Coincidentally, when Rod Rosenstein served as the US Attorney General for the District of Maryland, he created the Maryland Mortgage Task force in violation of Executive Order 13519, and concealed the Ponzi scheme purchase of Fidelity National Financial which is the "Lakewood Real Estate Scandal" stemming from New Jersey (Causal Connection). This Matter deals with how Judge John P. Davey, PG County Circuit Court Judge and former Managing Director of a Law Firm whose client was Fidelity National Financial, used the prestige of his position as a Circuit Court Judge to Human Traffick my son's, in Violation of A Federal A Remand order of a civil rights action to the Court of Special Appeals. Judge Davey is being sued, for writing an order in the complete absence of Legal Jurisdiction, because His Order Caused My Son's to be displaced from March 07, 2014 to the Present. Judicial Officers in the Fourth Circuit and the US District Court covered up for Rod Rosenstein and Judge Davey Act of Whistleblower Reprisal, and are "Insider Threats" to the United States of America.

As a freelance writer, Jack Naile was used to getting an occasional letter from one of his readers, but when one of those readers sent him a clipping from a magazine, it would not only change his life, but could alter the course of history as well. The clipping had a photo, taken in Nevada in 1903, of a street scene, including a story with a sign, "Jack Naile's General Merchandise." Intrigued, Jack phoned the Nevada town's historian and asked for more information. When the historian sent him a photo of the 19th century Jack Naile, what had seemed like an interesting coincidence immediately became much more bizarre. The four people in the photo, dressed in the style of the time, were unmistakably Jack, his wife, their grown son and teenage daughter. Jack decided he would have to take a trip to that town to investigate further. And if he and his family were

With his inimitable sense of humor and storytelling talent, New York Times bestselling author Michael Korda brings us this charming, hilarious, self-deprecating memoir of a city couple's new life in the country. At once entertaining, canny, and moving, *Country Matters* does for Dutchess County, New York, what *Under the Tuscan Sun* did for Tuscany. This witty memoir, replete with Korda's own line drawings, reads like a novel, as it chronicles the author's transformation from city slicker to full-time country gentleman, complete with tractors, horses, and a leaking roof. When he decides to take up residence in an eighteenth-century farmhouse in Dutchess County, ninety miles north of New York City, Korda discovers what country life is really like: Owning pigs, more than

owning horses, even more than owning the actual house, firmly anchored the Kordas as residents in the eyes of their Pleasant Valley neighbors. You may own your land, but without concertina barbed wire, or the 82nd Airborne on patrol, it's impossible to keep people off it! It's possible to line up major household repairs over a tuna melt sandwich. And everyone in the area is fully aware that Michael "don't know shit about septics." The locals are not particularly quick to accept these outsiders, and the couple's earliest interactions with their new neighbors provide constant entertainment, particularly when the Kordas discover that hunting season is a year-round event -- right on their own land! From their closest neighbors, mostly dairy farmers, to their unforgettable caretaker Harold Roe -- whose motto regarding the local flora is "Whack it all back! " -- the residents of Pleasant Valley eventually come to realize that the Kordas are more than mere weekenders. Sure to have readers in stitches, this is a book that has universal appeal for all who have ever dreamed of owning that perfect little place to escape to up in the country, or, more boldly, have done it.
