### **The Seer's Path**

Jesus and the Book of Acts are the standard of Normal Christianity. Remember the fad a few years ago when people wore bracelets reminding them, "What Would Jesus Do?" Christians state that Jesus is the example of how to live, yet this has been limited in many cases to how we view our moral character. When Christians tell me that they want to live like Jesus, I like to ask if they have multiplied food, healed the sick, walked on water, raised the dead, paid their taxes with fish money, calmed storms, and so forth. I typically receive bewildered looks, but that's what it is like to live like Jesus! Perhaps we are ignoring a large portion

of what living like Jesus really includes. While I agree that we are to live like Jesus, “Those who say they live in God should live their lives as Jesus did” (1 John 2:6 NLT). I am also aware that the application of Jesus’ model has been minimized to something that can be accomplished by living a moral life. Many Christians believe that they can live like Jesus without ever operating in the supernatural. After reading in the Bible about all of the miracles He performed, does that sound right to you? (Excerpt from book)

### **Discernment**

For some of us being a Christian is harder than it should be. Discouraged, anxious, worn down, we wonder what happened to the power and the joy that Jesus promised. Jim Cymbala believes that many of us are missing something vital. Christianity, he says, for even the best-intentioned person or church, is impossible without the Holy Spirit. You can have regular devotions, great preaching, a strong emphasis on the Bible, a great worship team, and a congregation that is trying, but if you aren’t vitally in touch with God’s Spirit, you are missing out on the life God has for you. The Holy Spirit, he points out, is God’s agent on earth. Yet he is the least understood, least preached about, and least discussed member of the Trinity. That is sad, because without him, our spiritual lives will always become dry, mechanical, and a struggle. Too often, the body of Christ is divided into two sides. One side stresses the Word of God, separating itself from what it views as the emotional fanaticism often linked to those emphasizing the Holy

Spirit. The other side is sometimes known for drifting into unbiblical manifestations and unorthodox teaching while attributing it all to the Spirit of God. But the Christianity we see in Scripture is both grounded in the Word and full of the Spirit. With stunning stories of how God is working in the lives of people and churches today and biblical teaching about the Holy Spirit, Jim Cymbala invites you to experience God in a fresh and vital way. Nothing else will change our prayer life, our study of God's word, and our worship more than opening our hearts to the Spirit. If we want power, confidence, joy, peace, and more love in our lives, then we need a better understanding of how and why the Spirit moves so we can join him there.

What you see of God is only part of the story. From the time Blake Healy was a small child, he has seen angels, demons, and other spiritual things. He sees them with his naked eyes, as vividly and clearly as anything else. Everyplace he goes, every person he meets, every day that goes by, he sees in the spirit. After thirty years of seeing in the spirit, one thing has consistently been the most painful for him to see. It is not when he sees someone trapped in demonic oppression. It is not when he sees the gaping wounds of emotional trauma. It is when he sees the goodness of God go unclaimed by His people. In this book Healy takes readers on a journey of rediscovering the goodness of God. It fills the churches we visit every week. It moves across the sea from nation to nation. All we have to do is learn how to see it and receive it, and then we will watch every corner of the world be completely transformed by the power of His profound good.
