Lonesome Animals

Brantley Walker has dedicated his life to fighting for his country. Having given seventeen years to the US Navy, the last ten as a SEAL, the mission was the only thing he knew, the only thing that mattered. He never even considered what life would look like after the mission was over. Until he's forced to. After spending months recovering from career-ending injuries, Brantley finds himself back in his hometown of Coyote Ridge, Texas. Now a permanent resident once again, with the full support of his family and friends, he sets forth to start over, forced to figure out what to do with the rest of his life, which, as it turns out, is far easier said than done. Then the unthinkable happens. When his cousin Travis's daughter is kidnapped, Brantley puts himself right back in the action, partnering up with Reese Tavoularis to find the little girl and bring her back home where she belongs. Along the way, Brantley and Reese end up immersed in another mission. Only this one results in a journey that takes them in a direction neither of them expected to go.

Even If It Kills Her

Agnes Mullins slowly regains consciousness next to a girl whom, despite unsettling familiar features, she swears she does not know. Agnes's only company in what seems to be a deserted office building in downtown Austin, Texas, is this familiar stranger. The only problem is that this girl happens to be dead. We follow Agnes as she attempts to piece together the events of the past 24 hours--along with her steadily unraveling mental and physical wellbeing. Her sanity has recently taken a backseat to the juggernaut of a failed first job which has shattered her once effervescent and supremely confident command of self and left her professional and social life held together with scotch tape that's slowly losing its hold. In the midst of it all, a fair, charismatic figure slices through the haze and confusion and provides the bedrock of strength Agnes needs to make all the pieces fit back together. Until even his very presence threatens to unhinge the last vestige of her already tenuous hold on reality.

The Divided City

"A gripping murder story and incandescent moral fable, set in hardscrabble Eastern Washington during the Great Depression." —The Seattle Times In *Lonesome Animals*, Arthur Strawl, a tormented former lawman, is called out of retirement to hunt a serial killer with a sense of the macabre who has been leaving elaborately carved bodies of Native Americans across three counties. As the pursuit ensues, Strawl's own dark and violent history weaves itself into the hunt, shedding light on the remains of his broken family: one wife taken by the river, one by his own hand; an adopted Native American son who fancies himself a Catholic prophet; and a daughter, whose temerity and stoicism contrast with the romantic notion of how the west was won. In the vein of *True Grit* and *Blood Meridian*, *Lonesome Animals* is a western novel reinvented, a detective story inverted for the west. It contemplates the nature of story and heroism in the face of a collapsing ethos—not only of Native American culture, but also of the first wave of white men who, through the battle against the geography and its indigenous people, guaranteed their own destruction. But it is also about one man's urgent, elegiac search for justice amidst the craven acts committed on the edges of civilization. "Call it literary fiction, classic western realism, or historical noir, Holbert is a writer of formidable skill and this auspicious debut should have considerable crossover appeal." —Publishers Weekly (starred review) "This book is audacious." —Kirkus Reviews

Netsuke

"A mesmerizing, head-spinning--and sometimes madcap-hilarious--take of have and have-nots."--People (Book of the Week) NAMED ONE OF THE BEST BOOKS OF THE YEAR BY REAL SIMPLE AND KIRKUS REVIEWS * "In the smart, breezy, sweet spot between Meg Wolitzer and Elin Hilderbrand."--Entertainment Weekly No matter what the world throws her way, at least Ruthie Beamish has the house. Located by the sea in a quiet Long Island village, the house is her nest egg--the retirement account shared with her ex-husband, Mike, and the college fund for their teenage daughter, Jem. The catch? To afford the house, Ruthie must let it go during the best part of the year. It's Memorial Day weekend and the start of what Jem calls "the summer bummer": the family's annual exodus to make way for renters. This year, the Hamptons set has arrived. Adeline Clay is elegant and connected--and will never need to worry about money. Before long, she demonstrates an uncanny ability to help herself to Ruthie's life. Is Adeline just being her fabulous self, or is she out to take what she wants? When an eccentric billionaire, his wayward daughter, a coterie of social climbers, and Ruthie's old flame are thrown into the mix, the entire town finds itself on the verge of tumultuous change. But as Ruthie loses her grasp on her job, her home, and her family, she discovers a new talent for pushing back. By the end of one unhinged, unforgettable summer, nothing will be the same--least of all Ruthie. Praise for *The High Season* "Blundell knows the territory. . . . Her account of Ruthie's coming to grips with a career, a daughter and a community in flux is as touching as it is convincing."--The Wall Street Journal "A huge page-turner . . . so compelling . . . a classic beach read, but very smart, very intelligently written."--Us Weekly, Emily Giffin's Summer Reading Recommendations "An acid-laced domestic drama set during one golden summer on the moneyed, beachy North Fork of Long

Island."--The New York Times "Judy Blundell wields words like an oyster knife in this shimmering story of art, money, and celebrity."--Helen Simonson, New York Times bestselling author of *The Summer Before the War* "A wry, often hilarious story of a woman trying to keep it together when everything is going so, so wrong."--Real Simple

