Just a Spoonful of Laughter Helps the Medicine Go Down

Just a Spoon Full of Laughter is a great read for anyone that's been to a doctor's office and made it out alive. Written by an actual physician, it will keep you in stitches (no pun intended) from one story to the next. See for yourself what could be so funny about the physician office visit. Whether it's recalling his first sigmoidoscopy or performing an autopsy, you'll keep this riveting series of short humorous stories right there in the bathroom for pleasurable reading. You may even find yourself somewhere between the pages. From an author who will never be a New York Times Best Seller, it's a great book for young or old, male or female, professional or not. It's especially ideal for that person in your life who has everything except a sense of humor. It's ideal as a stocking stuffer, white elephant gift or for future yard sales. "The funniest book I ever read." Says Dr. Zhivago "Yes! Yes! Yes!" Says Dr. No

Sasha Cream: The Naked Truth (G Street Chronicles Presents)

I realize when you're on the outside looking in it appears that celebrities, athletes and people with powerful careers have very exquisite and perfect lives. Exquisite may be true but not perfect definitely not for a Grammy award winning artist with his peculiar sexual fantasies, nor my clandestine meetings with a basketball star,

my rendezvous with a singer/actor, my crazy escapades with superstar rappers, nor my friendship with a reality show star. Come with me as I take you from the most luxurious hotel rooms to multi-million dollar mansions. We'll go on some of the craziest escapades and reveal secrets that may make the biggest sinner cringe. As I sift through a long list, I'll spare no details when it comes to my time spent pleasing these men in ways their wives and girlfriends weren't--all for the mighty dollar. I'll also let you deep into the mind and sensitive side of Sasha Cream, how my career as a porn star, entertainer and call-girl began, along with my personal views on life, love and sex vs money, power and respect. Delve into my world ALL FACT, no fiction exposing the industry with The Naked Truth, on page at a time. ~Sasha Cream
