Just Do Something

People -- frustrating, confusing, disappointing, complicated -- are the most difficult

Read Online The Porn Antidote Attachment Gods Secret Weapon For Crushing Porns Grip And Creating The Life And Marriage You Dream Of

part of leadership, and they challenge leaders everywhere, from leaders of many to managers of a few. In this book Chuck DeGroat addresses the flawed nature of people and offers wisdom for leaders of all types in dealing with just about anyone who is difficult to lead and to love. *Toughest People to Love* explores the basics of how people "tick," encouraging leaders to examine and take care of themselves so that they can better understand and care for others. Based on DeGroat's wealth of experience as a pastor, professor, and therapist, this book -- both wise and practical -- is one that countless leaders will go back to time and again for valuable insights and renewed vision.

In the Realm of Hungry Ghosts

“Erica Garza has written a riveting, can’t-look-away memoir of a life lived hardcore...In an era when predatory male sexual behavior has finally become a topic of urgent national discourse...Getting Off makes for a wild, timely read” (Elle). A fixation on porn and orgasm, strings of failed relationships and serial hook-ups with strangers, inevitable blackouts to blunt the shame—these are not things we often hear women share publicly, and not with the candor, eloquence, and introspection Erica Garza brings to *Getting Off*. What sets this courageous and riveting account apart from your typical misery memoir is the absence of any precipitating trauma beyond the garden variety of hurt we’ve all had to endure in simply becoming a person—reckoning with family, learning to be social, integrating

Read Online The Porn Antidote Attachment Gods Secret Weapon For Crushing Porns Grip And Creating The Life And Marriage You Dream Of

what it means to be sexual. Whatever tenor of violence or abuse Erica's life took on through her behavior was of her own making, fueled by fear, guilt, self-loathing, self-pity, loneliness, and the hopelessness those feelings brought on as she runs from one side of the world to the other in an effort to break her habits—from East Los Angeles to Hawaii and Southeast Asia, through the brothels of Bangkok and the yoga studios of Bali to disappointing stabs at therapy and twelve-steps back home. In these remarkable pages, Garza draws an evocative, studied portrait of the anxiety that fuels her obsessions, as well as the exhilaration and hope she begins to feel when she suspects she might be free of them. *Getting Off* offers a brave and necessary voice to our evolving conversations about addiction and the impact that internet culture has had on us all—"a profoundly genuine, gripping story that any reader can appreciate" (Vice). "In reading Garza's insight into her own experiences, we better understand ourselves" (The New York Times Book Review).

Yellow Woman and a Beauty of the Spirit

For so long, Christians have looked at lust and pornography as "men's" issues. Statistics indicate that more and more women are struggling with this as well. What's it like to be a woman with this struggle in the church? How do you find freedom? How do you find healing? Can God still love you? Will He still use you? Christian writer and speaker, Jessica Harris, answers these questions by walking the reader through her own journey, from the rags of pornography to the riches of

grace.

The Nubian Prince

Named to ten BEST OF THE YEAR lists and selected as a William C. Morris Award Winner, *The Serpent King* is the critically acclaimed, much-beloved story of three teens who find themselves--and each other--while on the cusp of graduating from high school with hopes of leaving their small-town behind. Perfect for fans of John Green's *Turtles All the Way Down*. "Move over, John Green; Zentner is coming for you." —The New York Public Library "Will fill the infinite space that was left in your chest after you finished *The Perks of Being a Wallflower*." —BookRiot.com Dill isn't the most popular kid at his rural Tennessee high school. After his father fell from grace in a public scandal that reverberated throughout their small town, Dill became a target. Fortunately, his two fellow misfits and best friends, Travis and Lydia, have his back. But as they begin their senior year, Dill feels the coils of his future tightening around him. His only escapes are music and his secret feelings for Lydia--neither of which he is brave enough to share. Graduation feels more like an ending to Dill than a beginning. But even before then, he must cope with another ending--one that will rock his life to the core. Debut novelist Jeff Zentner provides an unblinking and at times comic view of the hard realities of growing up in the Bible belt, and an intimate look at the struggles to find one's true self in the wreckage of the past. "A story about friendship, family and forgiveness, it's as