Wool 4

A New York Times Bestseller A multigenerational saga of two families, who rose from immigrant roots to the pinnacle of wealth and power, that tracks the unraveling of American democracy. In *American Oligarchs*, award-winning investigative journalist Andrea Bernstein tells the story of the Trump and Kushner families like never before. Their journey to the White House is a story of survival and loss, crime and betrayal, that stretches from the Klondike Gold Rush, through Nazi-occupied Poland and across the American Century, to our new gilded age. In building and maintaining their dynastic wealth, these families came to embody the rising nationalism and inequality that has pushed the United States to the brink of oligarchy. Building on her landmark reporting for the acclaimed podcast *Trump, Inc.* and *The New Yorker*, Bernstein's painstaking detective work brings to light new information about the families' arrival as immigrants to America, their paths to success, and the business and personal lives of the president and his closest family members. Bernstein traces how the two families ruthlessly harnessed New York and New Jersey machine politics to gain valuable tax breaks and grew rich on federal programs that bolstered the middle class. She shows how the Trump Organization, denied credit by American banks, turned to shady international capital. She reveals astonishing new details about Charles Kushner's attempts to ensnare his brother-in-law with a prostitute and explores how Jared Kushner and his father used a venerable New York newspaper to bolster their business empire. Drawing on more than two hundred interviews and more than one hundred thousand pages of documents, many previously unseen or long forgotten, Bernstein shows how the Trumps and the Kushners repeatedly broke rules and then leveraged secrecy, intimidation, and prosecutorial and judicial power to avoid legal consequences. The result is a compelling narrative that details how the Trump and Kushner dynasties encouraged and profited from a system of corruption, dark money, and influence trading, and that reveals the historical turning points and decisions—on taxation, regulation, white-collar crime, and campaign finance laws—that have brought us to where we are today.

The Great Unraveling: Losing Our Way in the New Century

From Bill Minutaglio and Steven L. Davis, authors of the PEN Center USA award-winning *Dallas 1963*, comes a madcap narrative about Timothy Leary's daring prison escape and run from the law. On the moonlit evening of September 12, 1970, an ex-Harvard professor with a genius I.Q. studies a twelve-foot high fence topped with barbed wire. A few months earlier, Dr. Timothy Leary, the High Priest of LSD, had been running a gleeful campaign for California governor against Ronald Reagan. Now, Leary is six months into a ten-year prison sentence for the crime of possessing two marijuana cigarettes. Aided by the radical Weather Underground, Leary's escape from prison is the counterculture's union of "dope and dynamite," aimed at sparking a revolution and overthrowing the government.

Inside the Oval Office, President Richard Nixon drinks his way through sleepless nights as he expands the war in Vietnam and plots to unleash the United States government against his ever-expanding list of domestic enemies. Antiwar demonstrators are massing by the tens of thousands; homemade bombs are exploding everywhere; Black Panther leaders are threatening to burn down the White House; and all the while Nixon obsesses over tracking down Timothy Leary, whom he has branded "the most dangerous man in America." Based on freshly uncovered primary sources and new firsthand interviews, *THE MOST DANGEROUS MAN IN AMERICA* is an American thriller that takes readers along for the gonzo ride of a lifetime. Spanning twenty-eight months, President Nixon's careening, global manhunt for Dr. Timothy Leary winds its way among homegrown radicals, European aristocrats, a Black Panther outpost in Algeria, an international arms dealer, hash-smuggling hippies from the Brotherhood of Eternal Love, and secret agents on four continents, culminating in one of the trippiest journeys through the American counterculture.

Unraveling - Unhinged Book 2

Insistence of the Material engages with recent theories of materiality and biopolitics to provide a radical reinterpretation of experimental fiction in the second half of the twentieth century. In contrast to readings that emphasize the metafictional qualities of these works, Christopher Breu examines this literature's focus on the material conditions of everyday life, from the body to built environments, and from ecosystems to economic production. In *Insistence of the Material*, Breu rethinks contemporary understandings of biopolitics, affirming the importance of forms of materiality that refuse full socialization and resist symbolic manipulation. Breu considers a range of novels that reflect questions of materiality in a biopolitical era, including William Burroughs's *Naked Lunch*, Thomas Pynchon's *V.*, J. G. Ballard's *Crash*, Dodie Bellamy's *The Letters of Mina Harker*, and Leslie Marmon Silko's *Almanac of the Dead*. Drawing from accounts of the emergence of immaterial production and biopolitics by Michel Foucault, Giorgio Agamben, Roberto Esposito, and Michael Hardt and Antonio Negri, Breu reveals the confrontational dimensions of materiality itself in a world devoted to the idea of its easy malleability and transcendence. Taking his analysis beyond the boundaries of literature, Breu argues that both materiality and subjectivity form sites of resistance to biopolitical control and that new developments in materialist theory advance a conception of social existence in which materiality—rather than language or culture—is the central term.

