VOICES OF THE AMERICAN PAST is a two-volume reader that presents a variety of diverse perspectives through more than 240 primary sources. Excerpts from speeches, letters, journals, magazine articles, hearings and government documents raise issues from both public and private aspects of American life throughout history. A Guide to Reading and Interpreting Documents in the front matter explains how and why historians use primary source evidence, and outlines basic points to help students learn to analyze sources. Brief headnotes set each source into context. Questions to Consider precede each document, offering prompts for critical thinking and reflection. The volumes are organized

chronologically into 27 chapters, with the Reconstruction chapter overlapping in both volumes. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Miscarriage Matters to Mothers

Four of the most important and enduring American slave narratives together in one volume. Until slavery was abolished in 1865, millions of men, women, and children toiled under a system that stripped them of their freedom and their humanity. Much has been written about this shameful era of American history, but few books speak with as much power as the narratives written by those who experienced slavery firsthand. The basis for the film of the same name, *Twelve Years a Slave* is Solomon Northup's heartrending chronicle of injustice and brutality. Northup was born and raised a freeman in New York State—until he was kidnapped and sold into slavery in the Deep South. Before returning to his family and freedom, he suffered smallpox, the overseer's lash, and an attempted lynching. Perhaps the most famous of all slave chronicles, *Narrative of the Life of Frederick Douglass* immediately struck a chord with readers when it was first released in 1855. After escaping to freedom, Douglass became a well-known orator and abolitionist, drawing on his own experiences to condemn the evils of slavery. One of the few female slave narratives, *Incidents in the Life of a Slave Girl* was originally published under a pseudonym by Harriet Jacobs. After she escaped to freedom in North Carolina, where she became an abolitionist, Jacobs described the particular suffering of female slaves, including sexual harassment and abuse. Published in 1850, *The Narrative of Sojourner Truth* is Truth's landmark memoir of her life as a slave in upstate New York and her transformation into a pioneer for racial equality and women's rights. These narratives serve as a timeless testament to the strength and bravery, and as a voice to the millions of people enslaved in this dark period of American history. This ebook has been professionally proofread to ensure accuracy and readability on all devices.

Give Me Liberty!, 6e Brief Volume 1 with Media Access Registration Card + Voices of Freedom, 6e Volume 1

A single baby, born to save a world. Two ancient prophecies, both foretelling the extinction of a race. Two sides racing to their appointment with destiny. A leader of men, determined to outwit the foretelling of his doom, leads his people in a sickening massacre to secure the continuation of his race. A single man, troubled with nightmares and voices in dreams, worries for his sanity as his life crumbles around him. Alone and friendless, Vincent escapes to isolated freedom, the loneliness forcing him to succumb to the terrifying nightmares and finally, to listen to the voices in the dreams. Many worlds away across the aching void, Farra listens to the voices in her own dreams, and embarks upon a perilous journey to bring truth and justice to one troubled soul struggling to find a purpose. The child that is now a man must face his nemesis and end the tide of evil that laid waste his world as he took his first breath. The voices in the dreams lead them on a journey through space and time, from world to world in a desperate struggle for truth, justice, life.

Force and Freedom

Give Me Liberty!, 6e Brief Combined Volume with Media Access Registration Card + Voices of Freedom, 6e Volumes 1 And 2

The United States is thrown into turmoil by a traitorous President trying to deceive everyone including his allies in the UN with intentions of bringing those supposedly arrogant countries to their knees and appease his dead father's wishes. Enforcing martial law with the help of UN troops he is unable to capture the whole nation before military leaders mount a coup and push him out of the white house and into the North Eastern states behind the lines of martial law. In the middle of the lies and deceit a beacon of truth, Media Entertainment Network, becomes the premier news source in hopes to help shed the light on the former President's real intentions. An appointed President tries to rally the troops and get the nation behind him but the nation is already split and the efforts may prove to be futile. Another angle is at play though, as people are starting to hear a voice out of nowhere. Some will listen to the voice and heed the warning as others will choose to ignore it. At the brink of chaos when all is said and done, who will listen and who will not, may change the course of the world.

Christianity and Freedom: Volume 1, Historical Perspectives

In Volume 1 of Christianity and Freedom, leading historians uncover the unappreciated role of Christianity in the development of basic human rights and freedoms from antiquity through today. These include radical notions of dignity and equality, religious freedom, liberty of conscience, limited government, consent of the governed, economic liberty, autonomous civil society, and church-state separation, as well as more recent advances in democracy, human rights, and human development. Acknowledging that the record is mixed, scholars document how the seeds of freedom in Christianity antedate and ultimately undermine later Christian justifications and practices of persecution. Drawing from history, political science, and sociology, this volume will become a standard reference work for historians, political scientists, theologians, students, journalists, business leaders, opinion shapers, and policymakers.

Desmond Meade survived a tough childhood only to find himself with a felony conviction. He further survived hardships that led him to the brink of suicide. Finding the strength to pull his life together, he graduated from law school and married. When his wife ran for state office, he was filled with pride--but not permitted to vote for her. He spearheaded a movement to restore voting rights to felons who had served their terms, and in November of 2018, Amendment 4 passed with 65% of the vote. Today, Desmond continues his justice work, including fighting back against new restrictions placed on Florida voters, restrictions that

have been likened to Jim Crow laws. In this book he tells the story of his battles on all fronts, and of his undying belief in the power of a fully enfranchised nation.

Burma's Voices of Freedom in Conversation with Alan Clements, Volume 3 of 4: An Ongoing Struggle for Democracy

In this monumental volume, Henry Hampton, creator and executive producer of the acclaimed PBS series *Eyes on the Prize*, and Steve Fayer, series writer, draw upon nearly one thousand interviews with civil rights activists, politicians, reporters, Justice Department officials, and hundreds of ordinary people who took part in the struggle, weaving a fascinating narrative of the civil rights movement told by the people who lived it. Join brave and terrified youngsters walking through a jeering mob and up the steps of Central High School in Little Rock. Listen to the vivid voices of the ordinary people who manned the barricades, the laborers, the students, the housewives without whom there would have been no civil rights movements at all. This remarkable oral history brings to life country's great struggle for civil rights as no conventional narrative can. You will hear the voices of those who defied the blackjacks, who went to jail, who witnessed and policed the movement; of those who stood for and against it—voices from the heart of America.

Voices of Indian Freedom Movement: Voice of nascent and resurgent nationalism

Though the history of slavery is a central topic for African, Atlantic world and world history, most of the sources presenting research in this area are European in origin. To cast light on African perspectives, and on the point of view of enslaved men and women, this group of top Africanist scholars has examined both conventional historical sources (such as European travel accounts, colonial documents, court cases, and missionary records) and less-explored sources of information (such as folklore, oral traditions, songs and proverbs, life histories collected by missionaries and colonial officials, correspondence in Arabic, and consular and admiralty interviews with runaway slaves). Each source has a short introduction highlighting its significance and orienting the reader. This first of two volumes provides students and scholars with a trove of African sources for studying African slavery and slave trade.