Read Online The Porn Antidote Attachment Gods Secret Weapon For Crushing Porns Grip And Creating The Life And Marriage You Dream Of

funny and witty as it is utterly heartbreaking.” —PasteMagazine.com “A brutally honest portrayal of teen life . . . [and] a love letter to the South from a man who really understands it.” —Mashable.com “I adored all three of these characters and the way they talked to and loved one another.”—New York Times

A Companion to Wolves

Bold and impassioned, sharp and defiant, Leslie Marmon Silko's essays evoke the spirit and voice of Native Americans. Whether she is exploring the vital importance literature and language play in Native American heritage, illuminating the inseparability of the land and the Native American people, enlivening the ways and wisdom of the old-time people, or exploding in outrage over the government's long-standing, racist treatment of Native Americans, Silko does so with eloquence and power, born from her profound devotion to all that is Native American. *Yellow Woman and a Beauty of the Spirit* is written with the fire of necessity. Silko's call to be heard is unmistakable; there are stories to remember, injustices to redress, ways of life to preserve. It is a work of major importance, filled with indispensable truths--a work by an author with an original voice and a unique access to both worlds.

The Sympathizer

Creating a safe haven for each other in a marriage can enable a couple to weather any storm. However, that accomplishment is certainly easier said than done. Two psychologists present a detailed blueprint for establishing a marital safe haven so that couples can count on each other and avoid criticizing, blaming and shutting out their partners during tough times.

Clean

Once a worker for an idealistic aid group, a disillusioned Moises Froissard now spends his life seeking the world's most beautiful men, women, and children from among the illegal immigrants, refugees, and dispossessed for Club Olympus, an exclusive international sex club, in a compelling novel about the international sex trade. Reprint. 10,000 first printing.

The Serpent King

Anthropology is the study of all humans in all times in all places. But it is so much more than that. "Anthropology requires strength, valor, and courage," Nancy Scheper-Hughes noted. "Pierre Bourdieu called anthropology a combat sport, an extreme sport as well as a tough and rigorous discipline. It teaches students not to be afraid of getting one's hands dirty, to get down in the dirt, and to commit

yourself, body and mind. Susan Sontag called anthropology a "heroic" profession." What is the payoff for this heroic journey? You will find ideas that can carry you across rivers of doubt and over mountains of fear to find the the light and life of places forgotten. Real anthropology cannot be contained in a book. You have to go out and feel the world's jagged edges, wipe its dust from your brow, and at times, leave your blood in its soil. In this unique book, Dr. Michael Wesch shares many of his own adventures of being an anthropologist and what the science of human beings can tell us about the art of being human. This special first draft edition is a loose framework for more and more complete future chapters and writings. It serves as a companion to anth101.com, a free and open resource for instructors of cultural anthropology. This 2018 text is a revision of the "first draft edition" from 2017 and includes 7 new chapters.

When Narcissism Comes to Church

Read Online The Porn Antidote Attachment Gods Secret Weapon For Crushing Porns Grip And Creating The Life And Marriage You Dream Of

Why won't God reveal his special will for my life already? Because he doesn't intend to So says Kevin DeYoung in this punchy book about making decisions the godly way. Many of us are listening for the still small voice to tell us what's next instead of listening to the clear voice in Scripture telling us what's now. God does have a will for your life, but it is the same as everyone else's: Seek first the kingdom of God. And quit floundering. With pastoral wisdom and tasteful wit, DeYoung debunks unbiblical ways of understanding God's will and constructs a simple but biblical alternative: live like Christ. He exposes the frustrations of our waiting games and unfolds the freedom of finding God's will in Scripture and then simply doing it. This book is a call to put down our Magic 8-Balls and pick up God's Word. It's a call to get wisdom, follow Christ, be holy, and live freely. To just do something.