Chaos

This is the FINAL book in the Unhinged Trilogy, the conclusion to Sebastian and Payton's story. Secrets The secrets are still there, plaguing me, disrupting my everyday life, only now the unthinkable has happened. Lies Payton insists that it is time that I deal with the lies that seem to make up my entire existence, the ones that have produced the chaos in my head. I don't know if she realizes it, but if it weren't for her being by my side, I don't know how I would survive. Greed Everything is unfolding right before my eyes, the truth is being revealed and there are people who don't want us to be together, but as I have vowed before, no one will keep her from me. Payton is my anchor in the waves that are crashing through

my life and I will do anything to keep her safe. My name is Sebastian Trovato and this is the conclusion of my story. Book 3 of 3: The final book in the Unhinged series! From New York Times bestselling author Nicole Edwards, writing as Timberlyn Scott

The Unraveling of Mercy Louis

"Paul Krugman is a hero of mine. Read his book."—Al Franken No one has more authority to call the shots the way they really are than award-winning economist Paul Krugman, whose provocative New York Times columns are keenly followed by millions. One of the world's most respected economists, Krugman has been named America's most important columnist by the Washington Monthly and columnist of the year by Editor and Publisher magazine. A major bestseller, this influential and wide-ranging book has been praised by BusinessWeek as Krugman's "most provocative and compelling effort yet," the New York Review of Books as "refreshing," and Library Journal as "thought-provoking even funny." The American Prospect put it in vivid terms: "In a time when too few tell it like it is [Krugman] has taken on the battle of our time." Built from Paul Krugman's influential Op-Ed columns for the New York Times, this book galvanized the reading public. With wit, passion, and a unique ability to explain complex issues in plain English, Krugman describes how the nation has been misled by a dishonest administration. In this long-awaited work containing Krugman's most influential columns along with new commentary, he chronicles how the boom economy unraveled: how exuberance gave way to pessimism, how the age of corporate heroes gave way to corporate scandals, how fiscal responsibility collapsed. From his account of the secret history of the California energy crisis to his devastating dissections of dishonesty in the Bush administration, from the war in Iraq to the looting of California to the false pretenses used to sell an economic policy that benefits only a small elite, Krugman tells the uncomfortable truth like no one else. And he gives us the road map we will need to follow if we are to get the country back on track. The paperback edition features a new introduction as well as new writings.

Looker

As he tries to make his life habitable again--after the devastating loss of his wife--retired lawyer Albert Schmidt finds the possibility of regeneration in a new love the old "Schmidtie" would never have dreamt of. Set in the Hamptons and Manhattan, and laced with black humor, About Schmidt casts a cold, pitiless eye on the eastern seaboard upper class, the last vestiges of once-ascendant WASPs, and the newcomers whose fortunes are rising. BONUS: This edition includes an excerpt from Louis Begley's *Memories of a Marriage*.

The High Season

"The compelling story of an acclaimed journalist and New York Times bestselling author's ongoing struggle with epilepsy--his torturous decision to keep his condition a secret to avoid discrimination, and his ensuing decades-long battle to not only survive, but to thrive. Written with brutal and affecting honesty, Kurt Eichenwald, who was diagnosed with epilepsy as a teenager, details the abuses he

faced while incapacitated post-seizure, the discrimination he fought that almost cost him his education and employment, and the darkest moments when he contemplated suicide as the only solution to ending his physical and emotional pain. He recounts how medical incompetence would have killed him but for the heroic actions of a brilliant neurologist and the friendship of two young men who assumed part of the burden of his struggle. Ultimately, Eichenwald's is an inspirational tale, showing how a young man facing his own mortality on a daily basis could rise from the depths of despair to the heights of unimagined success"--

Unhinged Trilogy

"In this sequel to Unravel, a visit from a handsome stranger shatters a beautiful young woman's vision of her picture-perfect past. Victoria can't recall much of her life before she came to Fairfax Hospital, but she prefers it that way. She holds her beautiful baby daughter, Evelyn, every day and that's enough isn't it? But when Evelyn is taken from her, Victoria's world begins to fray at the seams. It becomes apparent to her that the hospital walls aren't the only obstacles standing between her and the outside world--Victoria has constructed a hall of mirrors deep inside, every false image a distraction from the trauma of her past life. A white picket fence, a family on the way yet something feels amiss in her memories of a happy marriage. When a handsome stranger begins visiting Victoria, pressing her to remember her past, she struggles to separate real memories from refracted images she has created, knowing at last that only the truth can set her free"--

