Integrating the discipline of martial arts and Zen wisdom, the author utilizes special visualization techniques, mind-body exercises, and inspiration to help individuals find the path to mastery

Grove's Dictionary of Music and Musicians

Set in modern day Southwestern Ontario, a police detective investigating a high profile double murder stumbles on a motive that dates back over 350 years and points to the Vatican

Europe 1450 to 1789: Tasso to Zwingli; index

Amazon, Apple, Facebook e Google sono le quattro aziende più influenti del mondo. Quasi tutti pensano di sapere come lo sono diventate. Quasi tutti si sbagliano. Sulle Quattro è stato scritto moltissimo in questi vent'anni, ma nessuno ha indagato più a fondo di Scott Galloway le ragioni del loro potere e del loro successo. Anziché prendere per buoni i miti che le Quattro si sforzano di tramandare sul proprio conto, l'autore scava più a fondo e si pone alcune domande fondamentali. Come hanno fatto queste aziende a insinuarsi nella nostra vita in modo così capillare, rendendo praticamente impossibile evitarle (o boicottarle)? Perché il mercato azionario le ha perdonate per errori che avrebbero decretato il fallimento di qualsiasi altra impresa? E mentre aspettiamo di scoprire chi tra loro diventerà la prima azienda da mille miliardi di dollari della storia, si profila all'orizzonte qualcuno che sia in grado di competere con loro? Con lo stesso stile irriverente che ha fatto di lui uno dei docenti di business più stimati al mondo, Galloway ricostruisce le strategie impiegate dalle Quattro - in modo più veloce e più mirato di chiunque altro - per sfruttare gli istinti e le emozioni primordiali che orientano l'azione umana. E vi svela come applicare i principi del loro successo al vostro business o alla vostra carriera. Sia che vogliate competere o fare affari con loro, oppure semplicemente vivere nel mondo che dominano, dovete prima capire come funzionano le Quattro.

Goldoni and the Venice of His Time

Our Place in Christendom

The Renaissance studiolo was a space devoted in theory to private reading and contemplation, but at the Italian courts of the fifteenth century, it had become a space of luxury, as much devoted to displaying the taste and culture of its occupant as to studious withdrawal. The most famous studiolo of all was that of Isabella d'Este, marchioness of Mantua (1474-1539). A chief component of its decoration was a series of seven paintings by some of the most noteworthy artists of the time, including Andrea Mantegna, Pietro Perugino, Lorenzo Costa, and Correggio. These paintings encapsulated the principles of an emerging Renaissance artistic genre--the mythological image. Using these paintings as an exemplary case, and drawing on other important examples made by Giorgione in Venice and by Titian and Michelangelo for the Duke of Ferrara, Stephen Campbell explores the function of the mythological image within a Renaissance culture of readers and collectors.

Italian Literature before 1900 in English Translation

Pulitzer Prize-winning author Annie Proulx brings the immigrant experience to life in this stunning novel that traces the ownership of a simple green accordion. E. Annie Proulx's *Accordion Crimes* is a masterpiece of storytelling that spans a century and a continent. Proulx brings the immigrant experience in America to life through the eyes of the descendants of Mexicans, Poles, Africans, Irish-Scots, Franco-Canadians and many others, all linked by their successive ownership of a simple green accordion. The music they make is their last link with the past—voice for their fantasies, sorrows and exuberance. Proulx's prodigious knowledge, unforgettable characters and radiant language make *Accordion Crimes* a stunning novel, exhilarating in its scope and originality.

Accordion Crimes

A Servant of Two Masters

Mastery

In his highly provocative first book, Scott Galloway pulls back the curtain on exactly how Amazon, Apple, Facebook, and Google built their massive empires. While the media spins tales about superior products and designs, and the power of technological innovation, Galloway exposes the truth: none of these four are first movers technologically - they've either copied, stolen, or acquired their ideas. Readers will come away with fresh, game-changing insights about what it takes to win in today's economy. Print run 125,000.

History of the United Netherlands

Online version of the 6-volume work, published: New York : Charles Scribner's Sons, 2004.

Dubbi sull'efficacia de' conduttori elettrici. [Four letters from F. M. Bragadin in answer to one by G. Scaguller upon an accident by lightning to the Palazzo Gritti at Visnadel.]

Italian Literature before 1900 in English Translation provides the most complete record possible of texts from the early periods that have been translated into English, and published between 1929 and 2008. It lists works from all genres and subjects, and includes translations wherever they have appeared across the globe. In this annotated bibliography, Robin Healey covers over 5,200 distinct editions of pre-1900 Italian writings. Most entries are accompanied by useful notes providing information on authors, works, translators, and how the translations were received. Among the works by over 1,500 authors represented in this volume are hundreds of editions by Italy's most translated authors - Dante Alighieri, Machiavelli, and Boccaccio - and other hundreds which represent the author's only English translation. A significant number of entries describe works originally published in Latin. Together with Healey's Twentieth-Century Italian Literature in English Translation, this volume makes comprehensive information on translations accessible for schools, libraries, and those interested in comparative literature.

Leopardi in Pisa

Italian course . v. 2

Journal of the Institute of Romance Studies

Presents literary criticism on the works of writers of the period 1400-1800. Critical essays are selected from leading sources, including published journals, magazines, books, reviews, diaries, broadsheets, pamphlets, and scholarly papers. Criticism includes early views from the author's lifetime as well as later views, including extensive collections of contemporary analysis.

Easter-Myste res

The Granite Cutters' Journal

This rollicking comedy follows the adventures of Truffaldino, a servant, as he tries to fulfill the requests of two masters at the same time. Throw in a love story, some

disguises, and a heaping handful of silliness for the perfect night at the theater. Revived in a new version from playwright Niclas Olson, Truffaldino and company are back in this hilarious romp. Laugh! Love! Laugh some more! (5M, 3W, 2M or F)

Reference Guide to World Literature: Authors

The Headgear Worker

Newly translated for this edition. A young Frenchman, Joseph Timar, travels to Gabon carrying a letter of introduction from an influential uncle. He wants work experience; he wants to see the world. But in the oppressive heat and glare of the equator, Timar doesn't know what to do with himself, and no one seems inclined to help except Adèle, the hotel owner's wife, who takes him to bed one day and rebuffs him the next, leaving him sick with desire. But then, in the course of a single night, Adèle's husband dies and a black servant is shot, and Timar is sure that Adèle is involved. He'll cover for the crime if she'll do what he wants. The fix is in. But Timar can't even begin to imagine how deep. In *Tropic Moon*, Simenon, the master of the psychological novel, offers an incomparable picture of degeneracy and corruption in a colonial outpost.