The Mighty Man Manual

Siam Mapped

I'm being pulled in a thousand different directions. As a therapist, Chuck DeGroat hears that line all the time. "I hear it from students and software developers," he says. "I hear it from spiritual leaders and coffee baristas. And I hear it from my own

inner self.” We all feel that nasty pull to and fro, the frantic busyness that exhausts us and threatens to undo us. And we all think we know the solution — more downtime, more relaxation, more rest. And we’re all wrong. As DeGroat himself has discovered, the real solution to what pulls us apart is wholeheartedness, a way of living and being that can transform us from the inside out. And that’s what readers of this book will discover too.

The Holy Spirit and Christian Experience

This paperback edition includes an exclusive conversation between Bill and Giuliana Rancic, hosts of NBC’s Ready for Love, and Tracy McMillan, one of its expert matchmakers. This new relationship show features three of America’s most eligible guys searching for their soul mates. If you’re looking to get married and you’re not, there’s most likely a very good reason: you. Hey, you’re certainly not a bad person! You just haven’t yet become the woman you need to be in order to have the partnership you want. That’s where this book comes in. Based on her wildly popular Huffington Post article, Tracy McMillan’s Why You’re Not Married . . . Yet dishes out no-holds-barred practical wisdom for women hoping to head down the aisle. And this new edition features even more candid advice and sisterly insight. McMillan points out the behaviors that might be in your blind spot and shows you how to adjust them to get the relationship you deserve. Do any of these chapter headings sound familiar? • You’re a Bitch: How defensiveness can hide

Read Online The Porn Antidote Attachment Gods Secret Weapon For Crushing Porns Grip And Creating The Life And Marriage You Dream Of

behind a tough exterior, and why being nice is never a sign of weakness. • You're a Liar: How to stop lying to men—and get honest with yourself—about the kind of relationship you really want. • You're Selfish: The big secret about marriage: It's about giving something, not getting it. A funny, insightful guide, *Why You're Not Married . . .* Yet will change your life and the way you think about relationships, and it may very well lead you down the aisle. "Very wise . . . Give this book to every single girlfriend [you] have."—Marie Claire "Equal parts BFF, boot-camp instructor, and relationship guru, Tracy McMillan will change the way you think about yourself and your relationships. This book is for every woman out there who wants to have a great marriage."—Ricki Lake

Everything Is F*cked

In *The Holy Spirit and Christian Experience*, Simeon Zahl presents a fresh vision for Christian theology that foregrounds the relationship between theological ideas and the experiences of Christians. He argues that theology is always operating in a vibrant landscape of feeling and desiring, and shows that contemporary theology has often operated in problematic isolation from these experiential dynamics. He then argues that a theologically serious doctrine of the Holy Spirit not only authorizes but requires attention to Christian experience. Against this background, Zahl outlines a new methodological approach to Christian theology that attends to the emotional and experiential power of theological ideas. This methodology draws

Read Online The Porn Antidote Attachment Gods Secret Weapon For Crushing Porns Grip And Creating The Life And Marriage You Dream Of

on recent interdisciplinary work on affect and emotion, which has shown that affects are powerful motivating realities that saturate all dimensions of human thinking and acting. In the process, Zahl also explains why contemporary theology has often been ambivalent about subjective experience, and demonstrates that current discourse about God's activity in the world is often artificially abstracted from experience and embodiment. At the heart of the book, Zahl proposes a new account of the theology of grace from this experiential and pneumatological perspective. Focusing on the work of the Holy Spirit in salvation and sanctification, he retrieves insights from Augustine, Luther, and Philip Melancthon to present an affective and Augustinian vision of salvation as a pedagogy of desire. In articulating this vision, Zahl engages critically with recent emphasis on participation and theosis in Christian soteriology, and charts a new path forward for Protestant theology in a landscape hitherto dominated by the theological visions of Barth and Aquinas.