A Woman Unhinged

Winner of the 2016 Alex Award Best Book of 2015 —Kansas City Star In this intricate novel of psychological suspense, a fatal discovery near the high school ignites a witch-hunt in a Southeast Texas refinery town, unearthing communal and family secrets that threaten the lives of the town's girls. In Port Sabine, the air is thick with oil, superstition reigns, and dreams hang on making a winning play. All eyes are on Mercy Louis, the star of the championship girls' basketball team. Mercy seems destined for greatness, but the road out of town is riddled with obstacles. There is her grandmother, Evelia, a strict evangelical who has visions of an imminent Rapture and sees herself as the keeper of Mercy's virtue. There are the cryptic letters from Charmaine, the mother who abandoned Mercy at birth. And then there's Travis, the boy who shakes the foundation of her faith. At the periphery of Mercy's world floats team manager Illa Stark, a lonely wallflower whose days are spent caring for a depressed mother crippled in a refinery accident. Like the rest of the town, Illa is spellbound by Mercy's beauty and talent, but a note discovered in Mercy's gym locker reveals that her life may not be as perfect as it appears. The last day of school brings the disturbing discovery, and as summer unfolds and the police investigate, every girl becomes a suspect. When Mercy collapses on the opening night of the season, Evelia prophesies that she is only the first to fall, and soon, other girls are afflicted by the mysterious condition, sending the town into a tailspin, and bringing Illa and Mercy together in an unexpected way. Evocative and unsettling, *The Unraveling of Mercy Louis* charts the downfall of one town's golden girl while exploring the brutality and anxieties of girlhood in America.

Unraveling

A long, long time ago, an uprising erupted in Silo 18. The descendants of that great clash have been raised in its shadow. Nobody knows what went wrong. Nobody talks about what happened. Like all wars, it went from being something one could learn from -- to a legend one merely learns about. Now, almost two hundred years later, the people of Silo 18 will get more than just a chance to learn about that uprising. They'll get to start one of their own

American Housewife

In this exhilarating new thriller from New York Times bestselling author Kate White, one young woman searches for clues to the murder of her family, only to discover a shocking secret about herself that holds the key to everything. Jillian Lowe seemed to have it all. Both beautiful and accomplished, she lit up any room that she walked into. All of that dramatically changed when her parents and two siblings were brutally murdered at her childhood home her second year in college. The crime shattered what was once a picture-perfect family and nearly derailed Jillian's hopes for her future. Now, sixteen years later, Jillian is shocked to learn that the man imprisoned for murdering her family didn't do it. With the real killer walking free and the cops dragging their heels, Jillian once again feels her life unraveling, and desperately seeks help from an old friend from college, true crime writer Bailey Weggins. As the two women return to Jillian's childhood town to investigate, it doesn't take long for their sleuthing to cause shock waves. Someone starts watching their every move. As they uncover deeply-guarded secrets, so shocking that they make Jillian rethink her entire relationship to her family, Bailey and Jillian find themselves in fear of their own lives. The truth has consequences and they must decide if they're ready to face them.

About Schmidt

In *The Divided City*, urban practitioner and scholar Alan Mallach presents a detailed picture of what has happened over the past 15 to 20 years in industrial cities like Pittsburgh and Baltimore, as they have undergone unprecedented, unexpected revival. He spotlights these changes while placing them in their larger economic, social and political context. Most importantly, he explores the pervasive significance of race in American cities, and looks closely at the successes and failures of city governments, nonprofit entities, and citizens as they have tried to address the challenges of change. *The Divided City* concludes with strategies to foster greater equality and opportunity, firmly grounding them in the cities' economic and political realities.

Thailand Unhinged

Calia Read breaks the mold in this explosive novel that grabs hold and doesn't let go until the shocking truth is revealed. One kiss can change everything. One month ago I was admitted to a psych ward. Yesterday, Lachlan told me I'm losing my mind. But I know what I saw. Will you believe me? Behind the walls of a mental hospital, Naomi Carradine feels her world breaking to pieces. She's starting to

believe all the voices questioning her sanity. Only visitors from the outside world keep her tethered to reality. But deep in her thoughts, Naomi is haunted by memories of a golden summer that twisted into a waking nightmare of obsessive love and fractured truths. Just home from college, Naomi moves in with her best friend, Lana, the daughter of a Virginia senator. At a lavish party thrown by Lana's father, Naomi meets a sexy stockbroker named Max and finds herself unable to resist his charms. One fiery kiss and she's going back for more, beginning a terrifying descent. Having witnessed the unspeakable, Naomi has only one hope of escape: unraveling the devastating secrets of her past. Unravel is intended for mature audiences. Praise for Unravel "A sexy, mysterious, and enthralling story . . . Calia Read's words are so captivating, they'll hold you hostage and throw you into loops you'll never see coming."—Claire Contreras, author of *There Is No Light in Darkness*

Owners of the Map

One of *Vogue's* Best Books of 2019 **Vogue*, Best Novels of 2019 **CrimeReads*, Best Fiction Debuts of 2019 **Star-Ledger*, Top Ten New Jersey Authors of 2019 **EsquireUK*, Best Books of 2019 So Far **People*, Best New Books of the Week **Southern Living*, Best New Books of Winter 2019 **Entertainment Weekly*, Hottest Reads of January **CosmoUK*, Best New Books of January **Vogue*, Lit Hub, and *CrimeReads*, Most Anticipated Books of 2019 In this taut, arresting debut, a woman becomes fixated on her neighbor—the actress. Though the two women live just a few doors apart, a chasm lies between them. The actress, a celebrity with a charmed career, shares a gleaming brownstone with her handsome husband and three adorable children, while the recently separated narrator, unhappily childless and stuck in a dead-end job, lives in a run-down, three-story walk-up with her ex-husband's cat. As her fascination grows, the narrator's hold on reality begins to slip. Before long, she's collecting cast-off items from the actress's stoop and fantasizing about sleeping with the actress's husband. After a disastrous interaction with the actress at the annual block party, what began as an innocent preoccupation turns into a stunning—and irrevocable—unraveling. Immersive and darkly entertaining, *Looker* is a searing psychological portrait of obsession.

