The Mirror Crack'd

Native American Animal Stories

On the Historical Personages of Chaucer's Squire's Tale and of the Spurious "Chaucers Dreme."

This book traces the efforts of one of the world's top neurosurgical teams to understand the human brain in ever-deeper ways. Its dramatic focus is a state called the standstill, where the patient has no breath, no heartbeat, no blood flow, no viable temperature, and no brain waves or other activity that clinically define life. In *The Healing Blade*, patients are taken down to death itself and brought back again.

Under the Ice Blades

A true story of a neurosurgeon and a pianist In 2001 the brilliant young concert pianist Aaron McMillan was diagnosed with a rare type of brain tumour and given six weeks to live. He was just 24 years old. He underwent 12 hours of emergency surgery; days later he was back at the piano, preparing to perform. Years later, he was still performing. His doctor was Charlie Teo, one of Australia's most celebrated and controversial neurosurgeons. Charlie's specialty is inoperable brain tumours and his radical techniques have earned him praise around the world. But in his own country he is regarded by some as reckless and even dangerous. Aaron McMillan presented Charlie with his most challenging case yet. In return, Charlie Teo gave Aaron hope. Life In His Hands is the remarkable true story of a medical maverick and an artist who refused to be daunted by death. It is a book full of heartache and joy and scientific marvels, written by a journalist who found that with some stories, staying on the sidelines is the hardest thing to do.

Life In His Hands

The Healing Blade

Sam lives with his Mum, Dad, sister and the family dog, Patch. It's the school holidays, and Sam's Mum buys him a toy bubble making gun and encourages him to try it out in the backyard. Read along as the biggest bubble Sam has ever seen takes him on the ride of his life! Sam and the Biggest Bubble is a 30 page illustrated children's book written by Brendon Blade and illustrated by Christine Gibson.

The Healing Path

A guide to transforming illness into a spiritual journey presents material culled from interviews with forty individuals in search of healing to recount the symptoms, the diagnosis, the doctor, the search for medicine, the alternatives, the inner work, and the vision quest.

Education on the Internet

Kit Colbana: assassin, thief, investigator extraordinaire. Now broken. She always expected her past to catch up with her but never like this. Haunted by nightmares and stripped of her identity, she's retreated to Wolf Haven, the no-man's land where she found refuge years before. But while she might want to hide away from the rest of the world, the rest of the world isn't taking the hint. Dragged kicking and screaming back into life, Kit is thrust head-first into an investigation surrounding the theft of an ancient relicone that she wants nothing to do with. Her instincts tell her it's a bad idea to just leave the relic lying about, but finding it might be just as bad. Forced to face her nightmares, she uncovers hidden strength and comes face to face with one of the world's original monsters. If she survives the job, she won't be the sameand neither will those closest to her.

Broken Blade

Second Sight (Second Tale of the Lifesong)

The Prioresses Tale

Yogi, a small, scrappy Jack Russell terrier, has a pain in the neck, and after a month in the hospital, he still can't walk. Charlie, a charismatic rescued racing thoroughbred, has a bad back and can no longer stand the weight of a saddle. Mikey's posttraumatic stress syndrome transforms this wise feline into an anxious fellow who rips out clumps of belly hair. The mysterious tortoise Sheldon T. has disappeared, leaving only questions in his muddy wake, and Angel, an achingly beautiful, otherworldly cockatoo, has strange symptoms that defy every antibiotic known to science. Meet just a few of the compelling, complex characters in *The Last Chance Dog*, a twenty-first-century *All Creatures Great and Small* filled with entertaining, instructive, and moving true-life tales from the files of a pioneering holistic veterinarian. Dr. Donna Kelleher recounts her most intriguing cases as she takes us through the intuitive art of diagnosing animals and effecting miraculous cures with safe, natural treatments that succeed where conventional medicine has failed. Holistic medicine is their last chance, and over and over again, Kelleher heals with the gentle powers of acupuncture, animal nutrition, herbal treatments, and chiropractic. Her stories of unforgettable, ailing animals -- and the people who fight to save them -- are truly inspirational as she transforms the animals' health and the lives of those who love them. *The Last Chance Dog* includes advice on everything from vaccinations and commercial pet foods to step-by-step instructions for simple, safe remedies for a multitude of common conditions, including allergies, digestive problems, urinary tract infections, pain, hot spots, itchy skin, fear, and anxiety.

Canterbury Tales

After admitting to killing King Shandor in the Cotti courts and assassinating Prince Lerton, second in line to the throne, in order to ensure Kerrion's ascension, the Queen's Blade is shot in the back by a Cotti spy and almost dies on the journey home from Jadaya. In the border camp, a Cotti assassin tries to kill Blade again, using a poisoned weapon, and the assassin seems bound to die this time. Queen Minna-Satu sends her physician to accompany him on the journey to Jondar, achieved despite winter snows. Blade recovers, and Minna-Satu names him Lord Protector of Jashimari. Although still incapacitated, the assassin faces a challenge for his title of Master of the Dance from a rival Dance Master during Jondar's last days. As two armies converge upon the doomed city, the young Queen Minna-Satu prepares to make the ultimate sacrifice and save her people from slavery and slaughter by placing King Kerrion's new-born daughter on the Jashimari throne. Blade's unwanted wife, Chiana, first advisor to the Queen, is chosen as regent, and she tries to glean some small gestures of affection from her glacial husband before the end, for he will surely die when his enemy reaches Jondar. The Queen's advisors rail against her plan to sully her bloodline with a half blood queen, but the Idol of the Beasts has told her it is the only way to prevent her kingdom's destruction. The Princess' life is in danger from plotting Jashimari lords who wish the war to continue, and Blade seeks a painless death, fearing a torturous one as his enemy approaches