The God-Shaped Brain

Winner of the 2016 Pulitzer Prize for Fiction Winner of the 2016 Edgar Award for Best First Novel Winner of the 2016 Andrew Carnegie Medal for Excellence in Fiction "[A] remarkable debut novel . . . [Nguyen] brings a distinctive perspective to the war and its aftermath. His book fills a void in the literature, giving voice to the previously voiceless . . . The nameless protagonist-narrator, a memorable

character despite his anonymity, is an Americanized Vietnamese with a divided heart and mind. Nguyen's skill in portraying this sort of ambivalent personality compares favorably with masters like Conrad, Greene, and Le Carré. . . . Both thriller and social satire. . . . In its final chapters, *The Sympathizer* becomes an absurdist tour de force that might have been written by a Kafka or Genet."—Philip Caputo, *New York Times Book Review* (cover review) The winner of the 2016 Pulitzer Prize for Fiction, as well as seven other awards, *The Sympathizer* is the breakthrough novel of the year. With the pace and suspense of a thriller and prose that has been compared to Graham Greene and Saul Bellow, *The Sympathizer* is a sweeping epic of love and betrayal. The narrator, a communist double agent, is a "man of two minds," a half-French, half-Vietnamese army captain who arranges to come to America after the Fall of Saigon, and while building a new life with other Vietnamese refugees in Los Angeles is secretly reporting back to his communist superiors in Vietnam. *The Sympathizer* is a blistering exploration of identity and America, a gripping espionage novel, and a powerful story of love and friendship.

The Upward Spiral

From the #1 New York Times bestselling author of *The Underground Railroad* A pandemic has devastated the planet, sorting humanity into two types: the uninfected and the infected, the living and the living dead. After the worst of the plague is over, armed forces stationed in Chinatown's Fort Wonton have

Wholeheartedness

Based on Gabor Maté's two decades of experience as a medical doctor and his groundbreaking work with the severely addicted on Vancouver's skid row, *In the Realm of Hungry Ghosts* radically reenvision this much misunderstood field by taking a holistic approach. Dr. Maté presents addiction not as a discrete phenomenon confined to an unfortunate or weak-willed few, but as a continuum that runs throughout (and perhaps underpins) our society; not a medical "condition" distinct from the lives it affects, rather the result of a complex interplay among personal history, emotional, and neurological development, brain chemistry, and the drugs (and behaviors) of addiction. Simplifying a wide array of brain and addiction research findings from around the globe, the book avoids glib self-help remedies, instead promoting a thorough and compassionate self-

Read Online The Porn Antidote Attachment Gods Secret Weapon For Crushing Porns Grip And Creating The Life And Marriage You Dream Of

understanding as the first key to healing and wellness. In the Realm of Hungry Ghosts argues persuasively against contemporary health, social, and criminal justice policies toward addiction and those impacted by it. The mix of personal stories—including the author's candid discussion of his own "high-status" addictive tendencies—and science with positive solutions makes the book equally useful for lay readers and professionals.

A young nobleman chosen to become a wolfdar, a warrior bonded to a fighting wolf, Isolfr is bound to Viradectis, a queen wolf, as they confront a powerful force of trolls, wyverns, and other supernatural creatures that threatens the complaisant human holdings. Reprint.

Getting Off

Many evangelical churches face the problem of the open "back door"--even as new people arrive, older members are leaving, looking for something else. Combined with this problem is the discipleship deficit, the difficult truth that most evangelicals are not reaching the unchurched at the rates they think they are. In fact, many of the metrics that we often "count" in the church to highlight success