Storm Siren

On May 19, 2010, the Royal Thai Army deployed tanks, snipers, and war weapons to disperse the thousands of Red Shirts protesters who had taken over the commercial center of Bangkok to demand democratic elections and an end to inequality. Key to this mobilization were motorcycle taxi drivers, who slowed down, filtered, and severed mobility in the area, claiming a prominent role in national politics and ownership over the city and challenging state hegemony. Four years later, on May 20, 2014, the same army general who directed the dispersal staged a military coup, unopposed by protesters. How could state power have been so fragile and open to challenge in 2010 and yet so seemingly sturdy only four years later? How could protesters who had once fearlessly resisted military attacks now remain silent? *Owners of the Map* provides answers to these questions—central to contemporary political mobilizations around the globe—through an ethnographic study of motorcycle taxi drivers in Bangkok. Claudio Sopranzetti explores the unresolved tensions in the drivers' everyday lives, their migration trajectories,

consumer desires, and political demands amidst the restructuring of Thai capitalism after the 1997 economic crisis. Reconstructing the entanglements between their everyday mobility and political mobilization, Sopranzetti reveals mobility not just as a strength of contemporary capitalism but also as one of its fragile spots, always prone to disruption by the people who sustain its channels but remain excluded from their benefits. In so doing, *Owners of the Map* advances an analysis of power that focuses not on the sturdiness of hegemony or the ubiquity of everyday resistance but on its potential fragility as well as the work needed for its maintenance.

The Dangerous Case of Donald Trump

Seventeen-year-old Mara cannot remember the accident that took the lives of three of her friends, but after moving from Rhode Island to Florida, finding love with Noah, and more deaths, she realizes that uncovering something buried in her memory might save her family and her future.

Unhinged

By journeying with the reader through Scripture, sharing her own personal stories of unraveling, and offering encouragement, to shed false identities, and to let go of comfortable patterns. *Unravel* will bring a hope of coming undone with some practical ways, thought provoking questions, and steps.

Thailand Unhinged

Like *The Forest of Hands and Teeth*, Elizabeth Norris's *Unraveling* blends realistic coming-of-age issues with a gripping science fiction world. *Unraveling's* heroine, sixteen-year-old Janelle Tenner, is used to having a lot of responsibility. She balances working as a lifeguard in San Diego with an intense academic schedule. Janelle's mother is bipolar, and her dad is a workaholic FBI agent, which means Janelle also has to look out for her younger brother, Jared. And that was before she died...and is brought back to life by Ben Michaels, a mysterious, alluring loner from her high school. When she discovers a strange clock that seems to be counting down to the earth's destruction, Janelle learns she has twenty-four days to figure out how to stop the clock and save the planet.

Unraveled: The Hope of Coming Undone

The year is 1716—the Golden Age of the Pirates. An orphan who sleeps in the dusty kitchens of a quayside brothel, Merrin Smith is desperate to unravel the secrets of her past and find the truth about the events that brought her to Isla Perla as a child. Disguised as a sailor, she joins the crew of the pirate ship *Riptide*, helmed by the notorious Captain Erik Winters. Tenacious and rumored to be a madman, Winters is known as much for his ruthlessness as for his connection to the enigmatic and beautiful proprietress of *The Goodnight Mermaid*, Evangeline Dahl, who vanished from the island two summers before. This book is an epic, emotional adventure of two women—one desperate to save herself, and the other determined to be rescued—and the secret which binds them together.

Unravel

"Thailand Unhinged: The Death of Thai-Style Democracy" delivers an excoriating critique of Thai politics and society over the tumultuous years that followed the ouster of former Prime Minister Thaksin Shinawatra. Thailand's ongoing political crisis is explained through the prism of the country's painful post-absolutist history - a history marred by the systematic sabotage of any meaningful democratic development, the routine hijacking of democratic institutions, and the continued suffocation of the Thai people's democratic aspirations orchestrated by an unelected ruling class in an increasingly desperate attempt to hold on to its power. This new edition, uncensored, expanded, and revised, argues that the tragic events of 2010 mark the end of "Thai-Style Democracy" - a five-decades-old system of government that, notwithstanding the appropriation of some of the trappings of democracy, has largely preserved the right of "good" men of high birth, status, and wealth to run the country. The essays are written in a pointed, combative style, making "Thailand Unhinged" a highly unconventional mix of academic scholarship, literary journalism, and radical pamphleteering. IN PRAISE OF THE FIRST EDITION Written by an extremely talented Harvard PhD journalist/professor, this well-crafted collection of essays illuminate s] magnificently the tragedy of Thailand today. Trenchant and continually blistering. -Tom Plate, author of the bestselling "Conversations with Lee Kuan Yew" FEDERICO FERRARA (PhD, Harvard University) works as Assistant Professor at the City University of Hong Kong, Department of Asian and International Studies.

