It has been particularly challenging for Thormodsson, who has been charged with protecting the life of his high-born cousin. Stenvik is also home to solitary blacksmith Audun Arngrimsson, whose past hides many dark secrets. Soon, the conflict brewing between two factions of dangerous and determined men of the town threatens to sweep all of them, natives and visitors alike, into the jaws of war. As the Vikings learn, King Olav is marching on Stenvik from the east, determined to bring the White Christ to the masses at the point of his sword - even as a host of bloodthirsty raiders led by a mysterious woman sails from the north. Thormodsson and his companions will soon learn that in this conflict between the Old Gods and the new, there are enemies everywhere - outside