Read Online The Porn Antidote Attachment Gods Secret Weapon For Crushing Porns Grip And Creating The Life And Marriage You Dream Of

really don't tell us the full story of a church's spiritual state. Things like attendance, decisions, dollars, and experiences can tell us something about a church, but not everything. To cultivate a spiritually healthy church we need a shift in our metrics--a "grace-shift" that prioritizes the work of God in the lives of people over numbers and dollars. Are people growing in their esteem for Jesus? Is there a dogged devotion to the Bible as the ultimate authority for life? Is there a growing interest in theology and doctrine? A discernible spirit of repentance? And perhaps most importantly, is there evident love for God and for our neighbors in the congregation? Leading a church culture to shift from numerical success to the metrics of grace can be costly, but leaders who have conviction, courage, and commitment can lead while avoiding some of the landmines that often destroy churches. Wilson includes diagnostic questions that will help leaders measure--and lead team transparency in measuring as a group--the relative spiritual health of their church, as well as a practical prescriptive plan for implementing this metric-measuring strategy without becoming legalistic. Most attractional church models can lean heavily on making changes to the weekend worship gatherings. And while some of these changes can be good, thriving grace-focused churches are driven by a commitment to the gospel, allowing the gospel to inform and shape the worship service and the various ministries of the church.

You have been called to a life of sexual success! Every Christian man is born into a sexual war. The enemy attacks the young, hoping to scar them permanently and leave them ruined. But your past is not enough to keep you from the enduringly clean life you want and deserve. Clean is a priceless, no-nonsense resource for every husband, father, brother, son, friend, pastor, and Christian leader on the front lines of this war. It is a soldier's handbook for those ready to reclaim their homes, churches, and nations for the God who has built them to succeed. Dr. Doug Weiss has been clean for more than twenty-five years, and he has devoted his life to helping other men achieve victory. "This book," says Dr. Weiss, "contains tested and tried weapons for you to get and stay clean, not for a week, month or year, but for the rest of your life." Clean provides you with biblical, practical, dependable weapons for seizing and maintaining a clean life for yourself and those you love. You will even be equipped to reach out to your brothers-in-arms and teach them to walk with you in cleanness. "If the Devil wants war, bring it on!" says Dr. Weiss. Join the battle! Your sexual life is worth fighting for!

porn hijacks your "3 -Brains", deal with the core issues driving you to look at porn (it's not just lust), and unveil a blueprint for restoring your marriage. You will see how God designed us to connect with Him and with each other is a powerful antidote to porn's seduction. I have been helping men and couples find freedom from porn for over 18 years. Crack the cover to learn practical tips and proven strategies you can implement today. This easy-to-read guide contains everything you need to crush porn's grip and repair your marriage. If you only apply 10% of what you read you will see significant changes in your battle with porn. Read the first two chapters- if it isn't transforming then put it down. I'm betting you won't be able to. "Carl and Christ helped save our marriage. Working with Carl gave my wife and I the tools to better love each other. When we first met Carl my wife was drowning in pain. We are now closer than we've ever been and this closeness is running over to improve our whole family. Carl has been a great guide to reveal what Christ wants for us. thanks, Carl!" "I have learned that my pornography addiction is an escapism tool that I have been implementing for over half of my life. We have been able to root out the deeper issues, and I have learned that the way I feel about myself is much worse than how Jesus feels about me. I like how Jesus feels about me better!" "I would recommend this book to anyone wanting to know more about the subject, someone struggling with the addiction and their spouse/significant other for a better understanding of the addiction"

Wired for Intimacy

Read Online The Porn Antidote Attachment Gods Secret Weapon For Crushing Porns Grip And Creating The Life And Marriage You Dream Of

The bestselling author of *Hold Me Tight* presents a revolutionary new understanding of why and how we love, based on cutting-edge research. Every day, we hear of relationships failing and questions of whether humans are meant to be monogamous. *LOVE SENSE* presents new scientific evidence that tells us that humans are meant to mate for life. Dr. Johnson explains that romantic love is an attachment bond, just like that between mother and child, and shows us how to develop our "love sense"--our ability to develop long-lasting relationships. Love is not the least bit illogical or random, but actually an ordered and wise recipe for survival. *LOVE SENSE* covers the three stages of a relationship and how to best weather them; the intelligence of emotions and the logic of love; the physical and psychological benefits of secure love; and much more. Based on groundbreaking research, *LOVE SENSE* will change the way we think about love.