American Oligarchs: The Kushners, the Trumps, and the Marriage of Money and Power

Have you ever met that someone who steals your breath with just a look? That someone you can't stop thinking about, no matter how hard you try? I have. I met her in a dream. Never would I have expected her to step right into my reality, though. But she did. Although I can't explain why, Payton Fowler makes me want things I never imagined I could have. She soothes the chaos in my head. But she doesn't know who I really am, and she doesn't see the darkness that lives inside of me. She's supposed to be off limits to me. But that's not a problem because I've perfected the art of breaking the rules. My name is Sebastian Trovato and this is the story of how I met the woman who unhinges me. Book 1 of 3: All three books are available! From New York Times bestselling author Nicole Edwards, writing as Timberlyn Scott

A Mind Unraveled

For anyone who believes that liberal isn't a dirty word but a term of honor, this book will be as revitalizing as oxygen. For in the pages of Reason, one of our most incisive public thinkers, and a former secretary of labor mounts a defense of classical liberalism that's also a guide for rolling back twenty years of radical conservative domination of our politics and political culture. To do so, Robert B. Reich shows how liberals can: .Shift the focus of the values debate from behavior in the bedroom to malfeasance in the boardroom .Remind Americans that real prosperity depends on fairness .Reclaim patriotism from those who equate it with

pre-emptive war-making and the suppression of dissent If a single book has the potential to restore our country's good name and common sense, it's this one.

Unraveling

As this bestseller predicted, Trump has only grown more erratic and dangerous as the pressures on him mount. This new edition includes new essays bringing the book up to date—because this is still not normal. Originally released in fall 2017, *The Dangerous Case of Donald Trump* was a runaway bestseller. Alarmed Americans and international onlookers wanted to know: What is wrong with him? That question still plagues us. The Trump administration has proven as chaotic and destructive as its opponents feared, and the man at the center of it all remains a cipher. Constrained by the APA's "Goldwater rule," which inhibits mental health professionals from diagnosing public figures they have not personally examined, many of those qualified to weigh in on the issue have shied away from discussing it at all. The public has thus been left to wonder whether he is mad, bad, or both. The prestigious mental health experts who have contributed to the revised and updated version of *The Dangerous Case of Donald Trump* argue that their moral and civic "duty to warn" supersedes professional neutrality. Whatever affects him, affects the nation: From the trauma people have experienced under the Trump administration to the cult-like characteristics of his followers, he has created unprecedented mental health consequences across our nation and beyond. With eight new essays (about one hundred pages of new material), this edition will cover the dangerous ramifications of Trump's unnatural state. It's not all in our heads. It's in his.

Reason

Secrets and lies No good ever comes of them. My life is proof. For eleven years, I've suffered from a suspicion that has waged a war inside my head, filled me with rage. Left me feeling helpless. But then she came along. The darkness continues to consume me, but when I'm with her, I can ignore it, push it away. Even if only for a little while. Payton calms me. She manages to quiet the noise in my head. But the secret is still there, still continuing to plague me day after day. Yet I still can't bring myself to tell her even though she deserves to know. She needs to know. I love her. And I'll do anything to protect her. Although I've found some peace, my life continues to unravel, no matter how hard I try to stop it. My name is Sebastian Trovato and this is the continuation of my story. Book 2 of 3: All three books are available! From New York Times bestselling author Nicole Edwards, writing as Timberlyn Scott

The Isle of Gold

Follows a troubled psychoanalyst as he seduces both strangers and patients and dangles clues to his immoral behavior in the face of his wife Akiko.

The Unbecoming of Mara Dyer

From one of America's preeminent national security journalists, an explosive, news-

breaking account of Donald Trump's collision with the American national security establishment, and with the world. It is a simple fact that no president in American history brought less foreign policy experience to the White House than Donald J. Trump. The real estate developer from Queens promised to bring his brash, zero-sum swagger to bear to cut through America's most complex national security issues, and he did. If the cost of his "America First" agenda was bulldozing the edifice of foreign alliances that had been carefully tended by every president from Truman to Obama, then so be it. It was clear from the first that Trump's inclinations were radically more blunt force than his predecessors'. When briefed by the Pentagon on Iran and the Strait of Hormuz, he exclaimed, "The next time Iran sends its boats into the Strait: blow them out of the water! Let's get Mad Dog on this." When told that the capital of South Korea, Seoul, was so close to the North Korean border that millions of people would likely die in the first hours of any all-out war, Trump had a bold response, "They have to move." The officials in the Oval Office weren't sure if he was joking. He raised his voice. "They have to move!" Very quickly, it became clear to a number of people at the highest levels of government that their gravest mission was to protect America from Donald Trump. Trump and His Generals is Peter Bergen's riveting account of what happened when the unstoppable force of President Trump met the immovable object of America's national security establishment--the CIA, the State Department, and, above all, the Pentagon. If there is a real "deep state" in DC, it is not the FBI so much as the national security community, with its deep-rooted culture and hierarchy. The men Trump selected for his key national security positions, Jim Mattis, John Kelly, and H. R. McMaster, were products of that culture: Trump wanted generals, and he got them. Three years later, they would be gone, and the guardrails were off. From Iraq and Afghanistan to Syria and Iran, from Russia and China to North Korea and Islamist terrorism, Trump and His Generals is a brilliant reckoning with an American ship of state navigating a roiling sea of threats without a well-functioning rudder. Lucid and gripping, it brings urgently needed clarity to issues that affect the fate of us all. But clarity, unfortunately, is not the same thing as reassurance.

