"Extraordinary is the word! a multi-narrative, multi-genre extravaganza, with a central story which is unrelentingly gripping a true original."

"Funny Horrifying Astonishing. A surreal journey through trauma and its aftermath." A man is living in Paris, France during the final years of the human era. Yet it is not the future that he fears, only the consequences of a hidden and terrifying past "The Old Tailor had stared at the space left by the young woman as she left the workshop, and it had seemed as though there was a faint trail left by those eyes like car headlights on a slow film photograph taken at night He had not believed such a thing was possible He did not know if she recognised him or not, and whoever had engineered this agony was determined to place him in an impossible position. He might well gaze, but he could not, under any circumstances, tell her the truth."