Love Sense

From the author of the international mega-bestseller *The Subtle Art of Not Giving A F*ck* comes a counterintuitive guide to the problems of hope. We live in an interesting time. Materially, everything is the best it's ever been—we are freer, healthier and wealthier than any people in human history. Yet, somehow everything seems to be irreparably and horribly f*cked—the planet is warming, governments are failing, economies are collapsing, and everyone is perpetually

Read Online The Porn Antidote Attachment Gods Secret Weapon For Crushing Porns Grip And Creating The Life And Marriage You Dream Of

offended on Twitter. At this moment in history, when we have access to technology, education and communication our ancestors couldn't even dream of, so many of us come back to an overriding feeling of hopelessness. What's going on? If anyone can put a name to our current malaise and help fix it, it's Mark Manson. In 2016, Manson published *The Subtle Art of Not Giving A F*ck*, a book that brilliantly gave shape to the ever-present, low-level hum of anxiety that permeates modern living. He showed us that technology had made it too easy to care about the wrong things, that our culture had convinced us that the world owed us something when it didn't—and worst of all, that our modern and maddening urge to always find happiness only served to make us unhappier. Instead, the “subtle art” of that title turned out to be a bold challenge: to choose your struggle; to narrow and focus and find the pain you want to sustain. The result was a book that became an international phenomenon, selling millions of copies worldwide while becoming the #1 bestseller in 13 different countries. Now, in *Everything Is F*cked*, Manson turns his gaze from the inevitable flaws within each individual self to the endless calamities taking place in the world around us. Drawing from the pool of psychological research on these topics, as well as the timeless wisdom of philosophers such as Plato, Nietzsche, and Tom Waits, he dissects religion and politics and the uncomfortable ways they have come to resemble one another. He looks at our relationships with money, entertainment and the internet, and how too much of a good thing can psychologically eat us alive. He openly defies our definitions of faith, happiness, freedom—and even of

Read Online The Porn Antidote Attachment Gods Secret Weapon For Crushing Porns Grip And Creating The Life And Marriage You Dream Of

hope itself. With his usual mix of erudition and where-the-f*ck-did-that-come-from humor, Manson takes us by the collar and challenges us to be more honest with ourselves and connected with the world in ways we probably haven't considered before. It's another counterintuitive romp through the pain in our hearts and the stress of our soul. One of the great modern writers has produced another book that will set the agenda for years to come.

The Gospel-Driven Church

Depression can feel like a downward spiral, pulling you into a vortex of sadness, fatigue, and apathy. In *The Upward Spiral*, neuroscientist Alex Korb demystifies the intricate brain processes that cause depression and offers a practical and effective approach to getting better. Based on the latest research in neuroscience, this book provides dozens of straightforward tips you can do every day to rewire your brain and create an upward spiral towards a happier, healthier life. Whether you suffer from depression or just want a better understanding of the brain, this book offers an engaging and informative look at the neuroscience behind our emotions, thoughts, and actions. The truth is that there isn't one big solution to depression, but there are numerous simple steps you can take to alter brain activity and chemistry. Some are as easy as relaxing certain muscles to reduce anxiety, or getting more sunlight to improve your mood. Small steps in the right direction can have profound effects—giving you the power to become your best self as you

literally reshape your brain, one small change at a time.

Zone One

Lyombe Eko carries out an historical and cultural survey of the regulation of visual depictions of explicit human sexual conduct from their earliest appearance on the clay tablets of the valley of the Tigris and Euphrates rivers in ancient Mesopotamia, to the tablet computers of Silicon Valley. The Regulation of Sex-Themed Visual Imagery analyzes the contemporary problem of the applicability of the human right of freedom of expression to explicit imagery in the face of societal interests in the regulation of representations of human sexuality. This book will be of interest to scholars, students, and broad audiences interested in comparative studies in pornography regulation, the history of pornography, the law of pornography and obscenity, and visual culture and history alike.