Insistence of the Material

Lily Russell thinks she can dance at London's prestigious Royal Ballet. She also thinks she can single-handedly bring about world peace. Her friends know she's delusional; her former bosses think she's unreliable. The only person who seems to believe in her is her jealous ex-lover, Jeremy, and he's shiftless and violent and doesn't seem to understand the concept of "ex." That doesn't stop Lily from dreaming; dreams make life an adventure. But when she meets Edmund, a man who seems to genuinely care for her and steadies her thinking, she starts to realize her ordinary life might be enough of an adventure for her. Lily expects a scene when Jeremy finds out about her new boyfriend, but she never could've expected what happened next. What readers are saying about *A Woman Unhinged*: 'Be prepared to feel crazy, sane and everything in between. I stayed up all night reading this book.'--Elizabeth D. 'Fantastic! I was hooked from the very first page.'--Sheri A. Wilkinson 'NOT JUST ANOTHER TALE!!!mind boggling'--Kaye 'draws you in, makes you question what is real and leaves you feeling totally off kilter'--seraphim0731 'the kind of suspense that holds you hostage'--Ms. J. 'couldn't put it down makes you wonder what is really real'--L. Bakke Amazon VINE VOICE reviewer 'makes you question reality'--Tonya Gillon 'I will go on wondering about

this book's details for days.'--Rubin Marta

The Death of Politics

How do you feel about how you feel? Our emotions are complex. Some of us seem able to ignore our feelings, while others feel controlled by them. But most of us would admit that we don't always know what to do with how we feel. The Bible teaches us that our emotions are an indispensable part of what makes us human—and play a crucial role in our relationships with God and others. Exploring how God designed emotions for our good, this book shows us how to properly engage with our emotions—even the more difficult ones like fear, anger, shame, guilt, and sorrow—so we can better understand what they reveal about our hearts and handle them wisely in everyday moments.

All In

A sharp, funny, delightfully unhinged collection of stories set in the dark world of domesticity, *American Housewife* features murderous ladies who lunch, celebrity treasure hunters, and the best bra fitter south of the Mason Dixon line. Meet the women of *American Housewife*: they wear lipstick, pearls, and sunscreen, even when it's cloudy. They casserole. They pinwheel. They pump the salad spinner like it's a CPR dummy. And then they kill a party crasher, carefully stepping around the body to pull cookies out of the oven. These twelve irresistible stories take us from a haunted prewar Manhattan apartment building to the set of a rigged reality television show, from the unique initiation ritual of a book club to the getaway car of a pageant princess on the lam, from the gallery opening of a tinfoil artist to the fitting room of a legendary lingerie shop. Vicious, fresh, and nutty as a poisoned Goo Goo Cluster, *American Housewife* is an uproarious, pointed commentary on womanhood.

Unhinged

Working with the police department to protect Montreal's reputation in the wake of serial killings, mayoral PR director Martine LeDuc partners with a young detective to uncover a decades-old tragedy involving psychological experiments performed on orphaned children.

Untangling Emotions

The New York Times opinion writer, media commentator, outspoken Republican and Christian critic of the Trump presidency offers a spirited defense of politics and its virtuous and critical role in maintaining our democracy and what we must do to save it before it is too late. "Any nation that elects Donald Trump to be its president has a remarkably low view of politics." Frustrated and feeling betrayed, Americans have come to loathe politics with disastrous results, argues Peter Wehner. In this timely manifesto, the veteran of three Republican administrations and man of faith offers a reasoned and persuasive argument for restoring "politics" as a worthy calling to a cynical and disillusioned generation of Americans. Wehner has long been one of the leading conservative critics of Donald Trump and his

effect on the Republican Party. In this impassioned book, he makes clear that unless we overcome the despair that has caused citizens to abandon hope in the primary means for improving our world—the political process—we will not only fall victim to despots but hasten the decline of what has truly made America great. Drawing on history and experience, he reminds us of the hard lessons we have learned about how we rule ourselves—why we have checks and balances, why no one is above the law, why we defend the rights of even those we disagree with. Wehner believes we can turn the country around, but only if we abandon our hatred and learn to appreciate and honor the unique and noble American tradition of doing “politics.” If we want the great American experiment to continue and to once again prosper, we must once more take up the responsibility each and every one of us as citizens share.