The Expulsive Power of a New Affection

Chuck DeGroat has been counseling pastors with Narcissistic Personality Disorder, as well as those wounded by narcissistic leaders, for over twenty years. Offering compassion and hope for both narcissists themselves and those affected by its destructive power, DeGroat takes a close look at this insidious issue and imparts wise counsel for churches looking to heal from its systemic effects.

Toughest People to Love

#1 NEW YORK TIMES BESTSELLER • In *Sapiens*, he explored our past. In *Homo Deus*, he looked to our future. Now, one of the most innovative thinkers on the planet turns to the present to make sense of today's most pressing issues. "Fascinating . . . a crucial global conversation about how to take on the problems of the twenty-first century."—Bill Gates, *The New York Times Book Review* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY FINANCIAL TIMES AND PAMELA PAUL, KQED How do computers and robots change the meaning of being human? How do we deal with the epidemic of fake news? Are nations and religions still relevant? What should we teach our children? Yuval Noah Harari's *21 Lessons for the 21st Century* is a probing and visionary investigation into today's most urgent issues as we move into the uncharted territory of the future. As technology advances faster

Read Online The Porn Antidote Attachment Gods Secret Weapon For Crushing Porns Grip And Creating The Life And Marriage You Dream Of

than our understanding of it, hacking becomes a tactic of war, and the world feels more polarized than ever, Harari addresses the challenge of navigating life in the face of constant and disorienting change and raises the important questions we need to ask ourselves in order to survive. In twenty-one accessible chapters that are both provocative and profound, Harari builds on the ideas explored in his previous books, untangling political, technological, social, and existential issues and offering advice on how to prepare for a very different future from the world we now live in: How can we retain freedom of choice when Big Data is watching us? What will the future workforce look like, and how should we ready ourselves for it? How should we deal with the threat of terrorism? Why is liberal democracy in crisis? Harari's unique ability to make sense of where we have come from and where we are going has captured the imaginations of millions of readers. Here he invites us to consider values, meaning, and personal engagement in a world full of noise and uncertainty. When we are deluged with irrelevant information, clarity is power. Presenting complex contemporary challenges clearly and accessibly, *21 Lessons for the 21st Century* is essential reading. "If there were such a thing as a required instruction manual for politicians and thought leaders, Israeli historian Yuval Noah Harari's *21 Lessons for the 21st Century* would deserve serious consideration. In this collection of provocative essays, Harari . . . tackles a daunting array of issues, endeavoring to answer a persistent question: 'What is happening in the world today, and what is the deep meaning of these events?'"—BookPage (top pick)

Pronoia Is the Antidote for Paranoia

In this powerful sermon, Thomas Chalmers inspires Christians to remove the snares and tangles of sin—not through legalistic obedience but through the power of a new and greater affection for God. Chalmers reminds God’s saints that as sojourners living in this world, true power over the trials and sins of this life is found only in desiring Jesus Christ.

The Great Divorce

A stunning and provocative new novel by the internationally celebrated author of *The Blind Assassin*, winner of the Booker Prize. Margaret Atwood’s new novel is so utterly compelling, so prescient, so relevant, so terrifyingly-all-too-likely-to-be-true, that readers may find their view of the world forever changed after reading it. This is Margaret Atwood at the absolute peak of her powers. For readers of *Oryx and Crake*, nothing will ever look the same again. The narrator of Atwood's riveting novel calls himself Snowman. When the story opens, he is sleeping in a tree, wearing an old bedsheet, mourning the loss of his beloved Oryx and his best friend Crake, and slowly starving to death. He searches for supplies in a wasteland where insects proliferate and pigoons and wolvogs ravage the pleeblands, where ordinary people once lived, and the Compounds that sheltered the extraordinary. As he tries

to piece together what has taken place, the narrative shifts to decades earlier. How did everything fall apart so quickly? Why is he left with nothing but his haunting memories? Alone except for the green-eyed Children of Crake, who think of him as a kind of monster, he explores the answers to these questions in the double journey he takes - into his own past, and back to Crake's high-tech bubble-dome, where the Paradise Project unfolded and the world came to grief. With breathtaking command of her shocking material, and with her customary sharp wit and dark humour, Atwood projects us into an outlandish yet wholly believable realm populated by characters who will continue to inhabit our dreams long after the last chapter.

21 Lessons for the 21st Century

"In this how-to book, Rob Breznsny builds a case for 'cagey optimism,' a perspective which engages rather than represses difficulty and views the universe as inherently friendly"--Provided by publisher.

The Grip Book

Mindfulness will make sex better, more exciting, and more fulfilling. Good Sex shows you how. Jessica Graham is passionate about two things: sex and

meditation. In *Good Sex: Getting Off Without Checking Out*, she shares mindfulness practices that will make sex better, more exciting, and more fulfilling. *Good Sex* begins with basic meditation instructions from a variety of techniques, followed by mindfulness exercises delving into communication difficulties, and the fear, attachment, and shame that can come up around sex. By exploring how mindfulness can heal these emotional wounds, readers will bring about big spiritual awakenings and increase intimacy. Unafraid to touch on a wide variety of ways to be sexual, *Good Sex* includes issues such as open-eyed orgasms and threesomes and how to handle a partner with a low sex drive. The book comes from a down-to-earth and inclusive perspective, borrowing from Buddhism, Hinduism, and Christianity, but easily accessible to the secular community and those with no spiritual or mediation background. *Good Sex* is also for people who already have great sex and want to explore new ways of loving. Though a blend of personal stories, mindfulness teachings and techniques, and exercises putting the practices into action, this book is a tool kit for creating a rich and deeply satisfying sex life. *Good Sex* is fun, dirty, gentle, transcendent, simple, exciting, and transformative. *Good Sex* is an adventure. No matter what sexual challenges you are facing, *Good Sex* can help you grow, heal, and awaken. "Good Sex allows for evolution and flexibility. Humans are amazing creatures and what turns us on and gets us off can change many times throughout a life. *Good Sex* requires us to be willing to look with eyes wide open at our shadow self, our trauma, and our ingrained beliefs. *Good Sex* is neither being attached or indifferent. It is being fully present, without

grasping, for the amazing thing that happens when people decide to come together to do what we have been doing since the beginning of humankind. And Good Sex is hot as hell, let's not forget that."

The Art of Being Human

Nemona can't believe she's crashed on the planet Fyrian with the brooding, golden-skinned alien who destroyed her ship. She should want to kill him, but everything on Fyrian is an aphrodisiac so she just wants to have him. Now. Revenge. That's all commander Oten has wanted against humans for more than a century, ever since they tried to destroy his kind. He never thought he'd end up in bed with one. But the desire the sex planet stokes for this human female is eating at him. Keeping his hands, mouth, and vampiric fangs to himself proves impossible—especially when she's begging him to touch her. Nemona has no idea what endless sex with a Ssedez will do to her. But Oten knows all too well. They need to get off this planet before their coupling stirs an alien mating bond that neither of their hearts can withstand Each book in the Planet of Desire series is STANDALONE: * Toxic Desire * Captive Desire

What you believe about God actually changes your brain. Psychiatrist Tim Jennings unveils how our brains and bodies thrive when we have a healthy understanding of who God is. This expanded edition now includes a study guide to help you discover how neuroscience and Scripture come together to bring healing and transformation to our lives.

What Makes Love Last?

Neuroscientist and researcher William Struthers explains how pornography affects the male brain and what we can do about it. Exposing false assumptions, casting a vision for a redeemed masculinity and offering insights for both married and single men alike, this book offers hope for freedom from pornography and sanctification in our bodies.