Asylum

Anyone who watches the former U.S. Secretary of Labor and The Daily Show and CNBC commentator's videocasts, viewed on his Inequality Media website, has seen Reich's informal lectures on student debt, social security, and gerrymandering, which he accompanies by quickly drawing cartoons to illustrate his major points. Collected here, for the first time, are short essays, edited from his presentations, and Reich's clean-line, confident illustrations, created with a large sketchpad and magic marker. Economics in Wonderland clearly explains the consequences of the disastrous policies of global austerity with humor, insight, passion, and warmth, all of which are on vivid display in words and pictures.

Unhinge

The award-winning novel that started it all. “A riveting tale from start to finish. Between the simmering romance, the rich and inventive fantasy world, and one seriously jaw-dropping finale, readers will clamor for the next book—and I'll be at the front of the line!” —Marissa Meyer, New York Times bestselling author of the Lunar Chronicles In a world at war, a slave girl's lethal curse could become one kingdom's weapon of salvation. If the curse—and the girl—can be controlled. “I raise my chin as the buyers stare. Yes. Look. You don't want me. Because, eventually, accidentally, I will destroy you.” As a slave in the war-weary kingdom of Faelen, seventeen-year-old Nym isn't merely devoid of rights, her Elemental kind are only born male and always killed at birth—meaning, she shouldn't even exist. Standing on the auction block beneath smoke-drenched mountains, Nym faces her fifteenth sell. But when her hood is removed and her storm-summoning killing curse revealed, Nym is snatched up by a court advisor and given a choice: be trained as the weapon Faelen needs to win the war or be killed. Choosing the former, Nym is unleashed into a world of politics, bizarre parties, and rumors of an evil more sinister than she's being prepared to fight . . . not to mention the trainer whose dark secrets lie behind a mysterious ability to calm every lightning strike she summons. But what if she doesn't want to be the weapon they've all been waiting for? Set in a beautifully eclectic world of suspicion, super abilities, and monsters, Storm Siren is a story of power. And whoever controls that power will win. “Intense and intriguing. Fans of high stakes fantasy won't be able to put it down.” —CJ Redwine, New York Times bestselling author of the Ravenspire series “Mary Weber has created a fascinating, twisted world. Storm Siren sucked me in

from page one—I couldn't stop reading! This is a definite must-read, the kind of book that kept me up late into the night turning the pages!" —Lindsay Cummings, author of the Androma Saga "A riveting read! Mary Weber's rich world and heartbreaking heroine had me from page one. You're going to fall in love with this love story." —Josephine Angelini, internationally bestselling author of the Starcrossed trilogy "Elegant prose and intricate world-building twist into a breathless cyclone of a story that will constantly keep you guessing. More please!" —Shannon Messenger, author of the Sky Fall series

Economics in Wonderland

This is the complete Unhinged Trilogy. Have you ever met that someone who steals your breath with just a look? That someone you can't stop thinking about, no matter how hard you try? I have. I met her in a dream. Never would I have expected her to step right into my reality, though. But she did. Although I can't explain why, Payton Fowler makes me want things I never imagined I could have. She soothes the chaos in my head. But she doesn't know who I really am, and she doesn't see the darkness that lives inside of me. She's supposed to be off limits to me. But that's not a problem because I've perfected the art of breaking the rules. My name is Sebastian Trovato, and this is the story of how I met the woman who unhinges me.

Trump and His Generals

"Thailand Unhinged: Unraveling the Myth of a Thai-Style Democracy" offers a trenchant analysis of Thai politics and society over the tumultuous years that followed the ouster of former Prime Minister Thaksin Shinawatra. Thailand's ongoing political crisis is explained through the prism of the country's painful post-absolutist history - a history marred by the systematic sabotage of any meaningful democratic development, the routine hijacking of democratic institutions, and the continued suffocation of the Thai people's democratic aspirations orchestrated by an unelected ruling class in an increasingly desperate attempt to hold on to its power. The book includes scathing critiques of both Thaksin's administration as well as the military-backed government that came to power in late 2008, following the week-long siege of the country's busiest airports staged by the "yellow shirts" of the People's Alliance for Democracy. The essays are written in a provocative, confrontational style - making "Thailand Unhinged" a decidedly unconventional mix of academic scholarship, literary journalism, and radical pamphleteering. About the Author FEDERICO FERRARA (PhD, Harvard University) works as Assistant Professor of Political Science at the National University of Singapore. He will be joining the City University of Hong Kong's Department of Asian and International Studies in 2010.

The Most Dangerous Man in America

Secrets and lies No good ever comes of them. My life is proof. For eleven years, I've suffered from a suspicion that has waged a war inside my head, filled me with rage. Left me feeling helpless. But then she came along. The darkness continues to consume me, but when I'm with her, I can ignore it, push it away. Even if only for a

little while. Payton calms me. She manages to quiet the noise in my head. But the secret is still there, still continuing to plague me day after day. Yet I still can't bring myself to tell her even though she deserves to know. She needs to know. I love her. And I'll do anything to protect her. Although I've found some peace, my life continues to unravel, no matter how hard I try to stop it. My name is Sebastian Trovato and this is the continuation of my story.
